Lincoln, The Dino Thunder Rangers, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after Zeltrax, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Zeltrax and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at then as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, The Dino Thunder Rangers, Crash Bandicoot, Red Savarin, Von Lycaon, Ricky, Nico, and I and the rest of us attacked him super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Zeltrax even angrier than ever.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit Zeltrax and he got hit hard, and one of the blasts hit The Monitor Orb embedded in Zeltrax's forehead, and not only did we get a massive power boost, but Zeltrax screamed in agonizing pain.

He was finally sent to The Black Abyss forever, and his death was also sent to Mesogog who growled and screamed in pure rage at us from the shadows.

Me: YEAH! Zeltrax you have failed this world!

Nico: Couldn't have said it better myself! And Mesogog really is pissed too!

We cheered as we holstered our weapons and powered down.

Nico: And that is that for Zeltrax.

Me: And this also sent a message to Mesogog.

Lincoln: Telling him he's next. Alright, now there's one last loose end to tie up: Evil Carol Pingrey.

We turn our attention to Evil Carol Pingrey who got back up despite getting her legs shot by Caleb Maxwell, and she still had her knife in hand.

Evil Carol Pingrey: Damn you, damn you, you stupid Louds! I will kill you all with my bare hands!

When all is said and done, what little did you achieve through your actions. You walk the path of a coward always creeping your way through the dark. That's a path that all villains like you have taken, and it's one that'll follow you into death once more. Evil Carol Pingrey, may you suffer for eternity with not a kindred soul to give you any solace, this is where we end this once and for all!

Time to die, you bitch.

Lincoln, Emily Anderson, Nico, and I went after Evil Carol and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Evil Carol, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Emily Anderson did the same by firing amaranth deep purple, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive Mage's staffs, and Lincoln, Emily Anderson, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Evil Carol Pingrey even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Evil Carol Pingrey and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln's massive white angel wings and forty-nine sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Evil Carol Pingrey.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Evil Carol Pingrey and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the

Finally, Emily Anderson and Lincoln fired a massive amaranth deep purple energy beam with holy light at Evil Carol Pingrey, and the blasts sent that viper flying out into space, and...!

KRABOOM!

THE BEAM EXPLODED OUT INTO SPACE AND EVIL CAROL WAS KILLED IN THE EXPLOSION AND SHE WAS SENT TO THE BLACK ABYSS!

We cheered wildly as we holstered our weapons and powered down and Emily Anderson's new body, clothes, weapons, jewelry, Third Eye, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded pink gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded pink gems behind the gold rings behind her head, one-hundred large amaranth deep purple planets orbiting around her legs, one-hundred smaller amaranth deep purple planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized amaranth deep purple planets orbiting around her wrists and ankles, and massive amaranth deep purple angel wings and ninety-nine sets of large amaranth deep purple angel wings underneath her massive amaranth deep purple angel wings are permanent.

Emily Anderson: We did it, that's one down and four to go. Thanks for helping me get rid of Evil Carol, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Emily.

Me and Nico: Our pleasure, Emily.

Suddenly, Emily Anderson wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Emily Anderson's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Emily

Anderson sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Kelsey Ace: That was so awesome! Emily, you transformed, and you and Lincoln really let that teen monster have it.

Candy: That's for sure.

Pop: Indeed. Plus, you got rid of one of Dark Sebastian's instruments of revenge.

Ricky: It's not much longer before we get rid of the last of them.

Me: That's right. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the Vegvisir appear in the skies along with the Duel Monster, Nordic Smith Ivaldi.

Lincoln: The Vegvisir and the Duel Monster, Nordic Smith Ivaldi.

Astrid Michelsen: (Norwegian Accent) There's one person who fits that: Nora Baardsen, Avatar and Gene-Slammer of Nordic Smith Ivaldi, and you guys are going to love meeting her, Nora Baardsen, Avatar and Gene-Slammer of Nordic Smith Ivaldi, is Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Ivaldi. Nora Baardsen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Nora Baardsen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Ivaldi, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Ivaldi, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there is one person whom she'd been wanting to kill all her life: Lori's hated enemy, Giselle Razor, The Terror of Michigan, and she swore to tear her apart with the power of Ivaldi.

Lori: I literally have a feeling that on my big day, we're no doubt going to face that bitch, Giselle Razor.

Lincoln: The second she shows up, she's finished.

Me: We'll end her for good, but not before we kick her ass all over the place.

Nico: That's for sure, after what she's done, she doesn't deserve to live ever again. That bitch deserves to die once and for all.

Me: You got that right. But this was fun And Mesogog is mad too as well.

Toiletnator: He sure is.

Zexion: But that's another Power Ranger villain down.

Ghost: And a lot more to go.

Me: Yep.

Pete: Now, a moment of silence for Jason David Frank.

LaGrange: May he rest in peace

We took off our hats and put our hands on our chests and had a moment of silence.

30 seconds later we were done.

Me: That was fun though.

Xenia: Yep.

Nico: Awesome! Great job today everyone!

Tommy Oliver: (To the viewers) It was fun doing this one.

Me: It sure was.

We went to Lynn's Table and had a great meal.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: Whew, man, that was one awesome day, and I had the most wild rescue ever. But, at least, it pissed off Dark Chase Young big time. That'll fix him.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was his entire harem dressed only in strapless bras and panties, and when he saw them, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Girl Jordan went up to Lincoln.

Girl Jordan: (Rubs Lincoln's massive pecs) I knew that old trick wound up getting you once more. (Seductive Voice) And it got you aroused once more. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of

The Incubi have taken hold of him as he went up to his harem.

Amara Roshansa: (Seductive Voice) Uh oh, looks like someone's about to get really...wild.

Suddenly, Lincoln lifted Girl Jordan and brought her to the bed with him joining the rest of his harem and he was on top of Girl Jordan and the others.

Lincoln: (Seductive Voice) (Smirks) You said a mouthful.

Lincoln used his one-hundred massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

YOST SPIDERMAN GETS PAYBACK!

In honor and memory of Alan Rachins

In the early morning hours of 12:24 AM, Lincoln was asleep along with his harem and he had a dream as it took him to a planet known as Planet Gemcrystalus. Suddenly, he saw a girl with long white hair with blue eyes and white, blue, and yellow angel wings and dressed only in a white two-piece bikini in spirit sleep along with the Disney Heroes and superheroes from 150,000 years hence. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: I just had a dream, and this is gonna shock J.D. when we tell him.

Lincoln explained everything, and when he was done, his harem were shocked.

Talia Houou Flameheart: (Irish Accent) Oh man, it's her: the fourth of your Guardian Angels!

Selene Arcangela: And we also found the Disney Heroes and superheroes from 150,000 years hence, they were in spirit sleep this whole time.

Suddenly, Lincoln got up and got dressed along with his harem, then Nico and I came in.

Me: Lincoln, what is it?

Lincoln explained, and I was shocked.

Me: No way, you found the Disney Heroes and superheroes from 150,000 years hence!

Nico: Along with the fourth of your Guardian Angels from 150,000 years hence, awesome.

Me: So, what do you intend to do?

Lincoln: I'm going to bring Planet Gemcrystalus to our solar system, then, we're heading over to awaken Bianca, and once that happens, that'll cause the Disney Heroes and superheroes from 150,000 years hence to also awaken, but they'll eventually merge with the Disney Heroes and superheroes.

We headed outside, and...!

SNAPS FINGERS!

Lincoln brought Planet Gemcrystalus to our system, and we headed over, and it was an awesome planet of gems and crystals combined.

Me: Wow, this place is awesome.

Tara Toonamine: That's for sure.

Suddenly, Lincoln sensed it, and we headed on over to a hyperbolic spirit sleep chamber, and we saw Bianca Pirateloot asleep in one chamber.

Me: That's Bianca Pirateloot? Whoa, hubba hubba!

Nico: Dude, you know Lincoln's here, right? Watch it or he'll clean your clock.

Lincoln: Hey, be nice, he knows she's my Guardian Angel.

Then, we saw the Disney Heroes and superheroes from 150,000 years hence in multiple chambers.

Nico: Whoa. Oh man...!

Michelle Emperyous: They're all asleep.

Lincoln: Being asleep for 150,000 years in that state of spirit sleep and not knowing what happened to the others...! Dark Chase Young, you really are an absolute monster.

Lincoln placed his hand on the pod where Bianca Pirateloot was sleeping. Suddenly, it started to glow and it opened up, and then, she started to awaken as Lincoln caught her in his arms.

Bianca Pirateloot: (Groans) W-where am I?

Suddenly, her eyes came into focus, and she saw Lincoln recognizing the deep sapphire blue eyes.

Bianca Pirateloot: L-Lincoln? Is that you?

Lincoln: Yes, it's me from the Earth that hasn't been destroyed by the asteroid, the one you found, though I've really grown up a lot.

Lincoln wrapped his abnormally massive and muscular arms around Bianca Pirateloot's waist and hugged her, and Bianca Pirateloot is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic

red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and ninety-nine sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Bianca Pirateloot: That you have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and ninety-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome. But, wait, where am I?

Me: You're in our world. Lincoln brought the planet and all of you here to our world, and in our world, we destroyed the asteroid heading for Earth when we went after Tim Scam.

Nico: And foiled one of Dark Chase Young's schemes to prevent the prophecy from coming true in our world. Lincoln already fulfilled the first part of the prophecy by getting 403 years of divine retribution for his ancestors by taking down Morag and killing Aggie.

Lincoln: Now, all that's left is for the second part: killing the monster responsible for everything he did to my family in 1621 and for 1,500 years of pain and suffering, Dark Chase Young.

Bianca Pirateloot: Perfect.

Suddenly, Shanan came to us.

Shanan: Guys, I just saw a planet come into our solar system, and who is...?

Selene Emperyous: Shanan, meet Bianca Pirateloot, she's the fourth of Lincoln's Guardian Angels from her home Planet Gemcrystalus. Bianca Pirateloot was born with omnipotent power, immortality, invincibility, and the powers of all gems and crystals. Bianca came from the Earth prior to its destruction in the other timeline, and as she was observing Earth and she found Lincoln, and like Tara Toonamine, she ended up falling in love to the point of swearing that she would do everything in her power to protect him, and God heard her swearing to do everything in her power to protect him, and she took The Sacred Oath, thus becoming the fourth of Lincoln's Guardian Angels. Before the Earth of the other timeline was destroyed, while Tara came and rescued Lincoln and his harem from its destruction and got them to her home planet, Techwater, Bianca rescued all the Disney Heroes and superheroes, and took them Gemcrystalus, where she placed herself and all the Disney Heroes and superheroes in spirit sleep until she, all the Disney Heroes and superheroes, and Planet Gemcrystalus can be transported to the time where the asteroid that was coming to destroy Earth was destroyed when we went after Tim Scam, along with Planet Techwater and the other planets.

Shanan: (GASPS) Whoa! So, she saved her Earth's Disney Heroes and superheroes before the Earth of that timeline got destroyed?! And they were in spirit sleep. Dark Chase Young, you vile monster.

Lincoln: Yep, and I brought the planet here. This is Planet Gemcrystalus.

Shanan: Wow.

Lincoln went up to the pods where the Disney Heroes and superheroes of 150,000 years hence were sleeping in, and as soon as he touched them, the pods glowed and they opened. Suddenly, they merged with the Disney Heroes and superheroes, and the Disney Heroes and superheroes grew stronger than ever gaining 150,000 years of experience in combat and power beyond any imagination.

Lincoln: Whoa!

Selene Emperyous: Incredible, now the Cybertronians are even stronger than ever!

Lincoln then went up to Bianca Pirateloot and he pinned her to the floor and he kissed her deeply and passionately on the lips and she returned it after recovering from the shock, then, he leaned down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Bianca Pirateloot with blue gems on the gold lightning bolts and white crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Lincoln then helped her up and carried her bridal style as we came back home and went back to our rooms and Lincoln brought Bianca Pirateloot to his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem and he had her sleeping on top with her head on his massive pecs.

Bianca Pirateloot: (Rubs Lincoln's massive pecs) This feels really nice, and it's so good to finally be home.

Lincoln: Us too.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to a planet called Gemcrystalus.

Then, Lincoln, Nico, and I explained everything that happened last night, and when we got done, everyone was floored.

Qin: HOLY COW! So, you guys found the Disney Heroes and superheroes of 150,000 years in spirit sleep on the planet?!

Then, Bianca Pirateloot came in.

Nico: Along with the fourth of Lincoln's Guardian Angels from the Earth of 150,000 years hence that got destroyed.

Me: Yep, she was born with omnipotent power, immortality, invincibility, and the powers of all gems and crystals. Just like what happened to me, and Lincoln has added her omnipotent power, immortality, invincibility, and the powers of all gems and crystals to his arsenal when he fed on her blood last night.

May: But, that means if you were able to find the Disney Heroes and superheroes from 150,000 years hence, that means...!

Maria: Ourselves from 150,000 years hence must be on different planets that were from that same timeline. But, how can we find them?

Lincoln: Just leave that to us.

Suddenly, the alarm sounded, and we checked the computer, and we found out who it was that triggered the alarm: it was Ultimate Carnage, he's returned from the dead and he's causing havoc in New York City.

Me: ARE YOU KIDDING ME?!

Girl Jordan: WHAT THE HELL?! ULTIMATE CARNAGE IS BACK!? (GROWLS SAVAGELY)

Lincoln: That's it, he's going to be burned to death.

Suddenly, The Fire Symbol on Crash Bandicoot's True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Fury Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Fury Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Justice and the Element of Harmony for Starlight Glimmer started glowing.

Crash Bandicoot: The Fire symbol's glowing, this means, you're up next, Sunset Shimmer.

Sunset Shimmer: Awesome.

Nico: There's no way Anti-Monitor would ever bring him back, someone else must've had a hand in it, only someone who was that screwed-up in the head and...(Realizes who it was) Oh, you've got to be fucking kidding, this was another scheme by the dead hand of Dark Sebastian long before we sent him to The Black Abyss.

Qin: I can't think of anyone that screwed-up other than him who'd do this.

Lincoln: Well, I think it's time we ruin this attempt at revenge on us for good. Let's finish our breakfast and head for New York City.

Nico: Gotcha.

Hay Lin woke up to see Fearow staring at her

Fearow: (Squawks) Morning Hay Lin!

Hay Lin: Morning Fearow!

Fearow: Time for breakfast!

Hay Lin: Be right down!

She went and got dressed and went to the table and she was having breakfast. We were having salmon benedict.

We finished our breakfast, and we headed out to New York City to help Sunset Shimmer and Girl Jordan unlock their Rainbow Power and destroy Ultimate Carnage and send him to The Black Abyss.

Camie: I always love coming to New York City.

Ymir: It's so awesome.

Qin: It sure is.

Poromon: New York City is always fun.

Manaphy: I'll say!

Rainbow Dash: It sure is! Ouch ouch ouch. That hurts.

Rainbow Dash had scrubbed herself REALLY RAW in the tub. She was covered in scratches and cuts from it. Same with May. Ouch!

May: Ouch ouch ouch ouch. It hurts.

Manaphy: That must've been really stinky blood.

Nico: No kidding! Trey I want to thank you and Martial Hair and your teams for coming.

Trey: Not a problem. This will be fun.

Mustard Persephone: I'm really up for this,.

Me: Me too.

Starfire: Persephone, can I lick you?

Mustard Persephone: You sure can Starfire.

SLURP!

She licked her.

Starfire: So delicious!

Ymir: Starfire likes to drink mustard?

Robin: Yeah she has always done that for a while since she arrived on Earth. It's been that way for her.

Me: Yeah it's cool. (Eating French Fries.) Mmm!

Ketchup Boris: Want some ketchup on those J.D.?

Me: Sure.

He drenched them.

Me: (Eating) Mmm! Thanks Boris.

Blackfire: Save some for me!

Mustard Persephone: Okay.

They licked her.

Sunset Shimmer: You just have to get used to it Ymir. I've been very fascinated with Starfire's planet ever since we met and it's really interesting.

Ymir: I can see that.

Laney: Yeah.

Laney was about to eat a hot dog.

Relish Dante: Want some relish on that Laney?

Laney: Sure.

He put some on it.

Laney: Thank you.

Relish Dante: You're welcome.

Fluttershy: Malo that must be really silly being made of barbecue sauce.

BBQ Sauce Malo: It is but it is fun. I make peoples steaks and meats delicious.

Fluttershy: That is fun.

To us BBQ Sauce Malo was barking. But to Fluttershy he was talking.

Nico: What's he saying?

Fluttershy: Oh he said that it is fun. He makes peoples steaks and meats delicious.

Lana: (Eating earthworms covered in barbecue sauce) I'll say!

WE LAUGHED!

Me: Yeah that is true.

Ymir: Yeah!

Girl Jordan: It sure is awesome in New York though.

Ymir: I agree. Girl Jordan I've been meaning to ask, why do you hate Carnage so much?

Girl Jordan: Because he RUINED MY LIFE!

Ymir: What!? Why?

Me: Carnage has always been a REALLY FUCKED UP IN THE HEAD monster and has done all kinds of things that would make even Dark Chase Young proud. He destroyed Girl Jordan's family ties after she got her powers and ever since then, she has harbored a MASSIVE AND TERRIBLE vendetta against him!

Nico: It's true. We even destroyed the main one earlier in the year

Ymir: Really?

Me: Yep. On Girl Jordan's day to shine.

Cassidy: Which was on the day I gave birth to my kids.

Tara Duncan: I remember that. I'll never forget seeing that with you guys the first time.

Camie: Yeah that was cool.

Girl Jordan: It sure was.

Nico: It was unforgettable

Ymir: Wow! That is so cool!

Qin: It sure was awesome.

Girl Jordan: Yeah we all had a great time too.

Camie: We sure did.

Leeli: I'm proud of my sister too.

Eowyn Roasto: We all are.

Girl Jordan: Yeah that was a fun time for me.

Me: Yep. But yesterday was just as fun too. We really socked it to Zeltrax! WOW!

Nico: We sure did!

Tommy Oliver: That was awesome!

Me: Just like on TV huh Tommy.

Tommy Oliver: You said it!

Nico: He didn't go down easy

Me: No he sure didn't.

Nico: But that finisher combined with J.D.'s rainbow power made sure he stayed down permanently!

Eli: That was so awesome!

Me: It sure was! And with the power of Connor's little sister as a Purple Ranger too.

Rainbow Dash: Boy that was awesome! (In pain) Ouch ouch ouch ouch.

Me: Boy R.D. You and May really scrubbed yourselves raw! Ouch.

Rainbow Dash: No kidding! Took 5 hours in the tub and scrubbing hard! Ouch.

May: That blood from Connor's Akuma really was HORRIBLE!

Nico: No kidding

Qin: That blood smelled REALLY BAD!

Nico: Let's help you with that.

Lily used her healing water and healed them up.

Rainbow Dash: (In relief) Thanks Lily.

May: Yeah that felt good.

Lily: No problem.

Aylene Carter: That Akuma was like the Zombie Argentinosaurus but as a T-Rex.

Nico: Did it scare you?

Aylene Carter: No it didn't but it was crazy though.

Starlight Glimmer: Brought back a sense of deja-vu.

Me: It sure did.

Qin: Yeah.

Ymir: That was a cool adventure though.

Me: I know. Too bad we didn't face Mesogog though. But there is always next time.

Tara Duncan: Too true.

Lana: I agree.

Lincoln: Okay, guys, we need to put the pedal to the metal, we're here in New York City, and as we discussed this morning, we are here to help Sunset Shimmer and Girl Jordan unlock their Rainbow Power and destroy Ultimate Carnage and send him to The Black Abyss.

The rest of the team's with us, and we saw that New York City was in chaos.

Nico: Oh, look at this, he's been busy.

Me: What a mess.

We also saw bodies drained to husks, but not reanimating as zombies.

Girl Jordan: This is worse than what we saw on The SHIELD Carrier.

Suddenly, we saw blood tears falling from Caleb Maxwell's eyes.

Caleb Maxwell: I can hear the cries of the dead, all of them are crying out for vengeance! (DEATHLY DEMONIC VOICE) That maggot, I'm going to make him suffer!

Suddenly, the skies turned blood red and black, and Caleb's canine teeth grew into fangs!

Caleb Maxwell: THEY DIDN'T DESERVE TO DIE LIKE THIS! SLAUGHTERED LIKE ANIMALS AND HE SHOWS NO REMORSE IN DOING SO! HE DESERVES TO DIE A MILLION DEATHS, HE DESERVES TO BEAR THE WRATH OF EVERY LAST LIVING SOUL HE MURDERED IN COLD BLOOD! I'M GOING TO BE THE ONE TO MAKE THIS MONSTER SUFFER! BUT, ABOVE ALL ELSE, HE DESERVES TO DIE BY MY HAND!

WE WERE HORRIFIED AND FREAKED OUT: CALEB MAXWELL SNAPPED, FAR WORSE THAN ANY OF US HAVE! THIS WASN'T JUST A NORMAL SNAPPING, THIS WAS FUELED BY THE RAGE OF THE DEAD, AND HIM ONCE BEING DEAD MADE IT WORSE!

Nico: W-what the heck was that?! This wasn't a normal mental snap! This is...!

James Blunt: This is one fueled by the rage of the dead going unavenged, and him being once dead for eight years, he feels their pain, and that was all he ever felt: nothing but pain. All the love he had died: betrayed by so-called friends, ostracized by those who harbored hatred for him for the things his younger brother did, seeing the deaths of those who were true friends, getting beaten up by his younger brother all the time, and almost getting killed more than once, and he was forced to carry all of that pain.

Suddenly, Caleb took off after Ultimate Carnage in a fit of vampiric and demonic rage.

Eli: Caleb! Oh shit, he's going after Ultimate Carnage on his own!

Nico: We got to stop him before he unleashes even more Hell!

Lincoln: And we will.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever.

Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Ultimate Carnage) AHA! Gotcha! I just spotted Ultimate Carnage, he's 20 yards away in Times Square, let's get him!

Nico: Before Caleb unleashes a tidal wave of pure darkness and despair on him and ruins our fun.

We walked but then..

SQUISH!

I stepped in something.

I saw that it was slime!

Me: EW!

Nico: Slime?

Sophie heard a Pokémon cry.

Sophie: (British Accent) Look guys!

We saw that the slime lead to a Gastrodon! A Female one!

Me: A Gastrodon! No wonder!

Gary: Meow!

SpongeBob: Looks like Gary is gonna have a playmate.

Gastrodon: Sorry about the slime. I can't help it.

Nico: No worries.

Sophie: You hungry?

She gave her apples.

Gastrodon: Thank you.

She ate them.

Gastrodon: Ahh that was great.

Sophie: Want to come with us?

Gastrodon: I would be honored.

Me: Awesome!

Nico: I think we met a Gastrodon Gene Slammer recently.

Rhonda Utakata: Yeah you did. That was me.

Nico: Right! Yeah!

Lana: Hey guys look!

We saw a Pidgey!

Me: Cool a Pidgey!

Nico: What'S that doing here?

Me: If it were a pigeon it wouldn't be a surprise because in a City as big as New York they are everywhere.

Nico: Yeah.

Me: It must be one of Dark Gale's work.

Teresa: Let me see.

She used Telepathy and gasped!

Teresa: It's my little sister Tina!

Carol and Maria gasped!

Carol: Oh my gosh Tina!? Wow!

Maria: You guys will be amazed to hear about her! She is the one that got me and Carol into making clothes.

Nico: Cool!

Carol: There's more to her too.

Me: Lets go help her.

We went over to her.

Teresa: Tina it's okay it's me Teresa.

She flew and pecked Horsea.

POINK POINK POINK POINK!

Horsea: OW OW OW OW!

Poliwag: HEY BACK OFF BIRDBRAIN!

WHAP!

He slapped her with his tail!

Horsea: Thanks Poliwag.

Me: Lets get her back to normal.

I snapped my fingers and she reverted back. She was a girl with pink purple hair and had purple eyes and had green and pink wings and had Pidgey on her forehead and had a Mandala with the Earth and the Kanji for Sky as well as an Eagle, Elephant and Whale on the Earth for a Cutie Mark.

We wrapped her in a blanket and brought her over to a bench and sat her down.

Me: There.

Maria: You okay Horsea?

Horsea: I'll be fine.

She woke up to see Horsea's stern gaze.

Tina Morris: (Groans) Huh? A Horsea?

Horsea: You pecked my head!

Maria picked up Horsea.

Maria: Easy Horsea.

Teresa: Hey sis.

Carol: How have you been?

Tina Morris: (GASP) Carol, Teresa, Maria!

She hugged them!

Tina Morris: Teresa I thought I would never see you again. I looked all over for you.

Teresa: That's because I was turned into Talon of the Metabreed.

Tina Morris: Wait that was you? I had no idea.

Carol: Yeah. Tina is a very special Bang Baby. She got exposed to the Quantum Vapor and got all the powers of animals of land, air and sea and also has the powers of all the bang babies. It's how she got the Superhero Name, Lady Fauna.

Me: WOW! That is cool!

Tina Morris: It sure is. And is that what that weird purple cloud was?

Me: Yeah the Quantum Vapor is an experimental biohazardous mutagenic gas. It mutated you and gave you superpowers.

Teresa: I got bird features and sonic scream powers and I got the name Talon.

Tina Morris: Oh wow! That is amazing!

Me: It was. Also you were turned into a Pidgey by Dark Gale.

Tina Morris: Oh man! I remember!

She was in a brown suit and injected and turned into a Pidgey! She flew out of there.

FLASHBACK ENDS

Tina Morris: It was awful.

Maria: I know. But we destroyed Dark Gale. Also in case you haven't noticed, I was made human again because of my friendship for Carol and the Water Stallion of Tefnut, the Egyptian Goddess of Water.

Tina Morris: Oh wow! That is amazing!

Poliwag licked Gastrodon's slime.

Poliwag: Tastes like chicken!

Ed: Chicken slime Poliwag!?

Eddy: Shut up Ed!

Tina Morris: I'm glad you are back to normal Teresa.

Teresa: Well I'm now redeeemed thanks to everyone here. We have a lot fo catching up to do..

Tina Morris: I know. Also for Sonya's team I am the elemental mage and animal master of the team. Outside I use my powers to bring down our enemies.

Me: Cool!

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new pink and purple clothes and a wolf longsword.

Tina Morris: I look amazing!

Me: You sure do. You would be perfect to help Leni, Maria, Teresa and the Fashion Brigade.

Maria: We make clothes for all the gene-slammers that lost their clothes when they transformed.

Tina Morris: I would be honored.

Poliwag: Good thing I helped Horsea

Nico: You sure did. Now we got a mission to do.

We then took off into the air to help Sunset Shimmer and Girl Jordan unlock their Rainbow Power and destroy Ultimate Carnage and send him to The Black Abyss before Caleb Maxwell can take all the fun out of that by killing Ultimate Carnage himself.

We were flying in the air, and then, we saw our target: Ultimate Carnage, and he was battling a mega enraged Caleb Maxwell guided by the rage of the dead and he was unleashing pure Hell on him as he summoned demons from

Hell to attack the chaotic Symbiote, and Caleb even made blood rain down from the Heavens.

Nico: There's that murderous bloodthirsty Symbiote, and there's Caleb!

Lincoln: He's gone completely crazy letting himself be driven by the rage of the dead. I got to stop him before he does something completely stupid.

Suddenly, Lincoln's deep sapphire blue eyes glowed, and the lights of Heaven shined down upon New York City, and everyone who got drained by Ultimate Carnage were restored to life and New York City was fixed as Ultimate Carnage was sent into the air and put onto a battlefield Lincoln had created in the skies.

Suddenly, the spirits of the Marvel heroes appeared and fired energy blasts at Ultimate Carnage, and then, the spirits converged and they crashed down and a massive explosion erupted as a Wolf Howl, Thunderbird Screech, and Phoenix Cry was heard and we appeared.

Nico: I should've known you'd show your ugly face here again, Ultimate Carnage.

Me: And this was due to the dark actions of Dark Sebastian that he brought you back long before he and Malphas were killed.

Ultimate Carnage only screeched at us.

Lincoln: Guess there's no use in talking since you're just a feral animal. Let's do this, but before we do so.

Lincoln sprouted black Symbiote tentacles that latched onto Ultimate Carnage and he sucked out and drained him of all the energy and bodily fluids he'd drained from his victims and weakened him badly as the tentacles latched off the Symbiote and went back into Lincoln who now became even stronger than ever.

Me: Okay you bloody sack of chum and vomit! COME AND GET US!

I fired a blast of fire and blasted him.

Girl Jordan fired waves of energy and blasted him all over the place!

Ultimate Spiderman: For once, you're not turning into someone close to me. Let's keep it that way.

Girl Jordan: That is for sure! And thank goodness I saved Gwen Stacy from you!

She fired energy blasts and blasted Ultimate Carnage all over!

Me: YEAH!

Then a figure crashed into the ground and it was Xigbar but with a purple star aura!

Erza Scarlet: Xigbar?

Out came the next member of the Daughters of Organization XIII.

Lincoln: Bianca Braig Xigbar!

Bianca Braig Xigbar: Yep. Good to see you Lincoln.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Bianca Braig Xigbar, Daughter of Xigbar, she's Lincoln's Guardian Angel from The World That Never Was, she's a powerful master of the forces of space, the stars, and sharpshooting, and she's known as The Sharpshooter of Space of The Daughters of Organization XIII, they are the daughters of the members of Organization XIII and they have elemental angel wings and black clothes and the weapons of Organization XIII and the kanjis of the elements on their foreheads, and Aniya and her friends absolutely loathe Xehanort with a bloodstained vengeance. She came to Royal Woods where she met Lincoln and swore to protect him from all threats and it not only included Dark Chase Young, but also, Xehanort as well, because Lincoln also had a hand in killing the evil Xehanort. She trained Lincoln in mastering the forces of space, the stars, and sharpshooting, and in a split second, he mastered the powers of space, the stars, and sharpshooting, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Luan with a passion.

Me: WHOA! Awesome to meet you.

Bianca Braig Xigbar: Same here. Care to help me with this Leni?

Leni: Sure!

Suddenly, we heard a roar, and we saw a massive army of vampires, werewolves, dragons, goblins, trolls, golems, chimeras, wendigos, demons, griffins, Hippogriffs, Minotaurs, Incubi, Succubi, Manticores, Gorgons, Changelings, and Elementals coming at us.

Me: What the?

Nico: Uh oh.

Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of vampires, werewolves, dragons, goblins, trolls, golems, chimeras, wendigos, demons, griffins, Hippogriffs, Minotaurs, Incubi, Succubi, Manticores, Gorgons, Changelings, and Elementals, and he began absorbing them into his body and he assimilated the massive superhuman upper body and lower body strength, massive muscle mass, virility, testosterone, and powers of the werewolves, and immense physical superhuman strength and immense powers of the vampires, dragons, goblins, trolls, golems, chimeras, wendigos, demons, griffins, Hippogriffs, Minotaurs, Incubi, Succubi, Manticores, Gorgons, Changelings, and Elementals, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of these beasts is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of vampires, werewolves, dragons, goblins, trolls, golems, chimeras, wendigos, demons, griffins, Hippogriffs, Minotaurs, Incubi, Succubi, Manticores, Gorgons, Changelings, and Elementals and Lincoln drained their souls of energy and sent them to

The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Nico: Seriously, who keeps on sending them after us?

Lincoln: No idea, but the clod's just digging his own grave not realizing that by sending vampires, werewolves, dragons, goblins, trolls, golems, chimeras, wendigos, demons, griffins, Hippogriffs, Minotaurs, Incubi, Succubi, Manticores, Gorgons, Changelings, and Elementals, and other evil mythical creatures, he's just letting me get even stronger by absorbing them and assimilating their raw strength and physical abilities along with their immense powers.

Then, the barrier deactivated and Caleb then lands and rejoins us.

Ultimate Carnage: (ENRAGED SCREECH)

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of

gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Ultimate Carnage, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of

Poromon: That takes care of him.

Nico: Ultimate Carnage, you are done forever, and don't you dare come back!

Lincoln: That's for sure. Plus, I'm so proud that you also unlocked your Rainbow Power too, Jordan.

Lincoln hugged Girl Jordan and they kissed.

Twilight Sparkle: Carnage caused her to unlock her Rainbow Power.

Sunset Shimmer: And with it, she really gave him what for. Too bad it wasn't for Cletus whom we'd killed months ago, but there's more versions of Carnage out there who need to die, except for those in The Masters of Evil.

Lincoln: Yep.

Nico: Still, that was impressive work, and we got another fucked-up Carnage out of New York forever.

Me: And in The Black Abyss where he belongs.

Lincoln: Cletus Kasady is gone, but we won't stop until his legacy is wiped out forever.

Me: Yep. His fucked up bloodline needs to die for good!

Qin: Big time!

Gastrodon: That is for sure.

Nico: You got that right! Nice job Gastrodon!

Lincoln: Aria Allura! Wow!

Allura (1984): Good to see you sister!

Aria Allura: You too sister!

Me: Care to introduce us?

Anna Anyanova: Sure. This is Aria Allura, Keyblade Knight of Altea, she's Lincoln's Guardian Angel from Altea and she's a powerful force of epic power to be reckoned with. She's The Keyblade Knight of Altea and she's a powerful master of the powers and weapons of Voltron, and she's also a master of the powers of Fire, Water, Wind, Earth, Wood, Sand, Metal and Lightning, and the powers of the elements. She's the younger sister of Princess Allura and she's also is good friends of the Voltron Force. And she is a powerful force of good and hates all the forces of Planet Doom. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained him with mastering the powers and weapons of Voltron, and the powers of Fire, Water, Wind, Earth, Wood, Sand, Metal and Lightning, and the powers of the elements, and over time, Lincoln gained all the powers and weapons of Voltron, and the powers of Fire, Water, Wind, Earth, Wood, Sand, Metal and Lightning, and the powers of the elements, and she also helped him bulk up in muscle, and she also taught Lincoln how to pilot fighter robots and even his own lion, and she hates all of Lincoln's enemies with a vengeance especially Scoots.

Me: WHOA! So that's how you got a Voltron Lion.

Lincoln: Yep.

Me: Sweet!

Nico: WOW! That is cool!

Aria Allura: It sure is. And I have all of Martial Hair's powers too.

Martial Hair: Just like me.

Me: Yep.

Nico: And your friend?

Another Hay Lin: Someone who loves her big sis.

She reverted back and it was a small version of Hay Lin.

Hay Lin: (GASP) Gia Lin!

She ran and hugged her!

Gia Lin: My big sis! I'm so happy to see you!

Me: Yamato Man Next.

Yamato Man: That's right.

Dingo: (Australian Accent) WELL HEY SHORTO!

Rocko: (Australian Accent) (IN AN ABSOLUTE PANIC) DINGO! OH NO! I GOT TO GET OUT OF HERE!

I grabbed Rocko!

Me: What's wrong Rocko!?

Lily: You look like you've seen a ghost!

Rocko: HIDE ME! HIDE ME!

Me: ROCKO CALM DOWN!

Qin: What's got you so upset about Dingo!?

Rocko: (Panting) I'm sorry guys. Dingo was the meanest bully in my school when I lived in Australia. Also he is the reason why I moved to America.

Me: Really?

Rocko: Yes.

He explained.

Dingo was Rocko's bully during his childhood in Australia. In the episode, "Wimp on the Barby", Rocko explains that he fled to America partly to escape from Dingo. Rocko met Dingo in the 3rd grade. From day 1 of 3rd Grade he made his life in school a living nightmare and continued bullying him for 12 years. When Rocko's mom calls to tell him that he is coming to visit, Rocko panics, afraid Dingo will come to the United States and continue to bully him there. When Dingo arrives at Rocko's house, he reveals himself as a member of a Hare Krishna-esque cult that opposes all types of violence and that he is now at peace with everyone, and is now known as "Foofy No-No". His ears are also gone when he visits Rocko. He presents Rocko with various gifts (a three-speed blender, Bacon-in-a-box, and $5) and asks Rocko to punch him in the nose for all the pain and suffering he put on Rocko for years. Rocko is apprehensive at first but does it anyway. As he leaves, Heffer and Filburt ambush him and attack him, unaware of his changed personality. He was voiced by Carlos Alazraqui.

Despite his name, Dingo resembles a kangaroo more so than he does an actual dingo.

WE GASPED!

Poromon: WHY YOU DISGUSTING LITTLE!

Mascots: CUTIE BUTTKICKING BASHER!

They jumped Dingo and REALLY LET HIM HAVE IT IN A BRUTAL FIGHT CLOUD!

Me: So Dingo was partly the reason why you came to America?

Rocko: That's right.

Me: Man what a jerk!

Carrie White: Yeah no kidding! At least he's not as bad as my bullies were!

Dingo was mercilessly beaten up and looked like how Edd did when he lost to Jimmy.

Nico: Let that be a lesson!

Me: Yeah!

Trent (Yugioh): Well it was bound to happen to him either way.

Me: Yep.

Then out of a swirl of books and a swirl of darkness came Numbers 78: Number Archive and 77: The Seven Sins!

Me: WHOA! Number 78: Number Archive and Number 77: The Seven Sins!

Qin: Cool!

Number 78: (In a girls voice) It sure is.

Archive on her forehead, arm, shirt and skirt and a green sword.

Selena had black hair, red eyes, black wings and maid clothes and had Number 77: The Seven Sins on her forehead, arm, skirt and shirt and had a darkness sword.

Selena Seras: That's right. She's the gene-slammer of Number 56: Gold Rat.

Me: WHOA! We'll meet her later on.

Nico: Yep. Selena is the maid of Gia.

Me: Oh that's cool! I think all maids are considered as family and should not be treated like slaves.

Selena Seras: Very noble of you to say that.

Me: Yeah.

He hugged them.

Nico: I've missed you girls.

Selena Seras: Same here.

We had all of TLPS and The MOE with us.

Lincoln: Whoa, we're here in the world of Nikoderiko: The Magical World, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're going to help Niko and Luna, the two treasure hunting mongoose siblings hunt for the treasure in their world and take down the evil Baron Grimbald and his minions.

Nicole: This is the kind of world I'm going to enjoy, and with help from the two treasure hunting mongoose duo, we'll have all the treasure from the land and we'll take down Grimbald and all his minions.

Nico: This is gonna be awesome.

Trey: You said it.

We suddenly saw Cobrings come out and tried to attack, but they got attacked and got knocked down.

?: Sorry about that, but I'm glad you made it, Team Loud Phoenix Storm.

We then saw a male red furred mongoose with long brown hair and dressed in a beige short-sleeved shirt, red sleeveless vest with gold lightning bolts and blue jeans: this was Nikoderiko also known as Niko and a female beige furred mongoose with long blonde hair and dressed in a green short-sleeved vest, beige sleeveless midriff top, and yellow pants with pack on the right hip: this was Luna, Nikoderiko's sister.

Me: You must Nikoderiko and Luna, correct?

Luna: Yep, that's correct, J.D. You got here in time, we're trying to get the primordial artifact that Grimbald has stolen.

Nikoderiko: And he and his blockhead minions have taken over much of the island.

Nicole: Leave it to us, we'll get the artifact back, and we'll also help you guys collect treasure along the way.

Luna: Thanks. Plus, we know of your skills in treasure hunting: yours and Lincoln's.

Lincoln: How did you know I was also a...?

Nikoderiko: Word spreads quickly, and to tell the truth, we've been wanting to meet you guys, and we know of the mess with Anti-Monitor and Dark Chase Young.

Nicole: We're gonna get rid of Dark Chase Young in the future same with Anti-Monitor. Now, then, it's time to hunt down some treasure.

We began travelling to the different worlds here on the island, and we also found treasure in those worlds along with taking down the blockhead Cobring minions and even facing some dangerous bosses and rescuing the fireflies and meeting the friends of the mongooses.

Luna: We're gonna need a good place to put all these treasures. Our ship got burned down by that snake, Grimbald.

Nicole: Not a problem.

Nicole sent the treasure we collected to The World Tree Estate.

Nikoderiko: Where did you send it?

Nicole: Back to our home in The World Tree Estate, and it'll soon be your new home too, and you'll see the treasure vault we have along with the treasures we've been collecting.

Lincoln: Don't forget some of them that we've found we've donated to the museums all over the world.

Luna: We'll have to see the vault.

Nikoderiko: Right after we take care of Grimbald.

We then proceeded onwards towards the final battle against Baron Grimbald, leader of The Cobrings.

We arrived at Baron Grimbald's lair, and there we met the big bad boss himself: Baron Grimbald, leader of The Cobrings.

Baron Grimbald: So, you two mongooses have made it this far.

Nicole: And with help from us.

Baron Grimbald: What the?! Team Loud Phoenix Storm?! (HISSES) That Dark Sebastian and Malphas failed to get rid of you all!

Lincoln: That they did, sorry to disappoint you, snake breath.

Andre Lupescu fired a massive wave of snow, ice, and darkness at Baron Grimbald and they hit him.

But, before Baron Grimbald could attack, he was hit by blasts of blue energy and ice, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long purple hair and ice blue flower in her hair, purple eyes, massive blue angel wings, she has a Vegvisir and Nordic Smith Ivaldi on her forehead, right arm, ice blue sleeveless crop top, and ice blue skirt, white gloves, blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, snow, ice, phoenixes, and angels on the coattails, and on the back is Nordic Smith Ivaldi, she has an ice greatsword in her right hand, and with her are the seven girls.

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Baron Grimbald, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed at him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to happen when we kill you.

Then, Andre Lupeau went after Baron Grimbald and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at him with his silver-plated guns.

Thundersnow Ice Dragon Phoenix God Angel Hope, and Ed Cowart, Ets, Ken, Nicole, Nico, Gage the Hedgehog, and Eli unholster their massive greatswords and transformed, and we went after Baron Grimbald and we fired blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they explode with incredible power as they hit him.

Then, Lincoln and Nikoderiko went at Baron Grimbald and they punched him all over the place same with all the Cobrings we'd captured, and Lincoln fired a massive blast of lightning that electrocuted Baron Grimbald and all the Cobrings and they were all turned into snakeskin boots for all of us, and we sent them to The Black Abyss. We cheered as we holstered our weapons and powered down as we returned home to The World Tree Estate with the chest containing the artifact and Nikoderiko and Luna became members of the team and we brought their island to Lake Huron where it merged with Destiny Islands.

Nicole: Now, that was an awesome treasure hunting adventure!

Me: And we not only got the treasures and brought down Baron Grimbald, but we also got Niko and Luna as new members of the team.

Nico: Plus, their island has merged with Destiny Islands at Lake Huron.

Sora: Looks like we got ourselves new neighbors.

Lincoln: That's for sure, and we taught Grimbald and those Cobrings a lesson, they'll carry with them to The Black Abyss forever. (To Nora Baardsen) And it's so good to see you again, Nora.

Nora Baardsen: (Norwegian Accent)(Norwegian Accent) You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Nora Baardsen had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Nora Baardsen was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Nora Baardsen: (Norwegian Accent) Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Nora Baardsen's waist and hugged her, and Nora Baardsen is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic

red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and ninety-nine sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Nora Baardsen: (Norwegian Accent) My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and ninety-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Nora Baardsen, Avatar and Gene-Slammer of Nordic Smith Ivaldi, she's

Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Ivaldi. Nora Baardsen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Nora Baardsen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Ivaldi, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Ivaldi, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there is one person whom she'd been wanting to kill all her life: Lori's hated enemy, Giselle Razor, The Terror of Michigan, and she swore to tear her apart with the power of Ivaldi.

Me: That Giselle Razor is nothing more than a murderous bloodthirsty bitch who caused so much pain and suffering to so many innocent people for years.

Nico: That's for sure. She's going to die on Lori's big day.

Lincoln: Wait, I have a feeling the villain we'll be facing on Lori's big day is none other than Rasputin.

Ymir: Rasputin?

Me: Grigori Rasputin, he was once the advisor to Anastasia Romanov's father who was the Czar back in 1917 over 100 years ago.

Lori: I went to The Simulator eight years ago and I adopted Anastasia as my sister and killed that evil snake who not only betrayed her family, but also, literally messed with dark magic and the forbidden arts and also made deals with demons.

Ymir: That's horrible!

Luna: We consider Anastasia as a member of our family, and we're not gonna let that monster get away with this.

Lincoln: That's for sure. We'll face Giselle Razor on your rescue in the future, Nico, and we'll make sure she dies horribly for what she did, but if Rasputin shows up on Lori's final Ambassador mission, we'll banish him to The River of Fire until her big day, this way, he'll suffer horribly for what he did to Anastasia and her family back in 1917.

Lori: That's even better. I was considering sending him to The Warp, but not with that draconic son of a bitch still in there.

Lincoln: Exactly, Lori, and now that you're here, Nora.

Lincoln with his massive muscular arms still wrapped around Nora Baardsen's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Nora Baardsen: (Norwegian Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Nora Baardsen with purple gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Nora Baardsen: (Norwegian Accent) (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Nora Baardsen.

Nora Baardsen had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Nora Baardsen's waist, and he leaned down to her face and kissed her on the lips, and with Nora Baardsen's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Nora Baardsen had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Nora Baardsen: (Norwegian Accent) (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The seven girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the seven girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the seven girls are Luna Noa, Mia Ausa, and Xenobia from Lunar: The Silver Star, Flora Banks from Lunar: Dragon Song, and Lucia, Jean, and Lemina Ausa from Lunar: Eternal Blue.

Lincoln: Oh whoa, it's Luna Noa, Mia Ausa, and Xenobia from Lunar: The Silver Star, Flora Banks from Lunar: Dragon Song, and Lucia, Jean, and Lemina Ausa from Lunar: Eternal Blue.

Nicole: So, those were the girls that Nora rescued, and they're cute. We should've warned Travis and Red about that.

Lincoln: Too late for that. Are you girls okay?

Luna Noa: Yes, we're okay, thanks to you.

Luna Noa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Xenobia: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Luna Noa, Mia Ausa, Xenobia, Flora Banks, Lucia, Jean, and Lemina Ausa with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That was one awesome treasure hunting rescue!

May: You said it, and this was one Nicole definitely loved.

Lincoln: Same with me.

Nico: Those Cobring blockheads made a big mistake when they tangoed with us.

Me: We turned them all into snakeskin boots and other accessories.

Rarity: Indeed, and the craftsmanship is very amazing.

Fluttershy: Those Cobrings were really mean, but the other animals we'd met, they truly were amazing and have amazing abilities.

Laney: I was stunned myself, and now, the island Niko and Luna are from has now merged with Destiny Islands.

Lincoln: Later on, we'll see what's inside the chest Grimbald snatched from them.

After Lincoln and all of us met Niko and Luna and took down Baron Grimbald, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Nora Baardsen saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Nora Baardsen: (Norwegian Accent) My God, I was right that Lincoln's really grown into an 18-year-old 12'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Nora, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Nora Baardsen: (Norwegian Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped

him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Nora Baardsen: (Norwegian Accent) I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Jack Howard got out a tape, but this one had a black and red color theme and it was really ominous.

Nico: (GULPS) W-what's that?

Roxy Drake: Uh oh, I think I know what that tape is about. This incident took place on October 29th, 1985, two days before The Hallowshade Bloodbath. This was where Caleb had a run-in with Panther, Carla Claw, and Sally Gamble of The Big Claw Gang. Even after he ran away from Drake and his gang, he encountered those three and he got into a fight which Caleb lost because he was no match for Panther. But, before they were about to leave in victory, Caleb lost it and let the darkness and hatred he had in his heart out along with the fact he was violent ill and he also claimed the life of another of Drake's thugs, and some of the former detectives from the NYPD also saw that for themselves.

Cage Blunt and Travis Tackett looked at each other, and they remembered that incident too well.

Roxy Drake put the tape in, and it played on the big screen showing New York at night on the night of October 29th 1985, two days before The Hallowshade Bloodbath and Caleb's death, and Caleb Maxwell was running yet again from Drake Maxwell and his thugs and he ducked into a nearby alley.

Past Caleb Maxwell: Damn that Drake! He's got some nerve going after me again! I don't know how much longer I can take this, but if I die, Mom and Allie are also next! Damn it.

Caleb Maxwell ran out of the nearby alley he was hiding in, and tried to find out where to go from there as he kept running.

?: And where are you off to in a hurry?

Suddenly, Caleb stopped in his tracks and saw two figures come out: they were Carla Claw and Sally Gamble of The Big Claw Gang, but in street clothes.

Past Caleb Maxwell: Oh great...! As if things couldn't get any worse...!

Suddenly, he felt two hands on his shoulders.

?: I'm afraid they just did.

Then, Caleb turned his head and saw Panther in street clothes right behind him and he freaked!

Past Caleb Maxwell: Look, I've got no time for your games right now, I've got to get back home before that piece of dogshit shows up!

Past Panther: (Smirks Arrogantly) Oh, I'm afraid that's not how it goes with us.

Past Carla Claw: He's right. (Smirks) Besides, we know you're the guy responsible for killing Mark Williams.

Caleb's blood ran cold.

Past Caleb Maxwell: How the Hell did you know about that?!

Past Sally Gamble: (British Accent) Afraid nothing gets by us, dear. Nor the fact that you've also been tailed by two handsome men who've always attacked you.

Past Caleb Maxwell: (Thinking) Shit, they also know of my run-ins with Cage and Travis! But, I've also taken to heart they don't know they're vampires. (Out Loud) So, what's it to you nosy cats? What I do is none of your business!

WE GASPED!

Nico: Uh oh, getting smart with them, that always ends badly!

Cage Blunt: It does, and here's what happened next.

Past Carla Claw: Uh oh, he's gotten smart with us. (Smirks) Panther, why don't you show him what happens when he gets smart with us.

Past Panther: (Smirks) With pleasure.

Past Caleb Maxwell: Damn it...!

Then, Panther socked Caleb right in the stomach, and now, he was starting to get pissed as his claws grew longer, and his crimson red eyes grew more dangerous by the second.

Past Caleb Maxwell: You three must have a death wish to do that to me!

Caleb went right at Panther full of anger and rage, and it was a nasty fist fight, but Panther was more skilled than Caleb, and Caleb slashed at his chest with his claws, leaving three claw marks on his shirt.

Past Caleb Maxwell: Hah! How do you like that?!

Past Carla Claw: Cheap shot. Oh, by the way, your brother's here.

Caleb turned and saw Drake Maxwell here along with his asshole men along with the cops who arrived.

Past Caleb Maxwell: You really are a damn idiot coming after me, Drake, especially with the cops on your ass!

Past Drake Maxwell: This time, there's no mercy! TREVOR! KILL HIM!

A big musclebound white-furred cat with black hair and black tail came out: from the looks of it, he was Drake's bodyguard, Trevor Williams, a big brute and enforcer of The Syndicate and brother of Mark Williams. He came charging at Caleb, but he dodged and slashed at his back with his claws. They both were fighting like animals and drawing blood, and it was getting ugly.

Nico: Damn, this is getting ugly!

Me: Especially with drawing blood!

Suddenly, Trevor grabbed Caleb's arm and was about to break it only for Caleb to kick him hard in the crotch, and he covered his pain-filled crotch, and Drake Maxwell was pissed off as he tried to stab Caleb Maxwell in the right shoulder with a knife only for Caleb to kick him hard in the stomach and stabbed him in the stomach with Drake's own knife.

Past Caleb Maxwell: That's for all the fucked-up assaults you did to me, Drake! Just be glad I didn't aim for your black heart!

Past Drake Maxwell: (GROWLS) TREVOR! WHAT ARE YOU WAITING FOR?! KILL HIM!

Trevor Williams charged at Caleb Maxwell.

Past Trevor Williams: DIE, ASSHOLE!

Caleb Maxwell wound his fist back and...!

POW! SQUELCH!

Caleb Maxwell threw a hard punch right that went through to the brute's chest, and then, he pulled his hand out with Trevor's heart removed as well as Trevor's dead body fell to the ground.

Caleb Maxwell panted heavily and he looked at Drake Maxwell and the surviving gang members who sneered and growled angrily at him as he also stood ready to attack, but then, they ran away like the cowards that they are leaving Caleb standing.

Past Carla Claw: Damn, he wasted another of Drake's thugs. Brutal. Let's get out of here.

They were about to leave, but Caleb spotted them trying to leave.

Past Caleb Maxwell: Hey, you three aren't leaving, we're not done yet!

Suddenly, Caleb felt a tightening in his chest, and he began coughing violently and he spat out some blood as it fell into the pavement.

Past Caleb Maxwell: No..., not now...! Not now...! I've lost control over the situations that I find myself in, and now, I've lost control over my own body.

Past Sally Gamble: (British Accent) Looks like the kid's unwell.

Past Carla Claw: He's coughing up blood, that's never a good sign.

Cop: Hey, are you okay?!

Past Caleb Maxwell: No..., no..., please...just, leave me...!

Caleb Maxwell began walking away, but it was too late: he'd claimed another of Drake's bodyguards, and one day soon, Drake Maxwell would take revenge on him, he would forever be haunted by the shadows of death as he headed back to the apartment, and he saw his reflection in the mirror.

Past Caleb Maxwell: I guess my future is shot even more, now that the cops saw what I did to Drake's next bodyguard, this now means I now stand eternally damned by even The NYPD for what I did. The police are there to protect and serve, but me, what I did..., this means I'm going to wind up in Hell for what I did.

Caleb was left with that haunting thought as the video ends.

Nico: Oh boy, that was really dark. So, what happened the next day?

Jack Howard: The detectives reported this to the Captain, and when they showed him the video of the fight on their body cameras, even he was stunned. When the video of him killing Trevor and Mark in the past hit, Caleb's nightmares were just beginning, two of the detectives despite knowing of Caleb's determination plotted to have him tossed out, and they swore if they saw him again, they would kill him.

Roxy Drake: But, their threat and their plot came crashing down when the others found out about their dealings with Drake, and in the end, they lost their badges and got sent to prison, and in 1996, when Caleb returned, he also got back at them and killed them.

Eli: Figures. Just how many people loved to piss off your brother, Allie?

Allie Maxwell: You do not want to know, Eli. Caleb's been pissed off by them more than once, and if Mr. Blunt hadn't gotten Caleb to open his heart once again, Caleb would've done something that'd leave a trail of blood in his wake: innocent and guilty.

Cage Blunt: In other words, Dad saved Caleb from falling even further into darkness.

Lincoln: And he held onto a sliver of humanity only killing those who don't deserve to live, that was the only thing that kept him from going down the path into darkness.

We got a shower, and then, Lincoln, Skurva and Zarmax are heading to Sirena Beach.

Lincoln snapped his fingers, and the 12'6", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Skurva and Zarmax were dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Skurva and Zarmax had feelings for Lincoln, and he also had feelings for them, and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Skurva: Wow, we're here in Sirena Beach, it sure is beautiful.

Lincoln: It sure is, Skurva, and it's perfect for our first date, shall we?

Lincoln, Skurva and Zarmax dived into the waters and as they started swimming, they saw the marine life that live in the sea. Then, they returned to the beach, and the girls gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving the girls a deep tissue massage, and when he was done, the girls were literally relaxed. Then, they had a game of volleyball, and they went to a workout area Lincoln created, and Skurva and Zarmax got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift one-hundred and two massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and one-hundred massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Zarmax: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made a clone of himself and they went up to Skurva and Zarmax and hugged them in their abnormally massive and powerful muscular arms, and Skurva and Zarmax placed their hands on the massive hairy pecs of Lincoln and his clone.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right trapezius of Skurva and Zarmax and fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as it healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Skurva and Zarmax of the Inferno with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with seven white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, Skurva and Zarmax are now in your harem, Linky.

Skurva and Zarmax showed the marks Lincoln made on the right sides of her neck.

Jenna: You had no trouble at all.

Skurva: Not at all, and I not only gave Lincoln a deep tissue massage, but he also gave me the same deep tissue massage, and he certainly had me swooning when he lifted one-hundred and two massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and one-hundred massive and long wolf brown tails, and I was really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck,

and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Lori, Jessie and Joan's 2nd mission.

Nico: Anyone else want to go with Joan, Lori, and Jessie? Besides Ebon, Cheese, Poromon, 2003 Leo, Aurico, and Rainbow Dash?

Jessica Shannon: I'll go.

Zexion: So will I

Lincoln: Yeah me and the rest of the family will go too.

Me: Okay then. Anyone else?

No one raised their hands.

Me: Okay then.

Nico: Lets go.

We were off!

We arrived.

Guren: Hey guys!

Lori: Guys, meet Ebon, Cheese, Poromon, 2003 Leo, Aurico, and Rainbow Dash

Ebon: Yo the name is Ivan Evans but everyone calls me Ebon.

Poromon: My name is Poromon and I'm one of the Team Loud Phoenix Storm Mascots!

Beni: Aw he is so cute!

Nico: You should see all the mascots.

2003 Leo: Name is Leo and I'm one of the Turtle Brothers.

Aurico: I'm Aurico, the red ranger of the Aquitar Rangers.

Rainbow Dash: And my name is Rainbow Dash, Princess of Loyalty and the Air Skylanders and General of the Wonderbolts.

Guren: Wow! Pleasure!

Beni: Same here.

Lori: And these are my siblings.

Nebula Lanaia: Pleasure to meet you. I'm the Eldest, Nebula Lanaia. Lori is the Second born.

Leni: I'm Leni Loud.

Luna: Sup dudes! I'm Luna.

Luan: I'm Luan.

Lynn: What up? I'm Lynn Jr.

Lincoln: I'm Lincoln.

Linka: I'm Linka.

Lisa: Greetings, I'm Lisa.

Lily: And I'm Lily, Ebon is my archenemy.

Eli: And this little guy in my arms here is Leo, he's the youngest.

Ceylan: Wow! That's a lot of kids!

Gen: But it's an honor to meet the famous Loud Siblings.

Beni: Including you Lincoln.

Lincoln: Same here.

Me: And their mom and dad thought it would be cute if their mom and dad started their names with the letter L.

Ceylan: Wow! That is awesome!

Poromon: (Whispers to Guren) Their mom and dad never have been ones that believed in condoms too.

He snickered.

Jessica Shannon: My name is Jessica Shannon. It's a pleasure.

Disk Wars Wasp: And my name is Janet Van Dyne but everyone calls me Wasp.

Zexion: And a pleasure. My name is Zexion.

Guren: WHOA! It's truly an hono!

Luna: And Beni I just noticed something dude. Our voices sound very much the same.

Beni: They sure do!

Jamesdean5842: Well that's because Nika Futterman voiced Beni too like she voiced you Luna.

Luna: Rock on dude!

Me: Yep.

Cheese: I like chocolate milk.

Me: And this little guy here is Cheese.

Ceylon: The funny Imaginary Friend!

Me: Yep.

Cheese: I like chocolate milk.

Guren: Here's some chocolate milk.

Cheese drank the milk and immediate spat it out at Guren.

Cheese: No! Chocolate milk!

Guren: That's what I gave you.

Me: Guren he's lactose intolerant. He drinks this.

I pulled out a juice box and gave it to him.

Cheese: I like chocolate milk!

He drank it.

Me: Cheese has a brain the size of an amoeba but he really drives our enemies all bonkers.

Eli: Yeah it's funny!

Lola: It sure is.

Beni: Lanaia how come you are called Nebula?

Nebula Lanaia: Well it's because of my quirk. Like J.D. here I am a master of the Nebula Lightning Quirk. It's how I got the nickname Nebula.

Beni: That is cool!

Nebula Lanaia: It sure is.

Guren: Lori, what can you tell us about yourself?

Lori: Well I was literally the eldest of the Loud's before. And I was the glue that holds the family together.

Me: When I first moved to Michigan and met the Loud's, Lori was the eldest.

Lori: Yeah I was literally also the bossy one.

Lily: Yeah and before Leo I was the youngest. I was only 15 months when I met J.D.

Me: It's true.

Guren: Wow!

Lori: It was literally all about me and my boyfriend Bobby. He is my life.

Nico: It's true.

Poromon: Yeah it's true.

Lori: I was doing everything I can to make sure my family doesn't fall apart. But because of certain things I literally wanted to kill Lincoln.

Ceylon: What!? Why?

Rice: It's part of a prophecy that involves their brother Lincoln.

Me: He is the reincarnation of Amaterasu, the Goddess of the Sun and he is also the chosen one that will bring down Dark Chase Young

Gen: Oh man! I've heard about everything he did. Rice filled us in on that and that is horrible he did all that to you.

Laney: Yeah it was crazy!

Lisa Loud: Indeed it

Beni: WOW! I had no idea that Lincoln had so much importance to the world and you guys.

Me: We were shocked ourselves.

Eli: It's true.

Guren: I can see that.

Nico: Any enemies of yours active?

Gen: Actually yes. Granox is active.

Me: What can you tell us about him?

They went over his history.

Granox (ブライノックス, Burainokkusu, Brinox) is a powerful henchman who works under Vilius. His armor seems based on a Rhinoceros' armor, and he is armed with a halberd or axe on a pole with a shield. Granox is usually a coward avoiding danger, and seeks to use his opponents' weaknesses. During battles, the Tenkai Knights called him by many offensive names, the most appearing is "Bucket Head." Granox was also the second robot to be sent to Earth from Quarton, using the newly pilfered teleporter.

When it was done everyone was shocked!

Me: WHOA! So he is a strong one.

Lana: Boy he is gonna be tough!

Lynn: Lets see how tough he is for us!

Me: Yeah!

Beni: By the way J.D. I've been meaning to ask.

Me: What is it?

Beni: Is it really true that Kang the Conqueror made you who you are?

Me: Every single word of it. It was part of a massive plan to get the Avengers to retire so that I can take their place.

Disk Wars Wasp: But his plan backfired big time when J.D. had the Avengers all join Team Loud Phoenix Storm.

Me: Yep.

Eli: But for now lets go after Granox.

Nico: Where is he?

Eli: (Concentrates) He's on Quarton by the Tenkai Castle.

Me: He must be going after the Tenkai Dragon.

Guren: Just what I was thinking. We better get over there!

Joan: Let me put on my jumpsuit

She snapped her fingers and she was in a dark blue suit.

Beni: What's that for?

Me: You'll see soon.

We were off.

Guren: TENKAI KNIGHTS CORE UP!

They transformed and we were off to Quarton.

We arrived and saw Granox!

Me: Target sighted!

Nico: There he is!

Me: Lets go!

We went at him!

Granox: At last! The Tenkai Dragon will be ours1

But then a massive energy blast went at him and he dodged it and it hit the cliff and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

Granox: What was that!?

We landed in front of him!

Granox: The Famous Team Loud Phoenix Storm!?

Me: That's right! If you want to get to the Tenkai Castle you got to go through us!

Nico: And I can assure you that is not going to be easy!

Rice: Long time no see hornbreath!

Granox: Rice!? Oh no!

Rice: That's right!

Granox: Why couldn't you have stayed on ice when the High Mage captured you?!

Rice: And let him use us to destroy the world!? I don't think so!

Venetta: What does that mean?

Me: There was a rare planetary alignment that happens once ever 10,000 to 1,000,000 years and it was going to replenish the underground city they were at and they were going to destroy the world by reshaping it in their image. We couldn't let that happen.

Rice: That's right! So we destroyed the entire underground city.

2003 Leo: I remember that! That was intense!

Venetta: That is amazing!

Dromus: No kidding!

Granox: You'll wish you lost yourself to your monster mind when I'm done with you!

Rice: How about I smash your face in like old times!?

Rice fired an energy blast and blasted him and sent him crashing into a rock!

Lori: This is literally going to be fun!

Me: Loud Family lets SHOW SOME LOUD POWER!

All of us: YEAH!

Nebula Lanaia held out her hand and formed a ball of energy and an image of the Flying Dragon Nebula formed and then...

NUMEROUS THUNDERCLAPS AND LIGHTNING STRIKES!

Lightning strike him all over the place with intense force!

Lori fired massive waves of wind and blew him around in a powerful tornado!

Leni fired waves of gravity blasts and gravity beams and blasted him all over!

Luna fired blasts of water and drenched him.

Luan fired waves of light.

Lynn fired lava blasts.

Lincoln and Linka fired waves of lightning.

Lee, Lyra and Liberty fired magic blasts.

Lucy and Lucille fired darkness blasts.

Laney fired leaves and flowers,

Lana fired ice blasts.

Lola fired fire blasts.

Lisa fired Gears

Lily fired glowing waters and the blasts all hit Granox and exploded all over the place!

Joan concentrated as her teeth sank into her gums

And replaced with shark teeth and she turned into her Great White Shark Gene-slammer Form! RIPSTER!

Joan: JAWSOME!

She chomped on Granox and bit him on his butt!

Rainbow Dash got out her Ridebook and read a verse and fired numerous blasts of lightning and electrocuted him.

Poromon: Take this! (Echoing) LIGHTNING JAVELIN!

He fired a massive blast of lightning and electrocuted him.

Aurico: It's Morphin time!

He transformed.

Aurico: RED AQUITAR RANGER POWER!

He was ready!

Me: YEAH!

Aurico got out his Ridebook and read a verse and fired numerous lasers and missiles and blasted him

Aurico: Take that!

Venetta: I'm confused. You guys are the Alien rangers and in Japan we call them the Kakurangers. What is different?

Aurico: Well we are from America and are the Aquitar Rangers.

Me: The Kakurangers are from Japan and are human.

Venetta: I think I get it.

2003 Leo got out his Ridebook and read a verse and he slashed and cut him all over with his Katanas!

Eli fired waves of Force Lightning and electrocuted Granox!

Nico fired waves of energy balls and blasted him all over!

Ebon blasted him with darkness blasts.

Poromon blasted him with energy.

POW!

Nico punched him!

Granox: OW! That hurt! What are you!?

Nico: I am a Saiyan!

Granox: What the hell is a Saiyan!?

Nico: Brace yourself motherfucker!

Nico grabbed him and slammed and smashed him into the ground and threw him and kicked him and spun and punched and spun and kicked and punched him mercilessly! Nico really made him a total and absolute fool and smashed him into a bunch of rock cliffs and smashed him all over!

Venetta: WHOA! Nico is powerful!

Me: He sure is! He's a Saiyan! Born on the planet Vegeta with an immensely powerful power level but raised on Earth!

Nico: And don't you forget it!

Granox got up!

Granox: THIS IS NOT HAPPENING! VILIUS WILL RULE!

Me: In your fucking dreams!

Eli: YEAH!

Then a Shadow Ball flew in and bashed him in his face and knocked him down in a powerful explosion!

Me: WHOA! What the!?

Ebon: That wasn't from me!

We saw a Murkrow.

Me: WHOA! A Murkrow!

Nico: How did that get there?

Poromon: WHY THAT LITTLE! (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and blasted it!

Poromon: I HATE MURKROWS! I HATE THEM BECAUSE OF WHAT THEY DID TO ME!

The Murkrow got up and glared at Poromon. Poromon did the same

They growled ferociously like growling wolves!

Venetta: Does Poromon have a nasty history with Murkrow?

Me: You could say that.

Nico: Poromon and a Murkrow got into a terrible fight and it was intense!

The Murkrow tackled Poromon

POW BIFF WHOMP SMASH WHAM!

They bashed and pulverized each other in a ferocious fight cloud!

Venetta: BOY THAT IS BRUTAL!

Lydendor: I can't believe that Poromon and Murkrow hate each other!

Me: No kidding!

Eli: I sense that this Murkrow is part of Dark Gale!

Ebon: Lets see.

Ebon used telepathy and gasped!

Ebon: I can't believe it! It's my sister Irena!

Lily: WHOA! I thought it was just you and Adam!

Ebon: Yeah Irena is my twin sister too.

Nico: WHOA!

The Murkrow grabbed Poromon and used him to bash Granox on the head

BLANG BLANG BLANG BLANG BLANG BLANG!

He had NASTY LUMPS ON HIS HEAD AND HAD ALL HIS TEETH KNOCKED OUT!

OUCH! AND I THOUGHT COURAGE HAD IT ROUGH!

Eli: Geez!

Granox laughed like Courage did and his eyeballs and nose fell off!

Lynn: Yay, violence!

Eli: Okay I've seen enough!

BONK BIFF WHAP BIFF SMASH!

Eli grabbed them.

Eli: Pardon me you two but I must discipline the nannygoats!

KRABLAM!

HE BASHED BOTH THEIR HEADS TOGETHER!

Poromon: OW!

I snapped my fingers and Irena reverted back and was a girl with black hair and purple eyes and had black angel wings and Murkrow on her forehead and had a Solar Eclipse with a black flame on it on her arm as a cutie mark.

I wrapped her in a blanket and brought her over.

Me: GEEZ!

Nico picked up Poromon.

She woke up.

Irena Evans: (Groans) Oh man. OW! I feel like I got hit by a cinderblock.

Ebon: Well it's a crazy story.

Irena Evans: (GASP) Ebon!?

Ebon: Whoa whoa whoa. Easy Irena. It's me.

He reverted back to what he was before.

Irena Evans: (GASP) It can't be! Ivan!?

Ebon: Yes it's me Irena.

She hugged him.

Ebon: I've missed you sis.

Irena Evans: Me too Ivan. I looked all over for you! I thought you were dead!

Ebon: I wasn't dead Irena. I was turned into Ebon by the Quantum Vapor. It made me like this.

Irena Evans: Is that what that weird purple cloud was?

Me: Yep. It's an experimental biohazardous mutagenic gas. It mutated you and gave you powers.

Irena Evans: That explains how I got darkness powers. I became Lady Shadowstar as a result.

Me: Wow! Also your brother Adam became Rubberband Man. He got super elasticity from it. Also you were turned into a Murkrow by Dark Gale.

Irena Evans: (GASP) I remember!

She was in a black suit and injected and turned into Murkrow! She flew out!

FLASHBACK ENDS

Irena Evans: It was awful.

Me: I know. But we destroyed Dark Gale.

Irena Evans: Good.

She saw Poromon mangled up.

Irena Evans: Oh man! Nico what happened to your Poromon?

Nico:…he fell down some stairs

Irena Evans: Nico I can tell he got into a fight.

Nico: Okay it was with you actually. Long story.

Irena Evans: Oh man. Let me guess, bad history with a Murkrow he got into a fight with?

Me: Well... Yeah!

Poromon: I'm calm now.

Irena Evans: Good. Wait where are Carol and Maria?

Me: Back at the Estate. You're here on the cube shaped planet of Quarton. And as you can see we're in the middle of a battle.

Irena Evans: I can see that. Oh man. Oh I'm the Shadowmancer of the team for Sonya and outside the team

I use my powers to fight bad guys.

Me: Wow!

Leni: Lets get you some new clothes.

Leni and Jessica used their powers and gave her black clothes and they had a solar eclipse belt and necklace and she had a darkness sword.

Irena Evans: I look amazing!

Leni: You sure totes do!

Jessica Shannon: I'll say!

Irena Evans: I agree!

Nico: Poromon, do you still feel like getting in a fight with her?

Poromon: No not anymore. Also this little pipsqueak needs to take a nap when we get home.

Me: That we can do. Lets just finish this guy off!

Irena Evans: AZARATH METRION ZINTHOS!

She fired a massive blast of darkness and it hit Granox and smashed him down!

Me: WHOA!

Irena Evans: I learned all about how to use Raven's powers from watching you guys.

Me: That is cool!

Ebon: Nice one! Like old times?

Irena Evans: Lets do it!

Ebon and Irena Evans: DARKNESS BEAM BLAST!

They fired a blast of darkness and smashed him all over.

Me: YEAH!

But then a beam of energy blasted Granox and knocked him down and we saw a girl with dark blue hair and red eyes and had black clothes and wings and a Tiara with Eatle on it!

Me: (GASP) Eileen Eatle!

Eileen Eatle: (Grunts) Good to see you J.D.

Nico: Eatle's embodiment! Wow!

Me: Yep.

She ate some rocks and fired waves of energy and blasted him and knocked him out!

Me: Take that!

Eileen lost control, ate some rocks, and fired waves of energy at Zexion

He formed an illusion and it formed a portal and the portal appeared behind her and blasted her in the back!

Me: Nice try!

I fired the cure beam and injected her.

Me: Yeah!

Jessica Shannon: WASP! D-SMASH!

She summoned Wasp!

Disk Wars Wasp: Time to feel the sting!

Jessica and Wasp fired waves of energy and blasted her.

Jessica got out her Ride Book and read a verse and blasted her all over!

Zexion charged at her and blasted her all over.

Irena fired waves of darkness and blasted her down. The antidote took effect and she was back to normal. Her eyes back to their blue color.

Eileen Eatle: (Groans) Man what hit me?

Me: Ugly story there.

Joan reverted back to human And snapped her fingers and she was in her normal clothes again.

Joan Bolton: Cool!

Eli: Awesome!

We later returned home.

Carol: Irena!

Maria: Irena!

They hugged her.

Irena Evans: Hey guys!

May: Whoa man! What happened to Poromon!?

Me: Don't fucking ask.

Manaphy hugged him.

We told everything that happened.

May: WHOA! That is awesome!

Me: Yep.

Nico: Next time, Musa, Ish, Otto Rocket, Leonard, X Squad Broly, and Sonimax should come

Me: Good idea!

Qin: Yeah!

Camie: Cool!

Later we were at the Gotham Royal York Convention Center and we had everything ready.

Yost Spidey: This is how we're making the cake?

Mary Knudson: It's a huge contest for making the biggest ever S'mores pizza and the biggest S'mores cake.

Nico: (DROOLS) Oh boy!

Qin: My favorite!

Nico: Yeah!

Mary Knudson: Lets get to work guys!

Hay Lin: You got it!

We got to work!

French Narrator: (French Accent) 3 Hours Later

We finished and we made a huge 100 foot tall 520 foot wide 10,000 pound S'mores Cake and a 700 foot wide 15,000 pound s'mores pizza!

Hay Lin: Look at what we made!

Me: NO KIDDING!

Eli: Oh wow!

Later it was time for the announcement of the winner!

Announcer: And the winner is TEAM LOUD PHOENIX STORM!

WE CHEERED!

Qin: YEAH!

Me: Awesome!

The prize was $700,000,000,000,000,000,000,000,000,000,000,000 and a massive lifetime supply of marshmalows!

Raj: (India Accent) (Dreamily) Marshmallows!

A massive dumptruck dumped massive bags full of marshmallows!

Blitzwing: Look at all that!

Raj: It's a dream come true!

Me: And here's the best part! Eating!

We got to eating our creations!

Me: (Eating cake and pizza) MMM! Delicious!

Raj: (Eating marshmallows and cake) So yummy!

Sky Lynx: Let me have some!

Nico: There's enough for everyone.

We had a lot of fun and cake and more and it was good.

We had a great time.

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our next mission starts,so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase

Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Blackfire: Those marshmallows were good!

LOUD BELCHES!

Irena Evans: I missed those. Oh excuse me.

Raj: Yes they always will be good.

Camie: They sure will.

Ymir: Always fun and cool.

Lola: Yeah.

Poromon ate some marshmallows

Poromon: Ahh. So delicious! Just what I needed.

I popped open a beer for him.

Poromon: Ooh! Thanks!

He drank it.

Poromon: Ahh! (BARNEY GUMBLE BELCH)

Manaphy ate some marshmallows

Manaphy: Yummy!

Raj: So good isn't it?

Qin: It sure is.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was Yost Green Goblin, he's back from the dead, and he's not alone, he has Yost Chameleon, Noir Goblin, Auntie Roon, Samhain, and Ginis with him. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was Yost Green Goblin, he's back from the dead, and he's not alone, he has Yost Chameleon, Noir Goblin, Auntie Roon, Samhain, and Ginis with him.

EVERYONE GASPED!

May: I don't believe him! Now, he's gone too far!

Me: And I knew Noir Goblin would return, now we can finish him off forever!

Nico: Along with Ginis and Auntie Roon!

Lincoln: Which means, we'll be sending Yost Green Goblin, Yost Chameleon, and Samhain to prison, and this also means Yost Goblin doesn't have The Vengeful Six at his side.

Nico: After what that filthy animal, Dark Lynn, did shooting Yost Peter's Aunt May, and what Prince Olympias, did as well two years ago, that's one memory I hope never to see again. Alright, team, let's get ready to head to New York.

Lincoln: Yost Goblin, you're heading to prison for good, same with Yost Chameleon and Samhain, but as for you, Ginis, and Auntie Roon, Noir Goblin, you three are heading for The Black Abyss.

The previous group came.

Toiletnator: Can me, Brain Freezer, Diabolico, Chalmers, Man Boy, Zexion, Riddler, Ghost, Pete and LaGrange Go with you guys?

Nico: Yes you all can come with.

Chalmers: Congratulations on winning that contest.

Me: That was a tasty one.

Qin: It sure was.

Lola: Yeah!

Crash Man: Nico, which Gene slammer do you think you'll meet next?

Nico: Number 76: Harmonizer Gradielle and Number 75: Bamboozling Gossip Shadow.

Me: WHOA! I bet Number 75 has a REALLY BIG Mouth!

Nico: Yeah!

Qin: Geez!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's

Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figures were in the vision: it was Lisa Cadieux and the Evil Cadieux relatives. They're free and are heading for us to get revenge. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: You got to be kidding me! That was...!

Lincoln: Lisa Cadieux and the Evil Cadieux relatives.

Kelsey Ace: Emily already took care of Evil Carol, now it's my turn to help deal with Avalon's evil relatives and her sister.

Avalon Cadieux: We already had them disowned long ago, they're dead to me anyways, so it's best that we get rid of them forever.

Lincoln: Right, Avalon.

Nico: I think it's time someone knocked Lisa and her other evil relatives off their high horses forever and send them all to The Black Abyss. Alright, team, let's go, the time to destroy Yost Green Goblin, Yost Chameleon, Noir Goblin, Auntie Roon, Samhain, and Ginis has come!

Lincoln: Time to send him, Yost Chameleon, and Samhain to prison for good, and we'll also send Noir Goblin, Auntie Roon, and Ginis straight to The Black Abyss forever, and once we get done with them, you and the rest of your evil relatives are finished, Lisa Cadieux.

Kelsey Ace: You've done some really messed up things to your sister for the last time, Lisa Cadieux, it's time you and your other evil relatives paid the price for your cruelty.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to New York to send Yost Green Goblin, Yost Chameleon, and Samhain to prison for good and send Noir Goblin, Auntie Roon, and Ginis straight to The Black Abyss forever, and once we get done with him, Kelsey Ace A.K.A. Glitter Sunny and Lincoln are going to destroy Lisa Cadieux and the Evil Cadieux relatives and send them to The Black Abyss where that cruel heartless bitch and her other monstrous relatives belong.

We were off to New York City

We arrived.

Me: New York City and we were just here earlier this morning.

Lola: We sure were.

Diabolico: We should call Vulture.

Me: Good idea.

We did so.

Vulture came.

Vulture: I'm here guys.

Me: Awesome.

Spiderman: Good ol New York

Notacon: You said it.

Me: Yep.

Qin: And we're going after 6 big villains here.

Xenia: No kidding.

Noir Spiderman: One of them is from my world.

Juniper Lee: And one of them is one of my enemies..

Me: One of the Opaline 24.

Qin: Yeah.

Zexion: I did a pretty good job earlier.

Me: You sure did.

Nico: And we battled Ginis before too.

Yamato: As a memory of Bangray. But not the real thing.

Me: Now we have a chance to rid the universe of him forever.

Burst Man: Actually, we did fight him when we had Cornelia's big mission.

Nico: Right! I remember.

Cornelia: I remember now.

Zayto: Wow that is cool!

Me: Yep.

Lola: Yeah that was fun.

Yost Spiderman: I can never forgive Norman for everything he did to me.

Me: I feel the same way Peter. I just wish we could kill him.

Ghost: Killing the Noir version is the next best thing. Plus, on Prime Spiderman's day, we're killing the Goblin on our world.

Spiderman: Yeah I hated that monster.

Me: I agree. Also this time the Noir version doesn't have the fragment of the tablet with him to make himself invulnerable.

Dominique: But he might still end up as that muscular goblin thing

Me: If he does we'll be ready.

Qin: Yeah.

Laney: That was scary seeing that.

Noir Spiderman: Yeah no kidding.

Me: But all of it was worth a challenge.

Yost Spiderman: And I haven't fought my Chameleon in forever.

LaGrange: We know that.

Me: That one doesn't have a shapeshifting belt.

Qin: Yeah. He uses masks.

Lola: Yep.

Nico: Unless he got a belt by now.

Me: We'll find out.

Qin: Yeah.

Ymir: I can use my powers to flush him out.

Me: Good idea.

Ymir: I can smell if it's him by his blood.

Me: Nice.

Venkman: We can use a Ghost Trap on Samhain

Me: Good idea.

Qin: Yeah!

Danny Phantom: I have the Fenton Thermos ready too.

Poromon: Me and the mascots will help with that too.

Yamato: Leave Ginis to me and my team

Nico: We plan to.

Qin: Yep.

Hay Lin: I'll face Yost Green Goblin. I'm sure he has a score to settle with me.

Yost Spiderman: Not without me, you won't.

Hay Lin: I know.

Me: And I know the perfect warning shot too. We'll blow up the Oscorp building.

Nico: After we make sure no one's in there.

Me: Right.

Eli: I'll do that.

Eli used the force and scanned the building and there was no one in it.

Eli: It's totally empty and there is no one in there.

Nico: That's good.

Me: Good.

Nico: Proceed.

I fired an energy blast and it hit the building and then...

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION OF INTENSE POWER!

The entire building exploded into a massive pile of flaming rubble and was completely destroyed!

Qin: YEAH!

Then we heard ENRAGED SCREAMING COMING FROM YOST GREEN GOBLIN AND NOIR GOBLIN!

Nico: Wait. We only heard both Goblins. Where are the other 4?

Me: Uh Nico, Oscorp is Norman's company and the others do not have any ties to it.

Nico: Oh good point.

Lincoln: (GASP) WHOA! I just had a premonition on who we're going to face for the Akuma! It's Hay Lin's Akuma, AeroHayLin! The Hypothetical Akuma of Hay Lin and she is based on Hay Lin's Air Elemental Form. She is made of Pure Wind and is a powerful master of wind. She was made when Nerissa brainwashed Cassidy, Halinor, Kadma and her Grandmother Yan Lin and vowed to kill Nerissa.

WE GASPED!

He showed a sketch of her and it was Hay Lin made of pure wind!

Me: WHOA!

Xenia: She looks scary made of pure wind!

Paragus: She's very windy!

Aang: She would be perfect for the being one of the spirits of the Air Nomads

Me: That would be interesting.

Xenia: Yeah.

Jinora: That would be cool.

Then we felt a gust and saw a figure come and it was AEROHAYLIN!

Me: WHOA!

AeroHayLin: Well hey there guys.

Me: Wow! Hay Lin?

AeroHayLin: It's still me though.

Me: You look amazing made of pure wind!

Vulture: You sure do. Thank goodness it's still you.

She saw Nerissa.

AeroHayLin: YOU!

She fired a tornado.

I formed a force field around her.

Me: Hay Lin listen! Nerissa is not that person anymore!

Pete: Hay Lin? Is that you?

Me: I already asked if it was her.

Pete: Oh sorry.

AeroHayLin: Why do you defend her!?

Me: Because she redeemed herself. Even though it was an epic battle. Also We found out that it was Dark Chase Young that was responsible for making her a powerhungry monster that did all that decades ago.

Cassidy: It's true Hay Lin!

Yan Lin: It sure is. And my dear granddaughter it's gonna be okay.

Vulture: So you need to calm down.

Me: Besides we already destroyed Nerissa's darkness and also we destroyed Phobos.

AeroHayLin: I'm glad you did. But come at me!

Me: Gladly!

I fired waves of fire and blasted her all over.

Vulture fired waves of energy and blasted her.

AeroHayLin: My turn!

She fired a powerful Tornado!

Me: WHIRLWIND SPIN!

I formed a sign and used Oceanus Shenron's powers and blasted the tornado and blew her around and made her really dizzy and knocked her down! She was knocked out!

Me: YEAH!

Nico: Nice one!

Frightwig: Now to find Yost Goblin and his friends.

Danny: If I can use my Ghost Sense to find Samhain, we'll be on the right track

He gasped and his breath was blue! We saw SAMHAIN in the distance.

Me: There!

Danny Phantom: There he is! Going ghost!

He turned into Danny Phantom!

We heard the malevolent laughter of Yost Green Goblin, Yost Chameleon, Samhain, Noir Goblin, Auntie Roon, and Ginis as they're causing havoc in New York.

Nico: Time to put a dampener on their mood.

Lincoln: Let's do this. (Sensed Lisa Cadieux and the Evil Cadieux relatives) Nice try, Lisa.

Lincoln fired gold spider silk and tied up Lisa Cadieux and the Evil Cadieux relatives who were trying to attack us.

Lori: I made a mistake siding with a bitch like you years ago, Lisa. We'll deal with you later after we take care of our big problem.

We took off into the air to attack Yost Green Goblin, Yost Chameleon, Samhain, Noir Goblin, Auntie Roon, and Ginis.

Yost Green Goblin: (LAUGHING MALEVOLENTLY) GO AHEAD AND RUN, FOOLS! You can never hide from us!

BANG!

A gunshot rang out and scraped Yost Green Goblin in the face drawing blood.

Suddenly, the spirits of Spider Man appeared and they attacked Yost Green Goblin, Yost Chameleon, Samhain, Noir Goblin, Auntie Roon, and Ginis and we also threw Lisa Cadieux and the Evil Cadieux relatives in as well and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and a massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Yost Green Goblin, Yost Chameleon, Samhain, Noir Goblin, Auntie Roon, and Ginis even more pissed off than ever.

Me: Figures you'd return, Yost Green Goblin, and I didn't expect you to bring Yost Chameleon, Samhain, Noir Goblin, Auntie Roon, and Ginis with you as well.

Nico: Too bad you no long have The Vengeful Six to save your ass. We're sending you, Chameleon, and Samhain to prison forever.

Me: Samhain to the Ghost Zone!

Lincoln: With good behavior, maybe we'll let you out. As for you, Auntie Roon, and Ginis, Noir Goblin, you've lived for too long, this is where we put you all down for good.

Ginis: You fools will all die!

Auntie Roon: Along with you, Te Xuan Ze!

Noir Goblin: Knudson, you have made a fool out of me for the last time!

Me: And I show no remorse for it!

Noir Goblin: Now, you will die!

POW!

I punched him and knocked him into a tree!

Nori Goblin was in extreme pain!

Me: You don't have the tablet to help you this time!

Riddler: Riddle me this: What's green, black, and blue? The answer: Your ass once we're done beating it!

Me: And it's going to hurt really bad! And Ginis I will never forget all the terrible things you did to so many people! But also I should thank you!

Ginis: For what?

Me: For sending Bangray to Earth. Vypra recruited him and he gave us back many of my friends and some of our teammates!

Ginis: Then they will die!

Me: No you will die!

I fired waves of energy and blasted him all over the place and really hurt him!

Yamato: Lets get him!

Zyuohgers: WILD INSTINCT AWAKEN!

AAAHHAAAHHAHAH WOOWOOWOWO!

They transformed!

Yamato: MONARCH OF THE OPEN SKIES! ZYUOH EAGLE!

Sela: MONARCH OF THE OPEN SEAS! ZYUOH SHARK!

Leo: MONARCH OF THE SAVANNA! ZYUOH LION!

Tusk: MONARCH OF THE DEEP FOREST! ZYUOH ELEPHANT!

Amu: MONARCH OF THE SNOW FIELDS! ZYUOH TIGER!

Misao: MONARCH OF THE WORLD! ZYUOH WORLD!

Bud: MONARCH OF THE BLUE SKIES! ZYUOH BIRD!

DOBUTSU SENTAI ZYUOHGERS!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

A massive fiery explosion blasted off behind them and they were ready for action!

Yamato: Don't underestimate this planet!

Me: Or you will not live long enough to regret it!

Xenia: YEAH!

Me: Also Ginis...

I fired many blasts and blasted him all over the place with intense ruthlessness! And then he was really mangled up!

Me: THAT WAS FOR MAKING MISAO DO ALL THOSE HORRIBLE THINGS UNDER YOUR CONTROL! I AM GOING MAKE SURE THE ZYUOHGERS KILL YOU AND LEAVE NO FUCKING TRACE OF YOU LEFT!

Yost Green Goblin (singing): Itsy bitsy spider went up the water spout. Down came the goblin to wash the spider out!

Tundra Man: Your singing sucks!

Me: Yeah we sing much better than you freak!

Hay Lin blasted him with wind!

Hay Lin: Remember me dirtbag!?

Yost Green Goblin: I remember you Hay Lin! You killed me!

Hay Lin: You brought all that on yourself!

Man Boy: Alright. Let's take out Auntie Roon first!

Juniper Lee: And you don't have Opaline to help you this time!

Me: You are long overdue with death!

Wood Man: Have some of this!

He fired leaves and slashed Auntie Roon all over.

Juniper Lee kicked her in her face and I fired a massive blast of energy and destroyed her staff!

Auntie Roon: MY STAFF!

Qin: Get a hat!

Qin then turned her head into a huge Komodo Dragon Head and then...

CHOMP!

She bit her head off!

Auntie Roon disintegrated into dust!

Chalmers: One down, 5 to. go!

Ed smelled some butterered toast in the shadows and went over to eat it. Yost Chameleon saw his chance and used his new belt to turn into Ed. He then went over to me.

Yost Chameleon: (as Ed) Everything okay here?

Me: (Playing along) We're good. We're just going after Ginis now. That fucker will pay for using Misao like that.

Yost Chameleon: (as Ed) Whatever you say.

He followed me to where Ginis was battling the Zyuoghers. All while pulling out a dart gun.

I sensed it and fired an energy blast and neutralized the belt and he reverted back.

Me: Nice try Dimitri! Don't think I knew what you were trying to do! I am not that dumb! Ed on the other hand is dumber than a block of reinforced concrete and you played his appearance terribly!

I punched him and kicked him.

Yost Chameleon: Seriously? Can't just let a guy have his fun, can you? (falls unconscious)

Me: It was a nice try though. Also the Prime universe version of you had a Shapeshifting belt as well and he turned into Volpina to throw us off Lila. But I wasn't fooled.

Ed: Hey, guys! What's up?

Spark Man: I get it. Yost Chameleon must've put that buttered toast to lure you away while he turned into you.

Yost Spiderman: The guy's a terrible actor but he apparently makes good food.

Me: Welcome to my world. I'm a terrible actor myself. But I catch on to terrible acts very quickly.

Noir Goblin went to face me.

Me: So you are next.

He was knocked down.

Brain Freezer: Actually, JD, Ginis is next. I know you still want to make him suffer for everything he did. Including using Misao.

Me: Yes I do. You stay right there.

I went to face Ginis.

Me: Ginis it's time for you to pay for your crimes times Infinity!

Yamato: And this time, Void Queen isn't here to help you!

Ginis: I don't need her to destroy you all!

Me: You're going to wish you did!

I fired massive energy beams and blasted him all over the place!

Me: You make me fucking sick Ginis! You made Misao do all kinds of horrible things and because of you he was beating himself up worse than Nico during the 20 Days of Darkness! I can't tell you how many times he wanted to kill himself because of you!

Misao: YEAH!

Yost Green Goblin: Well, it's as the saying goes. If you want a job done...

Noir Goblin:...you can only trust yourself!

Me: That's not how it goes!

Bloom and Yost Invisible Woman charged at him. And blasted him with fire and energy.

Then I flew and then...

SHEEN!

I STABBED HIM ALL THE WAY THROUGH HIS BLACK HEART!

Me: Also your son has something to say to you!

Yost Harry went up to him!

Yost Harry: The only reason you're not dying here is because you DID give the others an opportunity to settle old scores.

Me: You don't remember that? You gave us the chance to settle old scores with some old enemies that FRAMED Lynn!

Stella and Otoya charged at him and blasted him all over!

Stella and Otoya: STELLAR SUN BURST!

They fired waves of energy and blasted him all over!

Me: Also your little assassination attempt on Spiderman's aunt failed! She survived!

Yost Green Goblin: WHAT!? NO!

Me: Yes!

Yost Green Goblin: No matter! Once everyone knows who Spiderman is they will kill him to get revenge!

Me: Dream on jerk! Everyone knows who he is now! Including his boss J. Jonah Jameson! What's ironic is that he had no idea Spiderman was working for him!

Yost Harry: I actually was talking about today as well.

Yost Green Goblin: Oh really?

Layla and Ness charged at him and blasted him with fire and water!

Layla and Ness: PK STARSTORM BARRAGE!

They fired massive starstorm barrage blasts and blasted him all over!

Deadpool: YEAH! Also this whole adventure is special too!

Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of Ginis, Auntie Roon, and Noir Goblin, and he began sucking out and assimilating Ginis' Power, Extreme Durability, Master of Wisdom and Deception, Regenerative Cells, Force field Creation, Energy Blasts, Electrokinesis, Hand to Hand Combat, Enhanced Speed, Flight, Enhanced Energy Blasts, Enhanced Regenerative Lifeforce, Brainwashing, Power Granting, Hand Energy Wave, Black Mist Dimension, Moeba Merge Mist, Thunder Blast, Enhanced Strength, and Enhanced Reflexes, Auntie Roon's magical powers, and Noir Goblin's Strength, Durability, Intelligence, Authority, and Fighting skills and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, Ginis, Auntie Roon, and Noir Goblin were severely weakened and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Ginis: (Weakened) W-what did you do to me?

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF YOST GREEN GOBLIN, YOST CHAMELEON, SAMHAIN, NOIR GOBLIN, AUNTIE ROON, AND GINIS TO NO END! NOW, THE BATTLE TO FINALLY DESTROY THE TERROR OF OSCORP WAS ON!

Lincoln, Hay Lin, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after Yost Green Goblin, Yost Chameleon, Samhain, Noir Goblin, Auntie Roon, and Ginis, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Yost Green Goblin, Yost Chameleon, Samhain, Noir Goblin, Auntie Roon, and Ginis and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at them as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, Hay Lin, Crash Bandicoot, Red Savarin, Von Lycaon, Ricky, Nico, and I and the rest of us attacked him super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Yost Green Goblin, Yost Chameleon, Samhain, Noir Goblin, Auntie Roon, and Ginis even angrier than ever.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit Yost Green Goblin, Yost Chameleon, Samhain, Noir Goblin, Auntie Roon, and Ginis and they got hit hard, and one of the blasts hit The Monitor Orbs embedded in the foreheads of Yost Green Goblin, Yost Chameleon, Samhain, Noir Goblin, Auntie Roon, and Ginis, and not only did we get a massive power boost, but Yost Green Goblin, Yost Chameleon, Samhain, Noir Goblin, Auntie Roon, and Ginis screamed in agonizing pain.

Then, Lincoln formed and fired a rainbow energy ball that hit Yost Green Goblin, Yost Chameleon, Samhain, Noir Goblin, Auntie Roon, and Ginis on the back and he was left with a burning scar on their backs.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Yost Green Goblin, Yost Chameleon, Samhain, Noir Goblin, Auntie Roon, and Ginis and we all found ourselves not only in Heaven, but also, in space.

Then, Ed Cowart wedgied Yost Green Goblin, Yost Chameleon, Noir Goblin, Auntie Roon, Samhain, and Ginis and pulled their underwear over their heads!

A figure came riding on a motorcycle and it was FURNACE MONSTER from episode 32 of Lightspeed Rescue!

Little is known about the Furnace Monster since he is not known to have encountered the Power Rangers before but died at some point and resided in the Shadow World.

The Furnace Monster is among the deceased Demons seen in the Shadow World and is used by Prince Olympius and the Gatekeeper who try to destroy the Power Rangers with him. However, after the Thermo Blasters destroy the Gatekeeper's staff, they lose control of the monsters and Fireor escapes the Shadow World alongside Liztwin's upgraded form and the Furnace Monster at the same time as the Rangers and appear as giants.

The Rangers immediately summon the Supertrain Megazord to dispose of them but their fire blasts overwhelm it and Fireor is able to impale it once the Furnace Monster and Liztwin restrain it. The tables turn however when Liztwin and the Furnace Monster advance on the Supertrain head-on, allowing the Megazord to destroy them with the Turbine Super Charge. They go limp and fall onto their sides where they then explode although the Lightspeed Solarzord then has to be used to destroy Fireor.

Carter: Furnace Monster!

Furnace Monster: Been a while rangers!

Me: I remember you! You were summoned from the Shadow World to help Olympius bring the Gatekeeper and several monsters to Earth!

Lincoln and the girls fired waves of elements and energy that transformed into different versions of Spider-Man and villains, and they smashed into Yost Green Goblin, Yost Chameleon, Noir Goblin, Auntie Roon, Samhain, and Ginis and exploded.

Lincoln and his harem: Now, for the grand finale! We've had it with you for the last time, Yost Green Goblin, Yost Chameleon, Noir Goblin, Auntie Roon, Samhain, and Ginis, now suffer for all eternity. SPIDER-MAN FINAL SMASH: SPIDERVERSE STRIKE!

Lincoln and his harem summoned different versions of Spiderman and Spiderman villains to attack Yost Green Goblin, Yost Chameleon, Noir Goblin, Auntie Roon, Samhain, and Ginis, and they were all brutally smashed!

Lincoln fired gold spider silk and tied Yost Green Goblin, Yost Chameleon, and Samhain up with gold spider silk, and Lincoln fired gold spider silk threads that latched onto Auntie Roon, Ginis, and Noir Goblin and he began draining them dry of their life forces as it was flowing out of them and we saw it in the threads and flowed into Lincoln as he grew even stronger.

Then, when Lincoln was done, Auntie Roon, Ginis, and Noir Goblin were left as drained husks and he sent them to The Black Abyss.

Vulture: You might not be the Goblin I'm familiar with but I'm gonna enjoy knocking you out anyway!

He punched him and bashed him and knocked him out.

Then, he grabbed Yost Green Goblin, Yost Chameleon, and Samhain and threw them into portals that led to prison cells: Yost Norman Osborn and Yost Chameleon to prison cells in a New York Prison and Samhain to his cell in The M.O.E. Prison.

We cheered as we holstered our weapons and powered down.

Nico: And that is that for Yost Green Goblin, Yost Chameleon, Noir Goblin, Auntie Roon, Samhain, and Ginis.

Me: Norman and Chameleon are now in prison for life and we threw Samhain in the M.O.E. Prison, and we sent Auntie Roon, Ginis, and Noir Goblin to The Black Abyss.

Lincoln: That lunatic got what he deserved, along with his cohorts. Alright, now there's one last loose end to tie up: Lisa Cadieux and the Evil Cadieux relatives.

We turn our attention to Lisa Cadieux and the Evil Cadieux relatives who got back up despite getting her legs shot by Caleb Maxwell, and she still had her knife in hand.

Lisa Cadieux: Damn you, damn you, you stupid Louds! I will kill you all with my bare hands!

backs of our left hands and our large gold halos with four orbiting large gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive and indestructible diamond barrier infused with light energy that protected all of us from Lisa Cadieux and the Evil Cadieux relatives who charged at us and tried to stab the barrier with the knife, but the knife melted and he fired a blast of energy that hit Lisa Cadieux and the Evil Cadieux relatives and sent them flying into another tree.

Kelsey Ace: Okay, that's it, I have had it with you, you evil monsters. You're going to pay for what you did!

Suddenly, Kelsey Ace's orange eyes turned neon orange, and she was surrounded by an orange, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, fire, flames, glitter, hearts, magic, Pegasi, phoenixes, and angels, and as she approached Lisa Cadieux and the Evil Cadieux relatives, she left orange, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, fire, flames, glitter, hearts, magic, Pegasi, phoenixes, and angels with every step.

Kelsey Ace: You've caused so much pain and suffering to your sister and your niece and daughter because you were cruel evil monsters, you let your hatred poison you and it left your hearts as a toxic pit of darkness, and not even purifying you will help. You are too far gone, and now, you must be stopped once and for all.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF KELSEY ACE WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! We were amazed by Kelsey Ace's transformation, but when Lincoln saw her, he had a bright atomic red blush on his face and muzzle, hearts in his eyes, and his wolf nose gushed out blood like a fountain and it hits Lisa Cadieux and the Evil Cadieux relatives and Lisa Cadieux screamed in pain as she got burned badly by his acid blood, and she became disfigured! But, it also led to her family being reduced to slop and were sent to The Black Abyss!

Lori: And you literally caused her family to be reduced to slop!

Lincoln: That was unexpected. I made a big mistake sucking out your brain and sparing you, Lisa, this time, it's gonna end with you dead in a pool of your own blood.

Time to die, you bitch.

Lincoln, Kelsey Ace, Nico, and I went after Lisa Cadieux and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Lisa Cadieux, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Kelsey Ace did the same by firing orange, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive Mage's staff, and Lincoln, Kelsey Ace, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Lisa Cadieux even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Lisa Cadieux and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Lisa Cadieux and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword.

Finally, Kelsey Ace and Lincoln fired a massive orange energy beam with holy fire at Lisa Cadieux, and the blasts sent that viper flying out into space, and...!

KRABOOM!

THE BEAM EXPLODED OUT INTO SPACE AND LISA CADIEUX WAS KILLED IN THE EXPLOSION AND SHE WAS SENT TO THE BLACK ABYSS!

We cheered wildly as we holstered our weapons and powered down and Kelsey Ace's new body, clothes, weapons, jewelry, Third Eye, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded orange gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded orange gems behind the gold rings behind her head, one-hundred large amaranth deep purple planets orbiting around her legs, one-hundred smaller orange planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized orange planets orbiting around her wrists and ankles, and massive orange angel wings and ninety-nine sets of large orange angel wings underneath her massive orange angel wings are permanent.

Kelsey Ace: We did it, that's one down and three to go. Thanks for helping me get rid of Lisa Cadieux, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Kelsey.

Me and Nico: Our pleasure, Kelsey.

Suddenly, Kelsey Ace wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Kelsey Ace's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Kelsey Ace sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Emily Anderson: That was so awesome! Kelsey, you transformed, and you and Lincoln really let that monster have it.

Candy: That's for sure.

Pop: Indeed. Plus, you got rid of one of Dark Sebastian's instruments of revenge.

Ricky: It's not much longer before we get rid of the last of them.

Me: That's right. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the Vegvisir appear in the skies along with the Duel Monster, Tanngnjostr of the Nordic Beasts.

Lincoln: The Vegvisir and the Duel Monster, Tanngnjostr of the Nordic Beasts.

Astrid Michelsen: (Norwegian Accent) There's one person who fits that: Emilie Kristiansen, Avatar and Gene-Slammer of Tanngnjostr of the Nordic Beasts, and you guys are going to love meeting her, Emilie Kristiansen, Avatar and Gene-Slammer of Tanngnjostr of the Nordic Beasts, is Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Tanngnjostr. Emilie Kristiansen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Nora Baardsen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Tenngnjostr, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Tanngnjostr, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there is one person whom she'd been wanting to kill all her life: notorious rich playboy and world conqueror Hector Con Carne. It turns out she was after his head for years because of his schemes to rule the world, but when the news hit of him being blown to pieces, she considered her mission over that was until she found out his brain survived stomach too and was attached to the body of Boskov, and she swore to destroy him, this time, forever.

Me: No way, so I wasn't the only one after Hector at that time.

Skarr: I remembered Ghastly telling us about it. If he sees her here, he'll blow his lid and threaten her like he did to her mother years ago.

Lincoln: He did what?!

WE GASPED!

Major Dr. Ghastly: I hope Vypra can calm him down because we'll be meeting her tomorrow.

Lincoln: I hope so too, and he's got a lot of explaining to do.

Krusty: With good behavior, Yost Chameleon can be allowed to join us.

Rich Texan: That's true.

Comic Book Guy: What now?

Skinner: We celebrate!

Deadpool: After a moment of silence for Alan Rachins.

Snake: May he rest in peace

Jamesdean5842: Yes he died earlier this month and he will never be forgotten.

We had a moment for him and took off our hats and put our hands on our chests for him.

It was done later.

Nico: Great job today everyone!

Hay Lin: It was fun. (To the viewers) This was an awesome and fun battle.

Me: It sure was!

We went and had a great victory treat at Lynn's Table.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: Whew, man, that was one awesome day.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was his entire harem dressed only in strapless bras and panties, and when he saw them, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Girl Jordan went up to Lincoln.

Girl Jordan: (Rubs Lincoln's massive pecs) I knew that old trick wound up getting you once more. (Seductive Voice) And it got you aroused once more. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of

The Incubi have taken hold of him as he went up to his harem.

Amara Roshansa: (Seductive Voice) Uh oh, looks like someone's about to get really...wild.

Suddenly, Lincoln lifted Girl Jordan and brought her to the bed with him joining the rest of his harem and he was on top of Girl Jordan and the others.

Lincoln: (Seductive Voice) (Smirks) You said a mouthful.

Lincoln used his one-hundred massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

Unsettled Score with Dr Doom

Yost Dr. Doom is gonna pay!

In the early morning hours of 12:24 AM, Lincoln was asleep along with his harem and he had a dream as it took him to a planet known as Planet Twilightius. Suddenly, he saw a girl with long white hair with blue eyes and blue angel wings and dressed only in a black two-piece bikini in spirit sleep along with the magical heroes from 150,000 years hence. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: I just had a dream, and this is gonna shock J.D. when we tell him.

Lincoln explained everything, and when he was done, his harem were shocked.

Talia Houou Flameheart: (Irish Accent) Oh man, it's her: the fifth of your Guardian Angels!

Selene Arcangela: And we also found the magical heroes from 150,000 years hence, they were in spirit sleep this whole time.

Suddenly, Lincoln got up and got dressed along with his harem, then Nico and I came in.

Me: Lincoln, what is it?

Lincoln explained, and I was shocked.

Me: No way, you found the magical heroes from 150,000 years hence!

Nico: Along with the fifth of your Guardian Angels from 150,000 years hence, awesome.

Me: So, what do you intend to do?

Lincoln: I'm going to bring Planet Twilightius to our solar system, then, we're heading over to awaken Bianca, and once that happens, that'll cause the magical heroes from 150,000 years hence to also awaken, but they'll eventually merge with the magical heroes.

We headed outside, and...!

SNAPS FINGERS!

Lincoln brought Planet Gemcrystalus to our system, and we headed over, and it was an awesome planet of magic and we suddenly gained a massive boost in power and magic.

Me: Wow, this place is awesome.

Tara Toonamine: That's for sure.

Suddenly, Lincoln sensed it, and we headed on over to a hyperbolic spirit sleep chamber, and we saw Julie Twilightmagic asleep in one chamber.

Me: That's Julie Twilightmagic? Whoa, hubba hubba!

Nico: Dude, you know Lincoln's here, right? Watch it or he'll clean your clock.

Lincoln: Hey, be nice, he knows she's my Guardian Angel.

Then, we saw the magical heroes from 150,000 years hence in multiple chambers.

Nico: Whoa. Oh man...!

Michelle Emperyous: They're all asleep.

Lincoln: Being asleep for 150,000 years in that state of spirit sleep and not knowing what happened to the others...! Dark Chase Young, you really are an absolute monster.

Lincoln placed his hand on the pod where Julie Twilightmagic was sleeping. Suddenly, it started to glow and it opened up, and then, she started to awaken as Lincoln caught her in his arms.

Julie Twilightmagic: (Groans) W-where am I?

Suddenly, her eyes came into focus, and she saw Lincoln recognizing the deep sapphire blue eyes.

Julie Twilightmagic: L-Lincoln? Is that you?

Lincoln: Yes, it's me from the Earth that hasn't been destroyed by the asteroid, the one you found, though I've really grown up a lot.

Lincoln wrapped his abnormally massive and muscular arms around Julie Twilightmagic's waist and hugged her, and Bianca Pirateloot is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and ninety-nine sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Julie Twilightmagic: That you have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and ninety-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome. But, wait, where am I?

Me: You're in our world. Lincoln brought the planet and all of you here to our world, and in our world, we destroyed the asteroid heading for Earth when we went after Tim Scam.

Nico: And foiled one of Dark Chase Young's schemes to prevent the prophecy from coming true in our world. Lincoln already fulfilled the first part of the prophecy by getting 403 years of divine retribution for his ancestors by taking down Morag and killing Aggie.

Lincoln: Now, all that's left is for the second part: killing the monster responsible for everything he did to my family in

1621 and for 1,500 years of pain and suffering, Dark Chase Young.

Julie Twilightmagic: Perfect.

Suddenly, Shanan came to us.

Shanan: Guys, I just saw a planet come into our solar system, and who is...?

Selene Emperyous: Shanan, meet Julie Twilightmagic, she's the fifth of Lincoln's Guardian Angels from her home Planet Twilightius where people use magic in daily life. Julie Twilightmagic was born with omnipotent power, immortality, invincibility, and all powers of all forms of magic. Julie came from the Earth prior to its destruction in the other timeline, and as she was observing Earth, she found Lincoln, and like Tara Toonamine, she ended up falling in love to the point of swearing that she would do everything in her power to protect him, and God heard her swearing to do everything in her power to protect him, and she took The Sacred Oath, thus becoming the second of Lincoln's Guardian Angels. Before the Earth of the other timeline was destroyed, while Tara came and rescued Lincoln and his harem from its destruction and got them to her home planet, Techwater, Julie rescued all the magical heroes, and took them Twilightius, where she placed herself and all the magical heroes in spirit sleep until she, all the magical heroes, and Planet Twilightius can be transported to the time where the asteroid that was coming to destroy Earth was destroyed when we went after Tim Scam, along with Planet Techwater and the other planets.

Shanan: (GASPS) Whoa! So, she saved her Earth's magical heroes before the Earth of that timeline got destroyed?! And they were in spirit sleep. Dark Chase Young, you vile monster.

Lincoln: Yep, and I brought the planet here. This is Planet Twilightius.

Shanan: Wow.

Lincoln went up to the pods where the magical heroes of 150,000 years hence were sleeping in, and as soon as he touched them, the pods glowed and they opened. Suddenly, they merged with the magical heroes, and the magical heroes grew stronger than ever gaining 150,000 years of experience in combat and power beyond any imagination.

Lincoln: Whoa!

Selene Emperyous: Incredible, now the magical heroes are even stronger than ever!

Lincoln then went up to Julie Twilightmagic and he pinned her to the floor and he kissed her deeply and passionately on the lips and she returned it after recovering from the shock, then, he leaned down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Julie Twilightmagic with blue gems on the gold lightning bolts and white crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Lincoln then helped her up and carried her bridal style as we came back home and went back to our rooms and Lincoln brought Bianca Pirateloot to his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem and he had her sleeping on top with her head on his massive pecs.

Julie Twilightmagic: (Rubs Lincoln's massive pecs) This feels really nice, and it's so good to finally be home.

Lincoln: Us too.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to a planet called Gemcrystalus.

Then, Lincoln, Nico, and I explained everything that happened last night, and when we got done, everyone was floored.

Qin: HOLY COW! So, you guys found the magical heroes of 150,000 years in spirit sleep on the planet?!

Then, Julie Twilightmagic came in.

Nico: Along with the fifth of Lincoln's Guardian Angels from the Earth of 150,000 years hence that got destroyed.

Me: Yep, she was born with omnipotent power, immortality, invincibility, and the powers of all forms of magic. Just like what happened to me, and Lincoln has added her omnipotent power, immortality, invincibility, and the powers of all forms of magic to his arsenal when he fed on her blood last night.

May: But, that means if you were able to find the magical heroes from 150,000 years hence, that means...!

Maria: Ourselves from 150,000 years hence must be on different planets that were from that same timeline. But, how can we find them?

Lincoln: Just leave that to us.

Suddenly, the alarm sounded, and we checked the computer, and we found out who it was that triggered the alarm: it was Noir Vulture, he's returned from the dead and he's causing havoc in Prague in the Czech Republic.

Me: ARE YOU KIDDING ME?!

Hay Lin: Noir Vulture! He's in Prague in the Czech Republic!

Lincoln: Figures he'd be there, it's a place where supernatural legends of creatures and darkness are strong there. Too bad for him, it's also a place of magic, and I have a lot of tricks in store for that cannibal.

Suddenly, The Magic Symbol on Crash Bandicoot's True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Fury Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Fury Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Justice and the Element of Harmony for Starlight Glimmer started glowing.

Crash Bandicoot: The Magic symbol's glowing, this means, you're up next, Twilight Sparkle.

Twilight Sparkle: Awesome.

Nico: This is going to be good.

Qin: Magic VS. Cannibal Vulture, he'll have no chance.

Lincoln: All we got to do is force him out of the darkness and into the light. Let's finish our breakfast and head for Prague.

Nico: Gotcha.

Bloom woke up to see Ekans staring at her

Ekans: Morning Bloom. Time for Breakfassst.

Bloom: Be right there.

Bloom went and got dresed and went to the table and we were having waffles and french toast.

We finished our breakfast, and we headed out to Prague to help Twilight Sparkle unlock her Rainbow Power and destroy Noir Vulture and send him to The Black Abyss.

Me: Always love coming to Prague.

Qin: Me too.

Camie: So cool.

Ymir: I agree there.

Varie: And loaded with history too.

Lola: Yeah.

Lana: Yeah.

Nico: Yep it sure is. Yamato Man I want to thank you, Shield Sheldon and your teams for coming.

Yamato Man: Not a problem Nico. It's gonna be one for honor.

Me: It sure is.

Mera Aino: I agree there. I'm really excited for this.

Nico: Mera, what do you like to do in your free time?

Mera Aino: Well I like helping out my sister Mina and we are good at busting bad guys for INTERPOL. Also I like helping my sister with the Sailors.

Nico: Cool cool.

Mera Aino: Yep. Also I like teaching at the school about Venus.

Me: Wow! Do they know about Venus being terraformed?

Mera Aino: They sure do.

Qin: Cool!

Nico: That's very important to know.

Me: It sure is.

Mera Aino: Yeah and it's fun. Helping Mina is good.

Me: It sure is.

Ymir: Yeah. Also battling Yost Green Goblin was awesome!

Me: It sure was!

Spiderman: Now we've seen the last of my Yost Counterparts version of him.

Noir Spiderman: And the Goblin from my world.

Nico: The Yost one went to jail. The Noir version died. It's even now

Qin: It sure is.

Ymir: Boy we battled a lot yesterday.

Camie: W sure did.

Ymir: And J.D. really caught on to Yost Chameleon's bad acting.

Me: Yeah I wasn't fooled. He was a terrible actor and never got any of us right.

Nico: That is for sure!

Ed: He did a terrible version of me.

Yost Spiderman: That's been his one weakness. It's not insect early warning sense. It's Spider Sense

Me: That is true. Also he sure has a lot of characteristics of all of us and beyond wrong.

Varie: No kidding there.

Me: It's how I was able to know it wasn't Ed. Ed is dumber than a sack of week old salami and is not that good with big words.

Eddy: (LAUGHS) Yeah that's Lumpy for you.

Ymir: Yeah. But man Hay Lin's Akuma was really cool! She was made of pure wind!

Lola: She sure was!

Nico: She was windy

Me: No kidding there!

Qin: Yeah!

Camie: But we had a lot of fun too.

Me: We sure did.

Lincoln: Okay, guys, we're here for one really brutal and nasty battle, we're here in Prague, and as we discussed this morning, we are here to help Twilight Sparkle unlock her Rainbow Power and destroy Noir Vulture and send him to The Black Abyss.

The rest of the team's with us, and we saw that he's left a bloody mess.

Nico: Jeez, that cannibal's left a bloody mess!

Me: He's been busy, but this is where we end him for good.

Suddenly, we saw blood tears falling from Caleb Maxwell's eyes.

Caleb Maxwell: I can hear the cries of the dead, all of them are crying out for vengeance! (DEATHLY DEMONIC VOICE) That maggot, I'm going to make him suffer!

Suddenly, the skies turned blood red and black, and Caleb's canine teeth grew into fangs!

Caleb Maxwell: THEY DIDN'T DESERVE TO DIE LIKE THIS! SLAUGHTERED LIKE ANIMALS AND HE SHOWS NO REMORSE IN DOING SO! HE DESERVES TO DIE A MILLION DEATHS, HE DESERVES TO BEAR THE WRATH OF EVERY LAST LIVING SOUL HE MURDERED IN COLD BLOOD! I'M GOING TO BE THE ONE TO MAKE THIS MONSTER SUFFER! BUT, ABOVE ALL ELSE, HE DESERVES TO DIE BY MY HAND!

WE WERE HORRIFIED AND FREAKED OUT: CALEB MAXWELL SNAPPED, FAR WORSE THAN ANY OF US HAVE! THIS WASN'T JUST A NORMAL SNAPPING, THIS WAS FUELED BY THE RAGE OF THE DEAD, AND HIM ONCE BEING DEAD MADE IT WORSE!

Nico: Not again...!

James Blunt reacted quickly and hugged Caleb Maxwell, and it caused the teen to break down and he cried heavily as bloody tears fell from his eyes and onto James Blunt's bare chest.

Caleb Maxwell: Why...? Why can't this pain stop? No matter how many times I thought my pain was over, the cries of the dead still haunt me!

Poromon: Maybe it's because you're too mentally unsta...!

That was shut up by Allie aiming her gun at him!

Allie Maxwell: If you so much as finish that goddamn statement, puffball, I swear to God, I'm gonna shred you into little tiny fucking pieces! (GROWLS SAVAGELY)

Manaphy: Don't you dare think about hurting my boyfriend! (To Mad Cat Max) Tell your girlfriend to cool it with her threats!

Caleb Maxwell: THAT'S ENOUGH! BOTH OF YOU!

They froze, James Blunt was confused, but then, Caleb put his hands on the vampire cat's forearms.

Caleb Maxwell: It's okay, Mr. Blunt, I'm alright now, just let me go.

James Blunt understood and let go, then Caleb turned his attention to Poromon and Manaphy.

Caleb Maxwell: Now, look, we got a cannibal vulture to kill, this is not the time for us to fight. (To Poromon) You should consider yourself lucky Mr. Blunt stopped me from making the big mistake that would lead me further down into darkness, but get this, if you so much as make any sort of rude statement like that about me again, (SCLERA OF HIS EYES TURN CRIMSON RED) (DEMONIC VOICE) I will turn your life into a living nightmare from Hell! You got that?!

Poromon: YIPE! Y-yes sir!

Caleb Maxwell: Good, and as for you, Manaphy, if you so much as provoke my sister like that again, you and your boyfriend will both be dealing with me, her absolutely enraged demonic older brother!

Manaphy and Poromon freaked out as they did wild takes galore, and they fled to Nico and May's arms shaking in fright at Caleb's angry side being let out!

Manaphy: He scares me!

Poromon: Me too!

Me: Yep. Also Noir Vulture doesn't have the Tablet Fragment to help him this time so he will be easy pray.

Xenia: That is for sure!

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive

muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Noir Vulture) AHA! GOTCHA! I spotted Noir Vulture, he's 20 yards away, but he's hiding in the shadows.

Caleb Maxwell: Not for long. I've got just the Blood Nightmare Art to use on him.

Nico: Let's get that ugly vulture.

Tracer heard a Pokémon cry.

Tracer: (British Accent) Look here loves!

We saw a Polteageist!

Me: Ooh a Polteageist!

Brittney: Perfect for you Tracer because of your customs in England.

Tracer: Indeed.

Polteageist: (British Accent) I'm sorry loves I am hungry.

Tracer: Good accent love. You hungry?

Polteageist: I am hungry.

She gave her apples and she ate them.

Polteageist: Thank you.

Tracer: No problem Love. Care to join us?

Polteageist: I would be delighted.

Me: Cool.

Poromon: Can I drink from you?

Polteageist: Here you go love.

She gave Poromon a cup and poured some tea for him.

Poromon: (Slurps) Ahh. Good tea.

Polteageist: Thank you. It's Darjeeling chamomile. Want more?

Poromon: Thank you that would be lovely.

She gave some to the mascots and they had some tea and it was delightful. They had 30 cups.

Poliwag: Good tea. Thank you.

Qin: Hey look there!

We saw a Spiritomb!

Me: WHOA! A Spiritomb!

Brittney: Scary for here because of Prague being considered a haunted city.

Nico: How'd that get here?

Me: I think it's one of Dark Gale's work.

Carol: I have a feeling it is.

She used Telepathy and gasped!

Carol: Oh my gosh! It's Nicole Travis! She is Puff's Twin Sister!

WE GASPED!

Me: Oh man!

Carol: She has incredible phoenix and Firebending and fire powers that make Ozai and the strongest of Firebenders look like a joke!

Nico: WHOA! Lets call Puff here.

Maria: Nico that's not a good idea!

Nico: Why not?

Carol: Because they hate each other and Nicole wants nothing more than to kill her! We'll explain more later.

Nico: Okay.

Me: Lets go help her.

Me, Carol and Maria went to help her.

Carol: Nicole it's us Carol and Maria!

She charged at us and dodged her.

Me: Guess we do this the hard way.

We fired waves of energy and water and drenched her.

Then I snapped my fingers and she revered back and was a girl with orange hair, orange eyes and fire angel wings and had Spiritomb on her forehead and a Sun with a flame and the Phoenix King Symbol on her arm as a cutie mark.

We wrapped her in a blanket and brought her to a bench.

Me: Wow at least she didn't attack you Horsea.

Horsea: That is true.

She woke up.

Nicole Travis: (Groans) What hit me?

Carol: Well ugly story.

Nicole Travis: (GASP) Carol, Maria!? It is you!

She hugged them!

Nicole Travis: I'm so happy to see you.

Carol: Same here. Nicole was given intensely powerful fire powers and phoenix powers because of the Quantum Vapor. It's how she got the Superhero name Lady Nitronapalm.

Qin: WHOA!

Nicole Travis: Quantum Vapor?

Me: Yeah it's an experimental biohazardous mutagenic gas. It mutated you and gave you those powers.

Nicole Travis: So THAT'S what that weird purple cloud was.

Me: Yep. Also you were turned into a Spiritomb by Dark Gale.

Nicole Travis: (GASP) Oh man! I remember1

She was in an orange suit and injected and then she turned into a gas and then turned into SPIRITOMB! She flew out!

FLASHBACK ENDS

Nicole Travis: That was awful.

Me: I know. But we destroyed them forever.

Nico: Yep.

Nicole Travis: Yeah.

Me: Nicole if I may ask and I know it's sore subject...

Nicole Travis: You want to know why me and my sister Puff hate each other.

Me: Well... yeah.

Nico: First, you should know that Puff's changed

Nicole Travis: I heard. But I will still never forgive her.

Me: Why?

Nicole Travis: Well growing up our relationship has always been a very toxic one. From minute one of our lives we have always hated each other ever since we were babies! My parents never played favorites but I was the golden child and Puff was always the bad girl problem. She would always find ways to make my life and everyone's ilves around her miserable! Also she would always get into fights with me and I would beat her every time! Until we were in high school and the Big Bang came. I became Lady Nitronapalm and me and Puff would always go at it! It was so bad that we ended up destroying a good part of the city! She got sent to prison because of it. I always will and forever hate my sister! And I NEVER WANT to see that motherfucking monster ever! I will kill her if I do! I HATE HER WITH EVERY FIBER OF MY BEING!

Nico: WHOA MAN!

Me: This is Bad Blood on a WHOLE NEW Level!

Kazuma Kenzaki: Yeah no kidding! It's like what happened with me and Hajime.

Evelyn: That is rough!

Nico: But at least she never killed anyone.

Nicole Travis: Maybe so but I still HATE HER! If I see her again I will send her off to Hell!

Shield Sheldon: Boy Nicole I can't believe you hate your sister that much. She never told us about her past in the M.O.E. But I had no idea it was that bad. When we ask about it she always pushes us away about it. She hates talking about it.

Nico: Okay. So maybe you two hated each other. And you both still do. But she really has changed ever since we fought the Talon agents.

Tracer: That makes me getting Polteageist today fitting

Polteageist: Indeed it does.

Nicole Travis: I see.

Lincoln: Also she is my dad's archenemy.

Lynn Sr.: It's true and she always has a good time at Lynn's Table.

Nicole Travis: Wow. I still hate her though.

Maria: I know you have your reasons Nicole. When I was in the Metabreed I respected her wishes and never talked about you around her because of what you and Carol told me. It was my way of respecting her privacy about you.

Nicole Travis: I appreciate that Maria.

Me: Hmm. I got an idea! How about later today on the main mission we have you girls vent and fight each other till you can't go on anymore and release all that rage you have till you are so tired you don't know what to do. You know what I mean?

Nico: That's not a bad idea.

Qin: Yeah.

Nicole Travis: Okay. I will do it but I will not like it.

Static: Honestly, she actually hasn't killed anyone in the past

Nicole Travis: I know that. I'm sorry guys it's just that I want to get rid of this anger and hatred I have for her. And I want to vent it.

Me: Okay.

Nicole Travis: Oh I also work for Sonya as the Phoenix Mancer. I use my powers to destroy our enemies with intense fire. Outside the team I practice hard and look for ways to destroy Puff. I'm sorry guys but maybe I do need some therapeutic help to get rid of this problem I have.

Me: It's okay.

Ino: I think we should go with J.D.'s idea and help you get rid of this problem by facing her head on.

Me: Yeah.

Nicole Travis: Thank you.

Rarity: Lets get you some new clothes first darling.

The Fashion Brigade gave her new orange clothes and a phoenix feather sword.

Nicole Travis: I look awesome.

Horsea: Until then, how about you do a combo with me?

Nicole Travis: I would like that. Oh is that Horsea yours Maria?

Maria: She sure is. She and I have been best friends since we met in Narnia.

Nicole Travis: Cool! I have a lot of catching up to do with you guys.

Carol: You sure do.

Me: Now lets go face that rancid buzzard!

We then took off into the air to help Twilight Sparkle unlock her Rainbow Power and destroy Noir Vulture and send him to The Black Abyss.

We were flying in the air, and then, we saw our target: Noir Vulture, he's hiding inside a Gothic church.

Lincoln: There he is, he's in the church.

Caleb Maxwell: There won't be any who'll speak at his funeral, for he has committed the taboo of cannibalism and broken the Commandment: Thou shalt not kill. There is only one fate awaiting this animal.

Caleb Maxwell let go of his guns as they're levitating above his ankles and he clenched his hands tight and the gold-plated dragon claws pierced his palms and drew a lot of blood as it fell onto the floor and formed into a magic rune circle, and then, it started glowing.

Caleb Maxwell: Try and survive this when the dead start tearing at your flesh. BLOOD NIGHTMARE FINALE: NIGHTMARE AT LAGUARDIA HIGH SCHOOL!

Inside the church, Caleb's blood seeped in and rose from the ground and turned into the students and teachers who got turned into vampires and they attacked Noir Vulture with merciless brutality, and they forced him out.

Suddenly, the spirits of the Marvel heroes appeared and fired energy blasts at Noir Vulture, and then, the spirits converged and they crashed down and a massive explosion erupted as a Wolf Howl, Thunderbird Screech, and Phoenix Cry was heard and we appeared.

Nico: I should've known you'd show your ugly face here again, Vulture.

Me: And you've been pretty busy killing and eating people again, you ugly buzzard.

Noir Vulture: I WILL RIP YOUR HEARTS OUT AND EAT THEM FOR DINNER!

Lincoln: You're done hurting innocent people.

Lincoln fired waves of acid blood from his left hand that turned into swords that slashed and burned Noir Vulture. Suddenly, all the blood that was spilled by Noir Vulture on his little rampage suddenly went to Lincoln and he absorbed it into his body and he grew stronger, and then, his deep sapphire blue eyes glowed, and the lights of Heaven shined down upon Prague, and everyone who got killed by Noir Vulture were restored to life and Prague was fixed as Noir Vulture was sent into the air and put onto a battlefield Lincoln had created in the skies.

Me: You don't have the tablet to help you this time!

Noir Vulture: I don't need it. You took away my chance to overthrow Osborn. Now, I'll have you all for lunch!

Me: Well you will soon join Osborn in the Black Abyss!

I teleported and kicked him in his back and punched him in his face!

Ymir: You are an ugly fucking chicken!

She blasted him with darkness fire!

I teleported and punched him in his face and teleported and punched him in the back of the head and then teleported and punched him in his stomach and kicked him in his face all over!

Noir Spiderman: WHOA! He is really teleporting all over the place!

Nico: Yeah!

Noir Vulture grabbed Horsea and was about to eat her

Horsea sprayed ink into his eyes and blinded him!

Poliwag: HEY! YOU JERK! YOU LEAVE MY FIANCE ALONE!

WHAP WHAP WHAP WHAP KRAWHAP!

He slapped him brutally with his tail!

Then he blasted him with a bubble beam blast and blasted him all over the place!

I teleported and punched him numerous times in the stomach with a massive number of punches!

I dealt a huge uppercut and knocked out most of his teeth!

Noir Spiderman: YOU TOOK MY UNCLE BEN AWAY FROM ME!

Noir Vulture: He tasted delicious!

Hay Lin punched him!

POW!

Hay Lin: I killed you once and I can kill you again! YOU MAKE THE VERY ARCHENEMY I KNOW LOOK LIKE A FUCKED UP ASSHOLE MOTHERFUCKER!

WE GASPED! We never heard her use colorful language!

Qin: WHOA! Hay Lin easy there!

Poromon: Yay! Bad words!

POW BIFF SMASH WHAM!

Hay Lin punched him in his face and kicked him in his crotch!

She fired massive wind blades and slashed him ferociously!

SLASH SLASH SLASH SLASH SLASH!

He screamed in agony!

Hay Lin kicked him in his face and knocked out his teeth!

Hay Lin: I AM GOING TO RIP OUT YOUR HEART AND MAKE YOU EAT IT LIKE HOW NICO AND MAY DID WITH SWARTZ!

Me: (GULP!) Okay Hay Lin you are starting to scare me!

Noir Vulture: No more games. It's time for the Vulture to feast!

Me: We're not playing games! We're just making sure you suffer!

I slashed him across his chest with my sword and fired beams of energy and blasted him!

Noir Vulture: I WILL RIP YOUR FACE OFF!

Tyler Maxwell: PISS OFF!

Tyler Maxwell drew blood by slitting his right palm with a knife.

Caleb Maxwell: Tyler, what are you...?

Then, he slammed his right hand onto the ground as his own blood poured onto the ground.

Tyler Maxwell: BLOOD NIGHTMARE FINALE: NIGHTMARE OF THE HALLOWSHADE BLOODBATH!

Then, the blood came to life and turned into Cage Blunt and Travis Tackett drunk on demon blood and they attacked Noir Vulture with savage brutality. Tyler saw the job was done and tried to dispel them, but he didn't learn how and they tried to attack him, but Caleb dispelled them as they turned back into blood.

Caleb Maxwell: That was a good move using one of my Blood Nightmare Dark Arts, Tyler, but you didn't learn how to dispel them after the job was done, I learned how to do so. Next time, leave that part to me.

Tyler Maxwell: I should've learned about how to dispel them, but only you'd learned it along with creating your Blood Nightmare Dark Arts, and I hadn't gone through the same kind of darkness you went through.

Me: Xemnas!?

Out came the last member of the Daughters of Organization XIII!

Aniya Ansem Xemnas: You will never destroy the world.

Lincoln: Aniya Ansem Xemnas!

Me: WHOA! Care to introduce us?

Anna Anyanova: Sure this is Aniya Ansem Xemnas, Daughter of Xemnas, she's Lincoln's Guardian Angel from The World That Never Was, she's a powerful master of the forces of darkness and nothingness, and she's the leader of a group of fourteen girls known as The Daughters of Organization XIII, they are the daughters of the members of Organization XIII and they have elemental angel wings and black clothes and the weapons of Organization XIII and the kanjis of the elements on their foreheads, and Aniya and her friends absolutely loathe Xehanort with a bloodstained vengeance. She came to Royal Woods where she met Lincoln and swore to protect him from all threats and it not only included Dark Chase Young, but also, Xehanort as well, because Lincoln also had a hand in killing the evil Xehanort. She trained Lincoln in mastering the forces of darkness and nothingness, and in a split second, he mastered the powers of darkness and nothingness, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lynn with a passion.

Me: WHOA! Pleasure!

Aniya Ansem Xemnas: Same here. Care to help me with this J.D.?

Me: I would be honored!

I made a clone and it went to help her.

Lincoln: May you be burned to ashes by the fire of The Sun and the light of Heaven! RAGE OF HEAVEN! 天国の怒り！

Lincoln swung his massive greatsword and fired a massive vortex of golden fire and heavenly light that hit Noir Vulture and he let out a hideous screech as he got burned badly by the golden flames and heavenly light.

Me: A new Surekill technique?! Wow!

Lincoln: This is one I developed after I transformed against Morag, and I was saving this for when we go after Dark Chase Young.

Nico: That was really awesome!

Lincoln: That was for light, now for this. NIGHT WOLF CATACLYSM! 夜狼大惨事!

Lincoln swung his massive greatsword and fired a massive wave of darkness and wolves that hit Noir Vulture and he was hit hard and mauled by the wolves!

Me: First Light, and now, Darkness! Really awesome!

Nico: It's just like Ymir's Surekill technique, only his uses pure darkness and wolves for this one since he's a wolf man.

Lincoln: Now, it's time for the big guns.

Lincoln got out a massive industrial can of spinach, and he opened it up. Then...!

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CAN OF SPINACH!

Me: OH CRAP!

Nico: THIS IS GONNA GET UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed, and a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf roar.

Lincoln: (CRACKS NECK AND KNUCKLES) Time to die, you dirty buzzard.

Lincoln went at Noir Vulture and he began brutally smashing him all over the place with his massive godly superhuman strength. Then, he punched him hard in the face and kicked him in the stomach and he sent him flying into a wall, he got back up, but he was so mad, he let out another screech of anger before Lincoln threw a golden yellow fireball at him and it exploded burning that monster badly.

Nico: Brutal.

Suddenly, we heard vampiric shrieks, and we saw vampires coming right at us, and then, the skies turned red and it started raining down blood.

Me and Nico: Great, now things have really gone bad.

Then, Sherlock Hound attacked one of the vampires and we felt Sherlock Hound grow even stronger as the blade literally sucked the life out of the vampire as he died and turned to dust. Then, he swung his massive greatsword again and fired projectiles of ice that hit and froze more of the vampires before he struck them with his greatsword and sucked the life out of them and he grew stronger from that as well as they too turned to dust.

Then, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by a red flame. Then, Sherlock Hound attacks another vampire and the blade slashed the vampire and he turned to ashes. Then, he swung his massive greatsword again and fired projectiles of fire that hit and turned more of them to ashes!

Me: Alright, now it's our turn.

Noir Vulture: MEN! KILL THEM AND BRING ME THEIR HEADS!

Then, Noir Vulture's men came out guns raised at us, but then, the full moon came out, and Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his deep sapphire blue eyes and rainbow iris of his Third Eye with golden yellow circle around them remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth remained the same, his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings remained the same, his one-hundred massive and long brown wolf tails and large brown wolf ears remained the same, his long wild rainbow hair with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks in the back going down to his upper back became wilder and his large gold halo behind and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings turned midnight blue, and he let out a loud howl as he transformed into Lincoln The Nocturnal!

Lincoln: (LETS OUT A LOUD AND SAVAGE HOWL AS HE POUNDS HIS CHEST LIKE A GORILLA)

Lincoln: (Beastly Voice) You think you can't be harmed because you got your boss protecting you?! (Smirks) Sadly for you assholes, you're about to see what a real monster is like! (CRACK KNUCKLES)

Lincoln went at Noir Vulture's men and he literally ripped them apart limb from limb by tearing their arms and legs off, then, he did the one thing that almost made us barf: he tore their flesh off and he devoured their hearts, brains, muscle tissue and muscles, and organs, and he let out a loud howl as he grew even stronger from that!

Lincoln: Ah, now that was really good.

Nico and I turned green and ran to the trash cans and barfed!

Me: UGH! OH, GROSS!

Nico: HE TORE THEIR FLESH OFF AND HE DEVOURED THEIR HEARTS, BRAINS, MUSCLE TISSUE AND MUSCLES, AND ORGANS! THAT WAS REALLY GORY!

Suddenly, we heard a roar, and we saw a massive army of humanoid lava men coming at us.

Me: What the?

Nico: Uh oh.

Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of humanoid lava men, and he began absorbing them into his body and he assimilated the massive superhuman upper body and lower body strength, massive muscle mass, virility, testosterone, and powers of the lava men, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (Beastly Voice)(GROWLS) Oh man, the raw immense power of these lava men is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of humanoid lava men and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Nico: Seriously, who keeps on sending creatures after us?

Lincoln: (Beastly Voice) No idea, but the clod's just digging his own grave not realizing that by sending supernatural creatures and beasts, he's just letting me get even stronger by absorbing them and assimilating their raw strength and physical abilities along with their immense powers.

Caleb Maxwell started shooting at Noir Vulture with silver bullets from his guns along with black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, demons, vampire bats, phoenixes, and angels at him, and then, Caleb Maxwell got an idea: he got on top of the barrier that Lincoln formed, and then, he spun like a tornado and proceeded to fire on all sides at Noir Vulture as he got hit hard!

Noir Vulture: (SCREECHES)

Me: What the Hell?! Caleb's an absolute monster towards assholes like him!

Nico: Damn...! I'm so glad he's on our side.

Then, after Caleb was done, Noir Vulture was absolutely riddled with bullets and mangled up bad!

Suddenly, Caleb had him put in a pit of charcoal he lit on fire, and he screamed even more in pain as he was burned horribly!

Then, Caleb Maxwell stepped into the charcoal, and when Noir Vulture saw him, the flames around Caleb Maxwell's legs combined with his crimson red eyes giving off a cold heartless darkness towards bastards like himself, it was like facing The Devil himself.

WE WERE PRETTY SCARED AND HORRIFIED: CALEB MAY HAVE BEEN BROUGHT BACK TO LIFE IN 1993 EIGHT YEARS AFTER HE DIED IN 1985 IN THE WORLD OF NIGHTSHIFT, BUT THE ANGER AND RAGE OF THE DEAD STILL LINGERED INSIDE HIM, AND HE KEPT GOING AT HIM SHOOTING AND BLASTING THE COPRSE UNTIL HE WAS GONE!

Caleb got back out, but he was still breathing heavily and his blood tears was running down even more!

We cheered as we holstered our weapons and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, one-hundred massive and long purple and light purple wolf tails, longer white and purple-streaked tail and horns, and longer Twilight Sparkle, Mean Twilight Sparkle, and Midnight Sparkle tails, large gold halos with four large orbiting gold rings on each corner behind the heads and large gold Yata no Kagami mirrors with gold lightning bolt ring-shaped frame and embedded gems behind the large gold halos and four large gold Yata no Kagami mirrors with gold star ring-shaped frames and embedded gems behind the four large orbiting gold rings, one-hundred large purple and pink planets orbiting around the legs, one-hundred smaller purple and pink planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized purple and pink planets orbiting around the wrists and ankles, and massive purple and white angel wings and purple demon wings and Midnight Sparkle wings and ninety-nine sets of large purple and white angel wings and purple demon wings and Midnight Sparkle wings underneath the massive purple and white angel wings and purple demon wings and Midnight Sparkle wings of Gaia Twilight, Allie Madrigal, Catherine Fontaine, Harmony Sparkle, Twilight Velvet, Stellar Sparkle, Tabitha Twilight Sparkle, Talia Mean Twilight Sparkle, and Mariah Midnight Sparkle are permanent.

Finally, the charcoal pit disappeared, and Caleb was about to fall to his knees, but Cage Blunt caught him and Caleb's blood tears kept falling even more.

Me: Caleb..., is he...?

Cage Blunt: He's gonna be okay.

Jack Howard: But, you guys have to remember what he went through: when he got into high school, he was betrayed and attacked physically by Drake Maxwell who turned from loving younger brother to ruthless gangster when the lure of easy money and the generational curse of evil from Marcus Maxwell's scumbag relatives came to life along with running from him and his gang every night when Caleb got into college, and that led to his life shortening to a very dangerous degree that he'd die a year later, hated by others due to the crimes of Drake Maxwell, betrayed by those who he thought were his friends only to show their true colors, seeing the tragic murders of his true friends who stayed true to their friendship with him back in high school and college, dealing with the vampire massacre at LaGuardia High School during his senior year and New York University a year later in 1985, running from two vampires who were drunk on Demon Blood, finding out about the connection he has to the vampires thanks to his mother's parents, his grandparents on her side, saving a vampire from the ruthless relatives of his dad in the 1940s, and finally, Caleb's own murder by his brother, Drake Maxwell.

Nico: Still, what we saw from him, that was really dark!

Roxy Drake: Just as you guys had seen, Caleb's life went from good to dark, and when he came back from the dead eight years later in 1993 because of Lincoln's Dark Side Eternal Purification spreading around the universe and into our world, Caleb Maxwell woke to a world that changed and he missed out on those eight years, and it left him with a desire for revenge on his brother and those who betrayed him.

Captain Whitten: But, despite that, he kept his humanity in tact especially after his transformation, yet his desire for revenge and blood was always on his mind. But, when Claw Dane Drake showed Caleb the truth as to why his dad had gone into that life of crime and it was thanks to his scumbag relatives, that broke the dark hold on Caleb, and after he killed Drake Maxwell and his scumbag relatives and sent them to The Black Abyss forever, he finally closed a long dark chapter that haunted his life since high school.

Timothy Maddock: His life went from good to dark when he got into high school, and he'd been haunted by the past back then, and even now, after his resurrection and transformation.

Lincoln: He missed on a lot.

Caleb Maxwell: I was going to miss out on all of it anyways because I would've died a year later in 1986, but on Halloween night in 1985, that fate was given to me early.

Lincoln: Now, we know a lot about your life and we now know what to expect when this sort of thing happens.

Nicole Travis: That was fun!

Me: Yeah it was!

Horsea: YEAH!

Nico: Also, if Puff HAS killed anyone, they had it coming.

Maria: Wait! Actually she did! But in my days in the Metabreed they were a bunch of rapists. Like Ebon said, we in the Metabreed hate Rapists with a passion and she snapped their necks and melted their bodies with her vapors.

Francis: Hey, we might have been bad guys back then but even we had standards!

Teresa: Yeah we had limits when it came to being bad guys. We hated rapists with an absolute passion!

Me: I remember that! You said so yourselves. Also if there is one thing I HATE MORE THAN ANYTHING it's Rapists!

Nicole: Me too dad!

Nicole Travis: Okay I'll have to see it to believe it.

Me: I understand.

Tracer: Indeed.

Nico: Nice job, Polteageist!

Polteageist: Thanks love it was fun.

Luna: I love your British Accent. It's perfect because of Mick Swagger too. He is from England.

Polteageist: Good show!

Poromon: Want some beer? OH MAN! WHOA!

Horsea: We have to use the restroom!

Nico: It's over there!

He pointed to it and they went in.

Mascots: Ahhhh!

They were relieved.

Me: All that tea made them go to the restroom.

They came back.

Poromon: Ahh. That's better.

Me: Good.

Poromon: Now, what were we saying?

Me: You were asking Polteageist if she wants a beer.

Poromon: Oh yeah.

Polteageist: Oh no thank you loves. I only drink tea.

Me: That's okay then.

Poromon: That's okay.

Poliwag: (Does Puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Me: I honestly don't think the Puppy eyes work on a Polteageist.

Nico: Oh, Yamato Man, what do you like to do in your free time?

Yamato Man: I like to teach how to do my Yamato fighting styles in the dojo and it is good fun for my students.

Me: That is cool!

Qin: Yep.

Nico: Good job.

Ymir: Awesome. Oh J.D. I'm sorry to bring this up but I heard that Nico dressed up as a woman and it was embarrassing.

Me: (GROANS IN EMBARRASSMENT) OH YOU HAVE NO IDEA! Also It was something Nico wanted to do from LupinRangers VS PatRangers. Also it was also based on something from F-Troop that I remember watching with my dad a while back and that was funny! It was where Agar was wearing a dress.

Agar: (In a falsetto Woman's voice) YOOHOO! LOCO BROTHERS! LOOK WHO'S HERE FOR YOU!

We laughed hysterically!

Keiichiro patted Nico on the back.

Keiichiro: I feel your pain

Nico: Yeah that was crazy.

Me: But that scene from F-Troop always cracks me up.

Varie: Me too! Candle Jack loved that scene. He told me so himself.

Ymir: (LAUGHS) That is really funny.

Varie: Oh Hay Lin lets look at that wound.

Hay Lin was hurt bad.

Varie healed her up.

Hay Lin: OW!

Varie: Man he slashed you good.

Maria: I know the feeling too.

Maria showed her scars too.

Nicole Travis: YIKES! How did you get those!?

Me: An underwater research colony was overrun with predatory creatures from Walkatrout's home planet and they were killing everyone there left and right and one of them slashed Maria across her back and cut her bad.

Horsea: It's true

Me: Yeah.

Walkatrout: Those creatures were really scary too.

Shanan: They were called Ickthyperambuloid Piranha Walkers.

Nico: YEAH! I remember that!

Me: That was a trip that turned from a Research expedition into a Nightmare from Hell.

Nicole Travis: What did these creatures look like?

I showed a hologram of one and it was scary.

Nicole Travis: WHOA! Look at those teeth!

Me: A bunch of them reduced a shark into a skeleton in 5 seconds!

Ymir: Holy fuck!

Horsea: And I couldn't stop it!

Nico: It wasn't your fault Horsea. But we got a bunch of people out of there safely.

Me: Yeah.

Nico: Now for the Anothers

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is The Keyblade Knight of Element City.

Me: Element City's Keyblade Knight? Wow!

Qin: WOW! We never met that one.

Lincoln: And we have an Another Bloom too.

Me: Whoa!

Bloom: Another me!? Wow! That is cool!

Me: And it is your day to shine too so that means the main mission is gonna be where we face Yost Dr. Doom. And it'll be a good warmup for when I face him in some unfinished business I have with him.

Laney: That is for sure!

Me: Yeah! So we got Another Shield Sheldon, Imperious (X-Squad), Kingsnake, Elec Man EXE, Trent (Yugioh) and Dingo.

Nico: Yep. So Yamato Man, Mera Aino, Venus Vennu, Yamato (One Piece), Yamato (Naruto) and Yamato (Kantai Collection) are up!

Qin: They sure are.

Nico: THERE THEY ARE!

We saw Another Imperious (X-Squad), Kingsnake, Elec Man EXE, Trent (Yugioh) and Dingo.

Me: WHOA! This will be awesome!

Qin: Cool!

Another Kingsnake: (In a girls voice) It sure will!

They reverted back and were the gene-slammers of Nimble Momonga, Nimble Sunfish, Nimble Manta, Nimble Beaver, Nimble Angler, Nimble Musasabi and Super Nimble Mega Hamster!

Nico: (GASP) The Nimble Sisters! Guys meet Ruby, Amber, Topaz, Emerald, Sapphire, Cobalt and Amethyst Nimble. They are the best dodgeball players ever and have won all kinds of championships that rival us.

Me: WHOA! It's an honor!

Emerald Nimble: You too J.D.

Lynn: I love all your matching sports clothes.

Sapphire Nimble: Thanks Lynn.

Kick Buttowski: I wonder how you would fair against all of us.

Me: You heard about how we play dodgeball right?

Amethyst Nimble: We sure have and you guys do amazingly well.

Becky Blickensdurfer: That is so awesome! Maybe I can challenge you all too.

Girl Jordan: Same here.

Ruby Nimble: Your challenge is on.

Me: Whoa! This will be cool! Also is the Another Shield Sheldon and Bloom friendly or hostile?

Topaz Nimble: Friendly but the Another Bloom has terrible problems.

Me: Like what kind?

Amber Morning: It's best if you see for yourself.

Me: Okay.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Nico: And now we wait.

Me: Won't be long.

Qin: Yeah.

Apple Bloom: LOOK OUT!

We ducked and saw a Bowling Ball fly over us and then...

KRABLAM!

?: OW!

We saw the Another Bloom get hit in the face with it!

Me: OOH! OUCH! That had to leave a mark!

We saw Another Shield Sheldon too.

Me: There they are.

ZOOM ZOOM ZOOM ZOOM!

SMASH WHAM BASH WHOMP!

ANOTHER BLOOM GOT HIT WITH 4 SHOT PUT BALLS IN HER FACE, STOMACH, CHEST AND CROTCH!

Me: OOH! OUCH!

Another Shield Sheldon: (In a girls voice) She can't help it. She is REALLY CURSED big time.

She reverted back and was the Keyblade Knight of Element City.

Lincoln: Eleanna Element! I knew it!

Eleanna Element: Good to see you Lincoln.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Eleanna Element, Keyblade Knight of Element City, she's Lincoln's Guardian Angel from Element City and she's a powerful force of epic power to be reckoned with. She's The Keyblade Knight of Element City from the 2023 movie, Elemental, and she's a powerful master of the powers of Fire, Wind, Earth, and Wind, and she has one angel wing for each element. She's a powerful force of nature and also has elemental powers that are 10,000,000,000 times more powerful than all the elemental powers and superheroes combined, and she's also the strongest Firebender, Earthbender, Waterbender and Airbender too and her skills are stronger than anything even the Fire Lord times 100,000,000,000! She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained him with mastering the powers of Fire, Wind, Earth, and

Wind, along with all her moves and skills, and over time, Lincoln gained all the powers of Fire, Wind, Earth, and Wind, and his elemental powers also became 10,000,000,000 times more powerful than all the elemental powers and superheroes combined, and he also became the strongest Firebender, Earthbender, Waterbender and Airbender too as he also gained skills that are stronger than anything even the Fire Lord times 100,000,000,000, and she also helped him bulk up in muscle, and she hates Scoots and Lynn with a vengeance.

Ember: WOW! It's awesome to see you again Eleanna.

Eleanna Element: You too Ember.

Wade Ripple: Yeah that is awesome.

Lincoln: Yeah.

Eleanna Element: And I have all of Shield Sheldon's powers too.

Me: Neat!

WHAM!

A basketball hit the Another Bloom in her face!

Me: GEEZ! Your friend REALLY has had it rough!

CLANG!

A Bear trap clamped on her butt!

WE WINCED!

Nico: Who's your friend?

Another Bloom: (Spits out teeth) Someone who needs the help of her sister.

She reverted back and was a mini-version of Bloom but had purple hair and had purple wings and was horribly MANGLED up!

Me: OH MY GOD!

Nico: GEEZ!

Bloom: (GASP) Hyacinth!

Me: My god! What happened to you!?

Hyacinth: I am cursed!

She showed a mark on her arm and it looked like a burning four leaf clover and it had a skull on it!

Brittney: (GASP) That symbol!

She pulled out her book on Supernatural curses and found it!

Brittney: Oh man! That's the symbol of the Bad Luck Curse of Beshada!

Me: The Evil Greek Goddess of Bad Luck?

Brittney: The very same. She cursed her with eternal bad luck that gets worse every time.

Kaito: (gets out Denziman gear) Did Swartz promise you anything?

Zocks: (Gets out Battle Fever J gear) Because we can grant it instead.

They got weapons for said rangers.

Eleanna Element: Not for me but for her. He promised to get rid of this curse.

KRABLAM!

Hyacinth got smashed in the face with an anvil and her teeth got knocked out!

Then a boxer came and SMASHED HER HARD ALL OVER!

KRABLAM! SMASH WHAM BIFF WHOMP BLAM!

She got brutally punched and bashed big time!

Hyacinth: (Dazed and stupid) Mommy please give me some cake!

Brittney: I'm afraid he can't do anything. The only way to get rid of this curse is to transfer it to another by letting them get hit with her luck from an object after they dodge it.

Sougo (gets out Denziman Ridewatch): Samson knows how you feel

Geiz (Gets out Battle Fever J Ridewatch): He can definitely relate.

Sougo got DenziRedArmor while Geiz got BattleJapanArmor

Me: Yeah

Samson: It's true. Many of us went through that.

Hyacinth: I know.

Then the next object came and then she ducked under it and it hit a back robber and then the mark vanished on her arm and she was free!

Hyacinth: (FAINTS)

We brought her over and she was REALLY MANGLED UP!

Nico: Boy she had it rough!

Varie: We'll get her to the infirmary after we're done here.

We separated them.

Me: Lets get it on!

Nico: (Gets out Shield Sheldon's ridewatch) This is gonna be a Shell of a Good time!

May: (Gets out Kingsnake's ridewatch) This snake is ready to strike!

Universe 666 May: (Gets out Elec Man EXE Ridewatch) This is gonna shock you!

Maria: (gets out Trent's ridewatch) This tree is gonna pound you!

Mera Aino: (Gets out Imperious (X-Squad's ridewatch) I will unleash the magic!

They used the powers of Shield Sheldon, Imperious (X-Squad), Kingsnake, Elec Man EXE, Trent (Yugioh) and Dingo and blasted the Anothers all over!

Me: YEAH! Then Blizzard Wolfang, Changeling, Brain Sucker, Ultimate Conqueror, Venus Malgam and Darkness Combined Beast Arajibiray came.

Me: WHOA!

Nico: Nice team Blizzard Wolfang!

Blizzard Wolfang: Thanks Nico.

Me: That means Centaur Man and his team are up.

Centaur Man: That's right.

Venus Malgam: HOLY CRAP! What happened to her?

Nico: Long story.

Me: Yeah.

But then out of a swirl of rainbow Music Notes and darkness came Number 76: Harmonizing Gradielle and Number 75: Bamboozling Gossip Shadow!

Nico: WHOA! Number 76: Harmonizing Gradielle and Number 75: Bamboozling Gossip Shadow!

Me: Cool!

Number 76: It sure is!

Number 75: (In a girls voice) And I have some good gossip

Miku Hatsune: (GASP) Mira!

Nico: Mira Hatsune and Sonya Gossa!

They reverted back and Mira looked like a twin version of Miku and Sonya had black hair, purple eyes and black clothes and wings and had a shadow staff.

Sonya Gossa: Good to see you Nico. We got this.

Mira Hatsune: Yeah. 76 SYMPHONIC BEAMS!

Sonya Gossa: 75 DARK TRUTHS BLAST!

They fired waves of rainbows and darkness and smashed the anothers and I caught the Ridewatches and purified them!

Me: YEAH! Wait Sonya I recognize you. You are the Whistleblower Dark Truth.

Sonya Gossa: That's right.

Qin: Yep and she is one with the shadows when it comes to journalism and beyond.

Nico: But nice job!

Mira Hatsune: Thanks Nico. It was cool.

Me: Yep.

Mera Aino: Do you two have good memories of Nico?

Mira Hatsune: We sure do. Mine is where me and Nico went into a Karaoke club and we sang the guttwrenching song My Heart Will Go On and we left the club in tears and it flooded the club.

Me: WHOA! Guttwrenching.

Sonya Gossa: Yep. Mine is where me and Nico busted the evil Las Vegas Mafia and got them all sent to prison forever. We dug up lots of dirt on them and got them sent to prison.

Me: WHOA! That is amazing!

Qin: Yep. Largest ever arrest on record.

Sheila: I remember that. Over 59,000 mobsters arrested in one day. Big record.

Lola: Wow!

Nico: Yep.

They hugged.

Nico: I've missed you girls.

Mira Hatsune: Same here.

We went back home.

But, this time, Lincoln's going to absorb them and assimilate their powers and send them to The Black Abyss forever.

We had all of TLPS and The MOE with us.

Lincoln: Ah, we're here in Romania, and I know what we're going to do here, not only am I going to rescue the two girls here, but we're going after Death, Isaac, Dario Bossi, Graham Jones, Dmitri Blinov, and Galamoth from Castlevania, ever since I got rid of Dracula and Carmilla since they were among the villains resurrected by Dark Chase Young, they wanted one thing: revenge. But, this time, I'm going to absorb them and assimilate their powers and send them to The Black Abyss forever.

Nicole: Figures the last of the forces of darkness from Castlevania would make their move. But, we got a chance to get rid of them forever.

Nico: And rid the world of Mathias Cronqvist A.K.A. Dracula for good.

Me: We'll make sure he's nothing more than a forgotten memory.

Yamato Man: Right. So, who should we go after first.

Suddenly, we saw Death, Isaac, Dario Bossi, Graham Jones, and Dmitri Blinov coming for us!

Soma Cruz: I think that answers our first question.

Lincoln: I got them!

Lincoln fires beams of psychic energy that immobilized Death, Isaac, Dario Bossi, Graham Jones, and Dmitrii Blinov and brought them to us. Then Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into Death, Isaac, Dario Bossi, Graham Jones, and Dmitri Blinov, and he began absorbing him and he assimilated Death's Immortality, Divine dark powers, Control over demise and undeath, Control over departed souls, Summoning demons and restless spirits, Flight, Illusions, Teleportation, Intangibility, Countless homing sickles, Incredible fighting skills with his scythe, Mastery of dark rituals, High intelligence, Manipulation, and Strategic mind, Isaac's Considerable dark powers, Considerable mastery of alchemy, weapons and familiars forgery, familiar summoning, and Superhuman fighting skills, Dario Bossi's Pyrokinesis, Teleportation through fire, transformation, and Aguni's fire powers, Graham Jones' Charismatic personality, Control over his cult, Mastery of Dark magic, and Control over the Castlevania's dark powers, and Dmitri Blinov's Mimicry and Combined power of every demonic soul he absorbed, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS)

When Lincoln was done, nothing was left of Death, Isaac, Dario Bossi, Graham Jones, and Dmitri Blinov except for their clothes and he drained their souls of every last bit of energy and he sent them to The Black Abyss and he let out a massive wolf roar as he pounded his chest like a gorilla.

Lincoln: Now, it's time to get after Galamoth. He wanted to be the one to kill Dracula, so he's pissed off that I was the one who killed him before he could, and he'll be out for revenge. Too bad for him, I am ready for him. Let's go.

We then went off to confront Galamoth, so that way, Lincoln can absorb him and assimilate his powers, and then, he can drain his and send him to The Black Abyss as well.

We arrived at Galamoth's castle, and there we met the villain himself: Galamoth.

Galamoth: So, you made it this far! Now, I can crush you all and become The Dark Lord! You ruined my chance to kill Dracula myself, you will suffer!

Nicole: Not happening, Galamoth. Besides, you were never any match for Dracula, and now, we're gonna make sure you never become The Dark Lord ever.

Lincoln: Time to die, Galamoth.

Andre Lupescu fired a massive wave of snow, ice, and darkness at Galamoth and they hit him.

But, before Galamoth could attack, he was hit by blasts of blue energy and ice, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long dark silver hair and ice blue flower in her hair, purple eyes, massive blue angel wings, she has a Vegvisir and Tanngnjostr of the Nordic Beasts on her forehead, right arm, ice blue sleeveless crop top, and ice blue skirt, white gloves, blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, snow, ice, phoenixes, and angels on the coattails, and on the back is Tanngnjostr of the Nordic Beasts, she has an ice greatsword in her right hand, and with her are the two girls.

Lincoln: (GASPS) Emilie Kristiansen, Avatar and Gene-Slammer of Tanngnjostr of the Nordic Beasts.

Emilie Kristiansen: (Norwegian Accent) That's right, and I got the girls away. Now, we can finish him off.

Andre Lupescu rose into the air and he charged down with his greatsword raised into the air, and as he landed...!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Galamoth, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed at him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON GALAMOTH! HE WAS REALLY GOING APESHIT ON THE ASSHOLE!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN SLASHED AT GALAMOTH WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIM AND HE SCREAMED IN AGONY!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to happen when we kill you.

Then, Andre Lupeau went after Galamoth and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at him with his silver-plated guns.

Then Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into Galamoth, and he began absorbing him and he assimilated Galamoth's Incredible dark powers, Control over Time, Control over Space, Powerful Lightning magic, Enormous strength, Magic weapons, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

When Lincoln was done, nothing was left of Galamoth except for his soul and he drained Galamoth's soul of every last bit of energy and he sent him to The Black Abyss and he let out a massive wolf roar and pounded his chest like a gorilla. We cheered as we holstered our weapons and powered down as we returned home to The World Tree Estate.

Nicole: And that is it for the forces of darkness from Castlevania!

Lincoln: That's for sure. Now, the terror of Dracula and his minions is finally over.

Me: After 1,000 years, now this whole nightmare has finally ended.

Nico: That's true, it's finally over.

Lincoln: The Belmont Clan's hatred towards Dracula has finally ended after 1,000 years, now the forces of darkness are no more. (To Emilie Kristiansen) And it's so good to see you again, Emilie.

Emilie Kristiansen: (Norwegian Accent) You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Emilie Kristiansen had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Emilie Kristiansen was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Emilie Kristiansen: (Norwegian Accent) Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Emilie Kristiansen's waist and hugged her, and Emilie Kristiansen is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and ninety-nine sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Emilie Kristiansen: (Norwegian Accent) My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and ninety-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Emilie Kristiansen, Avatar and Gene-Slammer of Tanngnjostr of the Nordic Beasts, she's Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Tanngnjostr. Emilie Kristiansen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Nora Baardsen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Tenngnjostr, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Tanngnjostr, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there is one person whom she'd been wanting to kill all her life: notorious rich playboy and world conqueror Hector Con Carne. It turns out she was after his head for years because of his schemes to rule the world, but when the news hit of him being blown to pieces, she considered her mission over that was until she found out his brain survived stomach too and was attached to the body of Boskov, and she swore to destroy him, this time, forever.

Me: Lincoln told us everything yesterday, so you've been after Hector Con Carne for years.

Emilie Kristiansen: (Norwegian Accent) Yes, I have, and I also had personal reasons. Thirteen years ago, my father, Noah Kristiansen, was a secret agent in The Norwegian Secret Service, he was an assignment to track down and apprehend Hector Con Carne, but he was caught by some of his guards, and...! He..., he was murdered, and to make it worse, he sent my dad's bloody badge to my mother, Nora Kristiansen. She was left with a bad case of depression and I was also hurting as well. I tried to help Mom and I recover, but when I was thirteen, she killed herself by hanging herself.

WE GASPED IN HORROR!

Lincoln: I can't believe it, so that's why...! (GROWLS)

Lincoln turned angrily at Hector Con Carne who was already panicking.

Lincoln: You miserable lowlife conniving disembodied lowlife! It's bad enough you caused that much trouble in the past, but what you did, you crossed a severe line murdering my Guardian Angel's dad and it also caused her mom to commit suicide! You ruined Emilie's life with that cruel action, if Vypra hadn't recruited you to The Masters of Evil back then, I wish I could kill you with my own two hands!

Hector Con Carne: (SCREAMS LIKE A LITTLE GIRL)

Hector Con Carne ran behind the others and we saw steam blow right out of Lincoln's nostrils: he looked like an angry bull!

Me: You really pissed off Lincoln big time, Con Carne!

Vypra: I agree completely. But, consider yourself lucky you're still a worthy member of The M.O.E. and you're on a tight leash so you won't come up with plans to take over the world, but just so you know, you're on fucking thin ice, Hector Con Carne! Cross me and I'll throw you to Lincoln who'll eat you and your stomach!

Hector Con Carne: (SCREAMS LIKE A LITTLE GIRL)

Lincoln: Yuck! You can actually do what you want to him, Vypra, besides I don't eat rotten brains like him, and now that you're here, Emilie.

Lincoln with his massive muscular arms still wrapped around Emilie Kristiansen's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Emilie Kristiansen: (Norwegian Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck ofEmilie Kristiansen with grey gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Emilie Kristiansen: (Norwegian Accent) (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Emilie Kristiansen.

Emilie Kristiansen had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Emilie Kristiansen's waist, and he leaned down to her face and kissed her on the lips, and with Emilie Kristiansen's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Emilie Kristiansen had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Emilie Kristiansen: (Norwegian Accent) (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The two girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the seven girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the two girls are Shiori Arima and Mai Kurokawa from Heartful Maman.

Lincoln: Oh whoa, it's Shiori Arima and Mai Kurokawa from Heartful Maman.

Nicole: So, those were the girls Emilie rescued, and Travis and Red were right to tell Dad and the others to hide, they're voluptuous.

Lincoln: And targets for perverts, if I see them, I'll tear their noses off. Are you girls okay?

Shiori Arima: Yes, we're okay, thanks to you.

Then, when Shiori Arima and Mai Kurokawa saw who it was that saved them from the last group of Dracula's minions, their faces turned atomic red upon seeing the 12'6" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting gold rings, intense rainbow flame patterns and fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec and rainbow sun and moon and rainbow flame patterns and rings appear on his legs and obliques, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon and The Gods and Goddesses of The World, Reincarnation of Amaterasu, Almighty Master of Light, The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, Defender of The Digital World, Emissary of The Royal Knights, The Olympos XII, The 10 Legendary Warriors, The Digimon Sovereign, and The Celestial Digimon, Member of Athena's Saints, The Loud

Shiori Arima: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made a clone of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Mai Kurokawa: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Shiori Arima and Mai Kurokawa with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That was one awesome battle, now we're finally rid of the forces of darkness from Castlevania.

May: After 1,000 years, this was a fitting end to the Belmont Clan's struggle against Dracula.

Lincoln: Now, the world is safe from Dracula once and for all.

Nico: That's for sure.

Me: Sorry you had to see what'd happened to your former friend, Leon.

Leon Belmont: There's no need to apologize, J.D., Mathias made his choice long ago when he chose to betray God and become a vampire, just as I made my vow that my clan would hunt him down and destroy him. Now, it's finally over.

Nicole: What your friend did was born from a hatred of God because of a tragic incident that was far beyond his control, and the choice he made sealed his fate.

Caleb Maxwell: I get his wife died from illness while on the crusade, but what he did turning his back on God and becoming a vampire and unleashing horrific vengeance on the world, he damned his soul and he crossed the line of no return when he attacked mankind.

Eli: He didn't deserve to live not after what he did.

After Lincoln and all of us got rid of the last of the forces of darkness from Castlevania, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Emilie Kristiansen saw Lincoln doing

900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Emilie Kristiansen: (Norwegian Accent) My God, I was right that Lincoln's really grown into an 18-year-old 12'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Emilie, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Emilie Kristiansen: (Norwegian Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Emilie Kristiansen: (Norwegian Accent) I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Carla Claw got out a tape.

Carla Claw: Okay, now this tape I got here, this was from a month to the day Caleb returned to New York and it had been five weeks since Mad Cat Max stopped Caleb and freed him from Sebastian's curse. Of course, Caleb was still going on violent attacks against Drake and his minions and killing more Syndicate associates from the past, and he still has his run-ins with us though not as violent and deadly as before, but he still tried to send us running. However, he was about to have a run-in with two hunters with a connection to his mom's brother-in-law, Vincent Maxwell, as he made his way to Chinatown to hunt down two Chinatown punks trying to kill us and make a name for themselves along with robbing us blind, which was an impossibility.

Carla Claw put the tape in and it played on the big screen and it showed New York at night, and just as she said, it was a month to the day Caleb returned to New York and it had been five weeks since Mad Cat Max stopped Caleb and freed him from Sebastian's curse, and Caleb Maxwell was still on the prowl for Drake and his minions along with the Syndicate associates from the past.

Past Caleb Maxwell: Drake and his minions are still hiding in the old subway tunnels in Manhattan, and the Syndicate associates from the past: those who are still alive, are still trying to find a place to hide. They know their time is up by the time I catch them, and when I do, I will make them wish they got caught by the cops.

Suddenly, Caleb Maxwell overheard a police message saying The Big Claw Gang's in Chinatown, and there are two punks trying to kill them.

Past Caleb Maxwell: Ugh, Chinatown punks, always starting trouble. But, if they're after The Big Claw Gang, I don't know if Drake is behind this because he's too stupid to make any plans like this. But, those two Chinatown punks, they can start trouble and try to kill The Big Claw Gang just to make a name for themselves. You filthy animals, I'm coming for you. By the time I get done with you, you'll wish one of the Chinatown gangs have killed you.

Caleb flew off to Chinatown to confront the two punks. Just then, he spotted them trying to attack Claw Dane Drake, Ichiro, Nekome, Sally Gamble, Carla Claw, Panther, Shroud, Chester, Crowe, Mad Cat Max, Patch, and Hex. The two were a white-furred male cat with black hair and black tail and street clothes and a brown-furred male cat with blue hair and blue tail and street clothes.

Past Caleb Maxwell: There they are. Wait, those punks, they're Li and Fu, two-bit punks from a local gang in Chinatown, and they're among the punks who tried to kill me in the past. Now, they're going after The Big Claw Gang. Time to drive them away.

Caleb Maxwell fired swarms of bats that sent the two punks running into an apartment to the north of Chinatown and he followed.

Past Caleb Maxwell: Gotcha, you punks.

But, then, Caleb was met by two males: the first is a male beige-furred cat with long black hair tied in a ponytail, black tail, blue eyes, and he was dressed in street clothes and the second is a male brown-furred cat with long brown hair tied in a ponytail, brown tail, green eyes, and he was dressed in street clothes. Suddenly, Caleb saw they had curved Chinese broadswords in hand and he soon saw who they were.

Past Caleb Maxwell: Those curved broadswords, are you Johnny "Dragon Fist" Chen and Ryan "Viper Fist" Chen A.K.A. The Chen Brothers?

Johnny Chen: Maybe?

Past Caleb Maxwell: Don't lie, I'd recognize those swords from anywhere, and you two are known as Chinatown's best Kung-Fu fighters and master swordsmen.

Ryan Chen: Alright, so you know about us, but you realize that's a dangerous thing, right? (Sees Caleb Maxwell's eyes) Wait a second, those eyes full of darkness and blood. You're Caleb Maxwell, The Dark Angel of Vengeance.

Johnny Chen: You're right, there's no mistaking those eyes of darkness and blood. Those two punks you sent here, we got orders from your uncle, Vincent Maxwell, to take them out. They brought shame to their families.

Ryan Chen: But, if you're here, this means those animals must've made a deal with Drake Maxwell. Let us make a call to our boss.

Johnny Chen went to a payphone and called Vincent Maxwell and told him everything. Then, as they were done, he hung up and went back to Caleb.

Johnny Chen: Alright, your uncle said they're yours.

Ryan Chen: But, only if you let us catch them first.

Past Caleb Maxwell: Understood.

They went in, and they kicked the door to their room down.

Past Caleb Maxwell: Time to die, dumbasses.

Johnny Chen: Time to pay for your sins!

Li: Crap, it's The Chen Brothers!

Fu: And Caleb Maxwell?! Oh Hell NO!

Ryan Chen: You brought shame to your families! Die!

Johnny Chen knocked out Li with a high kick and Ryan Chen knocked out Fu with a chop to the neck.

Johnny Chen: It wasn't bad enough you not only dishonored your family, but how dare you hurt the innocent along with making deals with Drake Maxwell.

Ryan Chen: Animals. Now, it's time to pay.

Caleb Maxwell tied them up and brought them to an empty alley in Chinatown, and then...!

BANG! BANG!

He shot them both in the chest, and they fell to the ground dead. Then, he fired blasts of dark fire that incinerated them into ashes.

Past Caleb Maxwell: Rot in Hell, you pieces of shit.

Johnny Chen: Your uncle warned us you were no longer the same person from back in your youth and you became severely depressed with physical scars to back it up.

Ryan Chen: We also heard of what you did in killing those responsible for what happened to you after you came back. I knew that it was you.

Past Caleb Maxwell: I knew Uncle Vincent would tell you two. But, tell him I'm not done, not by a long shot. My revenge has only just begun, the pain Drake Maxwell made me go through long ago along with killing me back in 1985, I'm going to make him suffer that same pain ten times over!

Caleb Maxwell left as the video ends.

Me: Oh man! Jeez!

Cage Blunt: Those two murders in Chinatown, I would've thought those two brothers would've killed them, but this was no doubt Caleb's doing.

Caleb Maxwell: And those two punks were among the Chinatown rabble who tried to kill me to make a name for themselves, I almost got that close to raising Hell in Chinatown.

Roxy Drake: That was until The Big Claw Gang drove you away and you let out a horrendous shriek at them.

Leela Salyers: I'll say, it sounded like it came from Hell itself.

Nico: Yeesh!

We got a shower, and then, Lincoln and Vinna Laval are heading to Miyako Island in Japan.

Lincoln snapped his fingers, and the 12'6", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Vinna Laval was dressed in a two-piece lava bikini The Musiqidandi Sisters and Zoey Tsukino made for her, colored sandals, and she had her weapons holstered in case of trouble.

Plus, we found out Vinna Laval had feelings for Lincoln, and he also had feelings for her, and he also saved her from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Vinna Laval: Wow, we're here in Miyako Island, it sure is beautiful.

Lincoln: It sure is, Vinna, and it's perfect for our first date, shall we?

Lincoln and Vinna Laval dived into the waters and as they started swimming, they saw the marine life that live in the sea. Then, they returned to the beach, and Vinna Laval gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but she also released some tension he'd been carrying.

Then, he did the same thing giving her a deep tissue massage, and when he was done, the girls were literally relaxed. Then, they had a game of volleyball, and they went to a workout area Lincoln created, and Vinna Laval got an extremely massive and deep atomic red blush on her face when they saw Lincoln lift one-hundred and two massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and one-hundred massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Vinna Laval: (Swooning) What a handsome and manly wolf hunk. (Thinking) And with what I've got in store for him tonight, he's gonna be in for a wild time.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Vinna Laval and he hugged her in his abnormally massive and powerful muscular arms, and Vinna Laval placed her hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had her lying down on the beach towel with him on top.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into her right trapezius and he began feeding on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from her right trapezius as it healed and the puncture marks sealed up, and he also kissed where he bit her. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Miyako Island, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Vinna Laval with red gems on the gold lightning bolt links and orange crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her necks.

Lily the Mermaid: Wow, Vinna Laval are now in your harem, Linky.

Vinna Laval showed the marks Lincoln made on the right side of her trapezius.

Me: I knew Vinna was a smoking volcanically hot girl, and she made a lot of guys get nosebleed launches.

Sakura Knudson: You almost did the same thing too, but when she met Lincoln, she almost got a nosebleed launch until Lincoln caught her, and right there, he kissed her on the lips and she returned it.

Jenna: You had no trouble at all.

Vinna Laval: Not at all, and I not only gave Lincoln a deep tissue massage, but he also gave me the same deep tissue massage, and he certainly had me swooning when he lifted one-hundred and two massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and one-hundred massive and long wolf brown tails, and I was really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta,

NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad

Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Yost Dr. Doom starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

We saw the mascots heading out.

Yost Invisible Woman: So you're visiting DK Island?

Poromon: Yep and we're going to bash some bad Kremlings.

Donkey Kong: All right! Haven't had some action in a while.

Diddy Kong: Me neither.

Xenia: Lets all go with.

Nicole: I'm game.

Poromon: Okay!

We were off.

We arrived.

BONK! BLANG!

I fired a coconut and bashed a Kremling!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH A COCONUT!

Qin fired oranges!

BOOM BOOM BOOM BOOM BOOM!

She blasted 5 Kremlings with orange grenades!

Xenia: NICE!

Xenia fired arrows and bashed big Muscle Kremlings!

SMASH SMASH SMASH SMASH SMASH!

Varie: Good shooting!

Bloom: Good old Donkey Kong Island!

Donkey Kong: Good to be home.

We had a wager going on.

Animated Lugnut: What was the wager you all made again?

Nicole: Bash the most Kremlings and we get to have dinner at an awesome new chili restauraunt.

Nico: Cool!

Animated Lugnut: Okay it is on!

We bashed tons and tons of bad Kremlings!

Elita One: Take this!

She fired laser blasts and smashed them all over!

Then out came CAPTAIN KING K. ROOL!

Me: Uh oh!

Donkey Kong: King K. Rool!

King K. Rool: Been a while since we did this!

Donkey Kong: I know.

King K. Rool: Lets dance.

But then...

MASSIVE VOMIT!

A MASSIVE VOMIT BLAST HIT KING K. ROOL AND DRENCHED HIM AND BURIED HIM IN A MASSIVE PILE OF YELLOW VOMIT!

Me: OH SICK!

I looked at the vomit and smelled it and it was cheese!

Me: This is melted Cheese!

Nico: YUM!

Eli: But who did that?

Qin: Look!

We saw a Raticate!

Me: Whoa a Raticate.

Nico: Where did that come from?

But then...

MASSIVE VOMIT BLAST!

It fired a vomit blast and drenched Nico in Nacho Cheese Sauce and Limburger Cheese!

LIGHTHOUSE FOGHORN!

Nico licked himself!

Nico: YUMMY!

Nails: Wait I think I know who this is.

She used telepathy and gasped!

Nails: (GASP) Oh man! It's my sister Jackie!

Carol: OH MAN! I knew it was her! Nico you will like her. She has Cheese powers!

Maria: Yeah!

Nico: I like her already.

WE LAUGHED!

Qin: Yeah!

Carol: Lets go help her.

We went and faced her.

Nails: Jackie it's okay. It's me Allie.

All she did was use Bite on Horsea

CHOMP!

HORSEA SCREAMED IN PAIN!

Horsea: YEEEEEEEEOUCH!

Poliwag blasted her off Horsea with Hyper Beam!

SMASH!

Poliwag: YOU LEAVE HER ALONE YOU BUCKTOOTHED BUTTFACE!

Maria: Horsea, are you ok?!

Horsea: She bit me on my tail!

Maria: OUCH!

Nico: Yikes!

Me: Okay then!

We fired waves of energy and blasted Raticate.

I snapped my fingers and she was a girl with orange hair and orange eyes and had orange angel wings and had Raticate on her forehead and had a bunch of cheeses and a cheese fondue on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

She woke up to see Horsea's stern gaze.

Jackie Langford: (Groans) What hit me? A Horsea?

Horsea: YOU BIT ME ON MY TAIL!

Jackie Langford: Sorry. Wait. Carol, Allie, Maria?

Maria: Been a while Jackie.

She hugged them.

Jackie Langford: I am glad to see you.

Nails: We are too.

Me: You were turned into a Raticate by Dark Gale.

Jackie Langford: (GASP) I remember!

She was in a yellow suit and injected and turned into Raticate and smashed out of the lair.

FLASHBACK ENDS

Jackie Langford: It was awful.

Me: I know. But we destroyed them.

Carol: Yep. Jackie was given Cheese powers by the Quantum Vapor and she has the powers of all the cheeses from all over the world.

Me: WHOA!

Nico: Wait the Quantum Vapor did that?

Jackie Langford: Is that what that weird purple cloud was?

Me: Yeah it's an experimental biohazardous mutagenic gas. It mutated you and gave you powers.

Jackie Langford: That explains it.

Me: Yep.

Carol: It's how she got the Superhero name Cheddarfall.

Maria: One time Carmen DIllo came back wrapped in a cheese web and Shiv cut the cheese to get him free and it released a massive fart.

WE LAUGHED HYSTERICALLY!

Nico: That is funny.

Qin: Yeah!

Jackie: I'm so sorry, Horsea!

Horsea: It's okay Jackie. But I SWEAR IF I GET ATTACKED ONE MORE TIME I'M GOING TO GO BALLISTIC PRIMEAPE INSANE!

We gasped!

Me: (GULP!)

Maria hugged Horsea

Maria: Easy Horsea. Easy.

Jackie Langford: Oh I am the cheesemaster of the team and use cheese to get rid of our enemies. Outside the team I use my powers to go after bad guys.

Nico: Nice!

Rarity: Lets get you some new clothes darling.

The fashion brigade gave new new orange and yellow clothes and a Cheese Magisword.

Jackie Langford: I look awesome! One last thing.

She groaned and then...

POP!

Out came a molten cheese tail from her butt.

Me: Cool!

Harley: (to Jackie nervously) Listen, I know me and Red messed with your sister before. But hopefully, there are no hard feelings, right?

Red Hood: And your sister was in Gotham. Which is Bruce's turf.

Jackie Langford: I know all about that. Also...

POW!

She punched Harley Quinn in the face and knocked her down!

Harley Quinn: OW! I deserve that!

Jackie Langford: No hard feelings.

Poison Ivy: By Red, Harley means me.

POW!

She got socked in the face too.

Poison Ivy: OW! I deserved that as well!

Jackie Langford: No hard feelings.

We later went back home.

Manaphy: You know you can always use my cloning machine, right?

Horsea: I'm waiting for the right moment.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was Yost Dr. Doom, he's back and causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront

today: to our anger, it was Yost Dr. Doom, he's back and causing havoc.

EVERYONE GASPED!

May: I don't believe him!

Bloom: I knew he'd be back though, we knew about that this morning.

Me: Yep, now we can finish him off forever!

Nico: It's also practice as well.

Lincoln: When we get after Prime Universe Dr. Doom when Thing's time to shine comes.

Nico: We'll make that egomaniac pay for his crimes in the future when he shows up. Alright, team, let's get ready to head to New York.

Lincoln: Victor Von Doom, you're done, and this time, you are heading for The Black Abyss for good.

Ymir: YEAH! Wait J.D. you must have some kind of personal vendetta with Dr. Doom.

Me: Yes I do. I have a score to settle with him. The reason? I didn't get the opportunity to deliver the final blow back when we fought the first time. This was back when we met the Fantastic 4 the first time.

Ymir: Wow!

Nico: I remember that!

Me: Yep.

Ymir: What happened? Why weren't you able to do so?

Me: Dr. Doom blew himself up before I could kill him.

Ymir: Oh man!

Me: Yeah. This was back in 2018 and ever since then, I've had a nasty vendetta for that.

Nico: Yeah it's true.

Ymir: Oh man!

Camie: Yeah.

Me: Yep.

The previous group came.

Dolph: Can me, Kearney, Jimbo, Hank Scorpio, Wiggum, Krusty, Selma & Patty, Cargill, Rich Texan, Comic Book Guy, Skinner and Snake go with you guys?

Kearney: And what smells so good?

Nico: Me because I got innundated with cheese sauce. Also yes you guys can come with us.

Kearney:all right!

Me: Yep.

Top Man: Nico, which Gene Slammer do you think you'll meet next?

Jimbo: I hope it's a strong one.

Nico: Well Three of them this time. Number 74: Master of Blades, Number 73: Abyss Splash and Number iC1000: Numerounius Numerounia

WE GASPED!

Me: WHOA! iC1000 has the most powerful strength in the game. 100,000 ATK all on its own!

Qin: WOW! That is intensely strong!

Camie: It sure is!

Axel Brodie: Boy in a duel no one would EVER be able to match up to that!

Me: No kidding Axel.

Laney: Chances of going up against a monster with that kind of power are virtually impossible!

Qin: No kidding.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figures were in the vision: it was Anthony McCann. They're free and are heading for us to get revenge. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: You got to be kidding me! That was...!

Lincoln: Anthony McCann, Chandler's ex-father and notorious scumbag.

Lily Parker: Now, it's my turn to help deal with Chandler's ex-father and notorious scumbag.

Lincoln: I made a mistake sparing his life and imprisoning him in crystal two years ago, this time, I am getting rid of his ugly hide forever!

Nico: I think it's time someone knocked that asshole off his high horse forever and send him to The Black Abyss. Alright, team, let's go, the time to destroy Yost Dr. Doom has come!

Lincoln: Time to send him straight to The Black Abyss forever and make sure he never comes back, and once we get done with him, you are finished, Anthony McCann.

Lily Parker: You've done some really messed up things to your family for the last time, Anthony McCann, it's time you paid the price for your cruelty.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to New York to send Yost Dr. Doom straight to The Black Abyss forever, and once we get done with him, Lily Parker A.K.A. Glitter Peace and Lincoln are going to destroy Anthony McCann and send him to The Black Abyss where that asshole belongs.

We were off to New York City.

We arrived.

Me: Always good to be in New York City.

Spiderman: It sure is.

Wiggum: There's the Baxter Building

Patty: Let's call Brain Freezer.

Me: Good idea.

We did so.

Brain Freezer: This is gonna be fun.

Me: It sure is. Oh (To Yost Captain America) Steve while Bloom's adventures were going on were your adventures and (Refers to Yost Wolverine) Logan's adventures going on too before Princess Celestia and Princess Luna came?

Yost Captain America: Well, after Galactus from our world was dealt with, we had to deal with the normal supervillain attacks.

Yost Wolverine: And we had to deal with the MRD.

Misfire: And we all know what Yost Spidey was up to

Me: That is amazing.

Nico: It sure is.

Yost Captain America: Yeah and it was fun.

Selma: (to me) Let's try your idea you suggested earlier

Me: Oh right. Maria you better call puff in. Nicole I'm sorry but it's the only way to get you to stop hating puff.

Nicole Travis: Okay.

Maria called in puff.

Puff then came.

Puff: Hey guys.

Nicole Travis: (GROWLS) PUFF!?

I had us go to Glaren for it.

Puff: (GASP) NICOLE!

They growled ferociously!

Me: Oh God forgive me for doing this.

Puff: What the Hell do you want?

Nicole Travis: People seem to think we should have a heart-to-heart.

Puff: Well, my life was fine until you showed up again.

Nicole Travis: I've got a dozen reasons for killing you. You've got a dozen and one for killing me, so...

Puff: All the talk in the world is not gonna change a thing.

Nicole Travis: Exactly, here's my proposal. Glaren has no innocents here. So here, we let our fists do the talking.

Puff: When I kill you...

Nicole Travis: Then you continue your life as if nothing happened.

Puff: Hmm. And if you kill me, well, it's better than letting this go any further.

Nicole Travis: I'll take that as a yes.

Puff: Sound the bell.

Clown Man: I hope this works.

Me: Anybody got any popcorn?

Poromon got out some.

Poromon: Here guys.

Me: Oh thanks.

I activated Bobo the Vulture's ridewatch and sounded the bell.

DING!

THEY JUMPED AT EACH OTHER AND VICIOUSLY FOUGHT ALL OVER!

MASSIVE FIERY EXPLOSIONS BLASTED OFF ALL OVER AND THEY ALSO PUNCHED AND KICKED AND PULVERIZED EACH OTHER MERCILESSLY!

THEY WERE REALLY PULVERIZING AND BASHING AND SMASHING EACH OTHER ALL OVER WORSE THAN A BUNCH OF PRIMEAPE KILLING EACH OTHER!

Brain Freezer: I just want to say that I've been on a roll lately.

Rich Texan: Got that right

Me: You sure have.

The fight escalated brutally with them firing chemical blasts and fireballs and massive numbers of fiery explosions blasted off all over!

Qin: GEEZ! They are really going at it!

Me: They sure are!

We were going to be there for a while.

French Narrator: (French Accent) 1 Hour later.

They were on the ground HORRIBLY MANGLED UP WITH NASTY BLEEDING CUTS AND BRUISES AND BROKEN BONES ALL OVER THEM!

Me: WHOA!

We went over.

Me: HOLY FUCKING SHIT!

Armada Starscream: Puff's about to make another move.

Puff was about to punch a weakened Nicole but hesitated.

Nicole Travis: (weakly) We had a deal, Puff. Kill me and you move on. It's what you want, right? To get me out of your life?

Puff: (Groans) I can't. Go. On.

Me: Come on you guys. Look at yourselves! You guys have practically beaten each other viciously to the point where you can't move or do anything anymore. I think it's time you officially bury the hatchet and let bygones be bygones. What happened in the past should stay in the past. You guys are sisters.

Yost Mr. Fantastic: There was a room I made in the Baxter Building that could've served this purpose.

Skinner: We could've used that instead?!

Me: It slipped my mind on that.

Qin: Besides this is a better option. Also this is better than pinecone sitting.

Lazlo and the campers winced and felt the sting of the pinecones on their butts!

Me: So what do you say you two?

Gyro Man: It's obvious you two are exhausted by now

Nicole Travis: (Groans) You're right. Sister, I'm so so sorry.

Puff: Me too sister.

They tried moving their arms but were too weak to do so.

Nicole Travis: I'm too mangled up to move.

Me: You guys are gonna have to sit the rest of this mission out.

Snake: Or we can heal them.

Me: Or that. Darn it I keep forgetting.

I snapped my fingers and they were healed instantly.

Then we saw them hug and they broke down crying and wailing loudly!

Carol and Maria comforted them.

We were back on Earth.

Me: Glad we got that out of them.

Tengu Man: Now we should focus our attention on Yost Doom.

Poromon: (to Eli) And make sure he's not a Doombot

Eli: (Concentrates) He's the real thing thank goodness.

Me: Good. We can make sure he stays dead forever.

Comic Book Guy: Can you check if anyone's with him?

Eli: (Concentrates) WHOA! He has Lord Darkar, Countess Cassandra, Princess Diaspro, Wizards of the Black Circle and Dark Bloom!

WE GASPED!

Rachel San Diego: OH MAN! Been a long time since we saw them!

Bloom: OH WOW! This is gonna be rough!

Me: Now I can finish another old score with Darkar. I killed him before too,

Nico: Now that the Winx Club have different targets, we no longer have to keep any of those alive, do we?

Me: Well except for Dark Bloom, Princess Diaspro and Countess Cassandra. I have some plans for them.

Nico: Okay.

Me: Gonna have them put into the M.O.E.

Qin: Cool.

Me: The rest go to the Black Abyss.

Nico: Cool.

Bloom: Good.

Lincoln: (GASP) WHOA! This is gonna be a REALLY HOT one! I saw who we're facing as Bloom's Akuma! Her name is Domino Hyperhydra! The Hypothetical Akuma of Bloom and she is a deadly and ferocious 13-Headed Hydra made of pure fire! She has fire powers that are stronger than those of Trigon and has intense control over fire! She was made because of the Trix destroying Domino and she vowed to burn them with the intense and explosively intense power of fire times infinity!

WE GASPED!

Me: WHOA!

He showed us a sketch of her and she was a fire hydra made of pure fire and she had 13 heads of fire!

Me: WHOA MAN!

RD Lynn: That's hot!

Hercules: Hotter than the Hydra I know!

Qin: No kidding!

Flora: I was a ferocious terrifying plant monster for my Akuma!

Musa: And I was a mermaid with a terrifying thirst for blood!

Me: And now Bloom's Akuma is a Hydra of fire!

Eli: Yeah!

Me: Where is she?

But then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMM!

A MASSIVE AND INTENSELY POWERFUL EXPLOSION OF FIRE BLASTED OUT AND OUT WITH 13 HEADS AROSE DOMINO HYPERHYDRA! She was as tall as King Ghidorah!

WE GASPED!

She roared ferociously!

Nico: Um... Hi?

SHE ROARED FEROCIOUSLY!

Cargill: Bloom? Is that you?

She blasted massive and intensely powerful fire blasts at us and in a massive vortex of intense fire we absorbed all the fire!

Me: It is her but she is oone of those feral ones!

We got stronger and stronger by absorbing the fire at an accelerated rate!

Me: WHOA! Her power over fire is amazing!

Brain Freezer: Will you calm down if we said we're dealing with most of your enemies today?

She blasted him with intense fire and thawed him out!

All his ice melted!

Me: I guess that's a big fat no!

I fired massive blasts of water and it hit her and steam came off her! She roared in pain!

Nico: We'll restore you, Brain Freezer!

Lana fired waves of ice and froze him and gave him his cold back.

Brain Freezer: Thanks Lana!

Lana: No problem!

Brain Freezer fired numerous blasts of Noreaster Cold Blasts and froze her and steam came out!

She busted out of the ice and fired massive blasts of fire and we absorbed it and I fired massive waves of water and extinguished her and she was knocked out.

Me: WOW! She was infernal!

Babs Seed: Let's head to the Latveria of the Yost World. Hopefully, we can survive the traps there

Me: Good idea. We can use our powers to get around them.

Camie: Yeah.

We went to the Yost World and we were in Latveria.

Me: We're here.

We heard the malevolent laughter of Yost Dr. Doom as he's causing havoc in Latveria.

Nico: Time to put a dampener on his mood.

Lincoln: Let's do this. (Sensed Anthony McCann) Nice try, McCann.

Lincoln fired gold spider silk and tied up Anthony McCann who wastrying to attack us.

Lori: It was easy spotting you since you smell like a sewage dump. We'll deal with you later after we take care of our big problem.

We took off into the air to attack Yost Dr. Doom.

Yost Dr. Doom: (LAUGHING MALEVOLENTLY) GO AHEAD AND RUN, FOOLS! You can never hide from me!

BANG!

A gunshot rang out and scraped Yost Dr. Doom in the face drawing blood.

Suddenly, the spirits of The Fantastic Four appeared and they attacked Yost Dr. Doom and we also threw Anthony McCann in as well and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive fiery explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Yost Dr. Doom even more pissed off than ever.

Bloom: Remember us Metalface?

Me: Figures you'd return, Victor.

Nico: Too bad we're more than ready for you, and we're more powerful than last time.

Yost Dr. Doom: Impossible! No one is more powerful than Doom!

Lincoln: Oh, shut up already, you egomaniac.

Me: YEAH! Remember us Doom? I got a score to settle with you!

Yost Doom: You should've taken my offer when you had the chance. Not that it matter anyway since Luthor plagiarized my idea.

Krusty: That's right. You came up with the Time Portal idea first.

Me: So Luthor Stole that idea from you and Xaviax took it later on! Now I know who to blame for that and it's you, Luthor and Xaviax!

Yost Doom: That's right!

Me: Well we'll still kill you for it! Also Lord Darkar, you and your fucked up asshole bitches can come out now! No use hiding!

They came out!

Lord Darkar: Been a while J.D.

Me: I would say it's good to see you Darkar but I would be lying!

Stella: Countess Cassandra you have a lot of nerve showing yourself here after what you tried to do to my family!

Cozy Glow: Anyone else feel like he was expecting us.

Countess Cassandra: Yes. It's reunion time at Castle Doom!

Lord Darkar: YOU WILL PAY FOR EVERYTHING YOU DID TO ME J.D.! YOU TOOK AWAY MY DRAGON FLAME!

Me: I haven't taken away anything from you! Just your life! And Bloom is not a tool for your own amusement! Also for the record, Valtor is dead and you're looking at his killers! US!

Countess Cassandra: WHAT! IMPOSSIBLE!

Me: Nope. He's dead! And gone for good! You'll be joining him soon.

Bloom: Also Diaspro, there is nothing good to come from an arranged marriage!

Diaspro: I will have Sky!

Me: Sorry to disappoint you but Sky already is spoken for with Bloom. And you Black Circle Wizards are gonna pay for your crimes!

Ogron: We'll kill you!

I fired an energy blast and obliterated Ogron in an instant!

Me: I don't think so. Now lets dance! Who wants who?

Nico: I'll face Yost Doom to hold him off.

Roxy: I'll take on the Wizards of the Black Circle.

Eli: I'll face Dark Bloom.

Stella: I'll face Countess Cassandra.

Me: I'll face Darkar.

Rarity: And I will face Diaspro!

Hank Scorpio: How long have you guys been working for Yost Doom?!

Yost Doom: To be fair, Anti Monitor brought them back at the beginning and assigned them to me.

Darkar: Details, details! You should be paying attention to more immediate matters. Like keeping your head on!

POW!

I punched Darkar in his face and he went at me and I kicked him in his back!

Me: What's the matter Darkar?

He turned into his SHADOW PHOENIX FORM!

Me: You aren't the only one with the power to become a phoenix! (Fire swirled behind me) I am the Champion of Friendship and Protector of the Earth and loved by all. When my Cutie Mark Comes to life, Fire and Justice brings evil to a fall!

I flared up my Rainbow Power and turned into an Ethereal RAINBOW FIRE PHOENIX!

Lord Darkar: WHAT!?

Me: I'm not the same as I was when we fought the first time Darkar! I've gotten infinitely more powerful than ever! All of us have!

He fired a blast of dark fire and I fired a blast of rainbow fire and the blasts collided and exploded with intense and incredible power!

EXTREMELY MASSIVE AND INCREDIBLE FIERY EXPLOSION!

I flew at him and blasted him all over with intense fireballs of rainbow fire!

Ekans: The longer we mess around with these guys, the longer Yost Doom stays alive!

Ekans charged at his target and lasts him with energy!

Me: You and your minions are no longer worth that much of a challenge Darkar! We now have MUCH bigger fish to fry.

So we'll make this quick!

Darkar: NO! I REFUSE TO BE DEFEATED BY YOU AGAIN!

HE WENT AT ME!

I fired a massive blast of rainbow energy and it hit him and obliterated him in an instant and banished him to the Black Abyss forever!

Me: One down.

I flew and helped Roxy.

Roxy beat all the members of the Wizards of the Black Circle with her magic.

I slashed them and dismembered them and killed them and she banished them to the Black Abyss!

Me: 2 down. Now for the rest.

Eli flew at Dark Bloom and she fired blasts of dragon fire and he dodged the blasts and fired Force Lightning and knocked her down and knocked her out.

I flew and tied her up.

Eli flew at Dark Bloom and she fired blasts of dragon fire and he dodged the blasts and fired Force Lightning and knocked her down and knocked her out.

I flew and tied her up.

Rarity: Look out! Behind you!

Diaspro: Oh, ha ha! Nice try! I'm not that stupid!

She was unaware of Sam Sharp Loud and Heatblast charging at her from behind

They flew and blasted her from behind

Sam and Heatblast: PYRO FLAME BLAST!

They fired blasts of fire and blasted her down.

Rarity kicked Diaspro in the face and knocked her out with a deadly kick and I flew and tied her up.

Stella kicked Countess Cassandra in the face and punched her and knocked her teeth out!

Stella: That was for almost getting my family ousted in that conspiracy!

Sophie: Although, you ARE more pretty then Lady Tremaine.

Diamondhead: I actually agree.

Countress Cassandra: You're kidding. You really think so?

Sophie and Diamondhead look at each other.

Sophie: It's called sarcasm, Little Miss Clueless.

Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Yost Dr. Doom, and he began sucking out and assimilating Yost Dr. Doom's Superhuman intelligence, Indomitable will, Manipulation mastery, Mastery of martial arts, Extreme physical conditioning, Swordsmanship, Charisma, Mastery over both science and sorcery, Potent psionic powers, Mystical blasts, Teleportation, Dimensional travel, Mind transference, Hypnotism, Magically forged suit, Highly-advanced strength, Nigh-indestructibility, Flight, High-tech weaponry, assets, and gadgets, Ergokinesis, and Impenetrable force-field, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF YOST DR. DOOM

TO NO END! NOW, THE BATTLE TO FINALLY DESTROY YOST DR. DOOM WAS ON!

Lincoln, Bloom, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after Yost Dr. Doom, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Yost Dr. Doom and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at them as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, Bloom, Crash Bandicoot, Red Savarin, Von Lycaon, Ricky, Nico, and I and the rest of us attacked him super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Yost Dr. Doom even angrier than ever.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit Yost Dr. Doom and he got hit hard, and one of the blasts hit The Monitor Orb embedded in the forehead of Yost Dr. Doom, and not only did we get a massive power boost, but Yost Dr. Doom screamed in agonizing pain as he clutched his forehead.

Eli: That'll teach you, you bastard!

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Yost Dr. Doom and we all found ourselves not only in Heaven, but also, in space.

Ed Cowart: Okay, Dr. Douchebag, now you get yours!

Ed Cowart proceeded to insult Yost Dr. Doom.

Ed Cowart: Hey, Dr. Douchebag! Merasmus called, he wants his magic acts back! Also, Dark Spicer called, he wants his tech back which I bet you stole as much as Lex Luthor stole

40 cakes! You are a weakass carbon bootleg Iron Man! I bet Squirrel Girl can kick your ass like she did to your original counterpart! You are so green that The Green Lanterns mistake you for one of them. I say you're wearing a mask likely to hide dull and ugly you are! Prepare your ass for defeat! And one last thing?

Ed Cowart stripped Yost Dr. Doom down to his green heart shaped boxer shorts.

Ed Cowart: I see London, I see France, I see Dr. Douchebag's underpants!

Then, Ed Cowart launched Yost Dr. Doom straight into an exploding cache of chocolate cream pies which explodes covering Yost Dr. Doom with chocolate then threw an exploding banana cream pie at Yost Dr. Doom covering him with bananas.

Ed Cowart: Wow, Dr. Douchebag, you look like a chocolate covered banana!

Then, Ed Cowart wedgied Yost Dr. Doom and pulled his underwear over his head!

Ed Cowart: WEDGIE!

Then, Ed Cowart summoned a horde of centipedes to bite Yost Dr. Doom all over, then he threw Yost Dr. Doom at a coconut tree which 500 coconuts bonked Yost Dr. Doom. Then, Ed Cowart threw a massive coconut right at Yost Dr. Doom's crotch!

Patrick: (LAUGHS) That guy got hit in the head and crotch with a bunch of coconuts!

Then, Ed Cowart finished by eye poking, head bonking and slapping Yost Dr. Doom and even dressed Yost Dr. Doom in a green ballerina leotard.

Ed Cowart: I bet Yost Fantastic Four would love to see their archenemy in a green ballerina leotard! And, what a surprise, it does come in men sizes!

Brain Freezer: Good thing your mask's off. Now I can do this!

The last thing Yost Doom saw was Brain Freezer firing his blaster and he was frozen in a block of ice!

Me: OOH! Frozen Doomsicle my favorite!

Lincoln and his harem: Now, for the grand finale! We've had it with you for the last time, Yost Doom, now die and go to Hell forever! FANTASTIC FOUR FINAL SMASH: FANTASTIC FOUR BIG BANG ATTACK!

Lincoln and his harem fired a Big Bang Attack powered by the powers of The Fantastic Four at Yost Dr. Doom and explodes on contact!

Lincoln fired gold spider silk threads that latched onto Yost Dr. Doom and he began draining him dry of his life force as it flowed out of him and we saw it in the threads and flowed into Lincoln as he grew even stronger.

Then, when Lincoln was done, Yost Dr. Doom was left as a drained husk and he sent him to The Black Abyss forever.

We cheered as we holstered our weapons and powered down.

Nico: And that is that for Yost Dr. Doom.

Me: Now, that's what I call a prelude to the final end of Dr. Doom in the future.

Lincoln: That egomaniac is going to get what he deserves in the future. Alright, now there's one last loose end to tie up: Anthony McCann.

We turn our attention to Anthony McCann who got back up despite getting his legs shot by Caleb Maxwell, and he still had a knife in hand.

Anthony McCann: Damn you, damn you, you stupid Louds! I will kill you all with my bare hands!

Lincoln formed a massive and indestructible diamond barrier infused with light energy that protected all of us from Anthony McCann who charged at us and tried to stab the barrier with the knife, but the knife melted and he fired a blast of energy that hit Anthony McCann and sent him flying into another tree.

Lily Parker: Okay, that's it, I have had it with you, you evil monster. You're going to pay for what you did!

Me and Nico: Our pleasure, Lily.

Suddenly, Lily Parker wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Lily Parker's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Lily Parker sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Emily Anderson: That was so awesome! Lily, you transformed, and you and Lincoln really let that idiot have it.

Candy: That's for sure.

Pop: Indeed. Plus, you got rid of one of Dark Sebastian's instruments of revenge.

Ricky: It's not much longer before we get rid of the last of them.

Me: That's right. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the Vegvisir appear in the skies along with the Duel Monster, Dverg of The Nordic Alfar.

Lincoln: The Vegvisir and the Duel Monster, Dverg of The Nordic Alfar.

Astrid Michelsen: (Norwegian Accent) There's one person who fits that: Amalie Bredesen, Avatar and Gene-Slammer of Dverg of The Nordic Alfar, and you guys are going to love meeting her, Emilie Kristiansen, Avatar and Gene-Slammer of Dverg of The Nordic Alfar, is Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Dverg. Amalie Bredesen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Amalie Bresden moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Dverg, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Dverg, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there is one person whom she'd been wanting to kill all her life: that mutant cheapskate and monster, Flip, and that also included his entire family, and she wants nothing more than to kill them for everything he's done along with his entire family.

Me: Unfortunately, she may be too late, we sent Flip to The Black Abyss last year, and we also got rid of his entire family including his brother and cousin when we went to Hell for Nico's rescue months ago.

Lincoln: She'll still be happy to hear we're rid of that mutant and his family forever.

Stonedozer (to Thing): At least that was a good warm for your Doom.

KGBeast: And we have new recruits.

Titanium Titan: Got that right

Evilseed: Where should we celebrate?

Aquaduct: At the Baxter Building!

Me: Good idea. This will serve as a prelude to when we destroy Dr. Doom in the future.

Nico: Yep. But as a bonus victory we killed some of the Winx Club's enemies.

Bloom: We sure did.

Flora: That was fun!

Me: It was.

Nico: Yep. Great job today everyone!

Rachel San Diego: That was so fun!

Bloom: Yeah! (To the Viewers) Now we've seen the last of Yost Doom. It was fun.

Me: Yep.

We went and had a good meal at the Baxter Building.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: Whew, man, that was one awesome day.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was his entire harem dressed only in strapless bras and panties, and when he saw them, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Girl Jordan went up to Lincoln.

Girl Jordan: (Rubs Lincoln's massive pecs) I knew that old trick wound up getting you once more. (Seductive Voice) And it got you aroused once more. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Amara Roshansa: (Seductive Voice) Uh oh, looks like someone's about to get really...wild.

Suddenly, Lincoln lifted Girl Jordan and brought her to the bed with him joining the rest of his harem and he was on top of Girl Jordan and the others.

Lincoln: (Seductive Voice) (Smirks) You said a mouthful.

Lincoln used his one-hundred massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

Another awesome chapter done.

Apparently, the manor has fallen under a dark curse with hungry demons roaming the manor and the malformed and the vengeful ghosts of the murdered victims wandering the manor and trying to hurt the living, and we're going to find out that this was due to the actions of Doman Ashiya, the former Court exorcist turned civilian exorcist, because he unsealed The Mulberry Tree by removing the spikes to find a way to resurrect his dead second daughter, Kureha, and freeing The Mulberry Twins who were the ones responsible for the death of Utsuki's sister, Kureha, and was attempting to complete the Kuon spell. Next up is a battle of Apocalyptic proportions as we battle Apocalymon who is back for revenge on Sora Takenouchi's day to shine.

See you all next time.

Apocalypse Digimon Round 2

Apocalymon is back for round 2

In the early morning hours of 12:24 AM, Lincoln was asleep along with his harem and he had a dream as it took him to a planet known as Planet Colorbus. Suddenly, he saw a girl with long rainbow hair with blue eyes and rainbow angel wings and dressed only in a rainbow two-piece bikini in spirit sleep along with the remaining members of TLPS and The Masters of Evil from 150,000 years hence. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: I just had a dream, and this is gonna shock J.D. when we tell him.

Lincoln explained everything, and when he was done, his harem were shocked.

Talia Houou Flameheart: (Irish Accent) Oh man, it's her: the sixth of your Guardian Angels!

Selene Arcangela: And we also found the remaining members of TLPS and The Masters of Evil from 150,000 years hence, they were in spirit sleep this whole time.

Suddenly, Lincoln got up and got dressed along with his harem, then Nico and I came in.

Me: Lincoln, what is it?

Lincoln explained, and I was shocked.

Me: No way, you found the remaining members of TLPS and The Masters of Evil from 150,000 years hence!

Nico: Along with the sixth of your Guardian Angels from 150,000 years hence, awesome.

Me: So, what do you intend to do?

Lincoln: I'm going to bring Planet Colorbus to our solar system, then, we're heading over to awaken Aurora, and once that happens, that'll cause the magical heroes from 150,000 years hence to also awaken, but they'll eventually merge with the magical heroes.

We headed outside, and...!

SNAPS FINGERS!

Lincoln brought Planet Colorbus to our system, and we headed over, and it was an awesome planet of colors and elements and we suddenly gained a massive boost in power.

Me: Wow, this place is awesome.

Tara Toonamine: That's for sure.

Suddenly, Lincoln sensed it, and we headed on over to a hyperbolic spirit sleep chamber, and we saw Aurora Rainbowlight asleep in one chamber.

Me: That's Aurora Rainbowlight? Whoa, hubba hubba!

Nico: Dude, you know Lincoln's here, right? Watch it or he'll clean your clock.

Lincoln: Hey, be nice, he knows she's my Guardian Angel.

Then, we saw the remaining members of TLPS and The Masters of Evil from 150,000 years hence in multiple chambers.

Nico: Whoa. Oh man...!

Michelle Emperyous: They're all asleep.

Lincoln: Being asleep for 150,000 years in that state of spirit sleep and not knowing what happened to the others...! Dark Chase Young, you really are an absolute monster.

Lincoln placed his hand on the pod where Aurora Rainbowlight was sleeping. Suddenly, it started to glow and it opened up, and then, she started to awaken as Lincoln caught her in his arms.

Aurora Rainbowlight: (Groans) W-where am I?

Suddenly, her eyes came into focus, and she saw Lincoln recognizing the deep sapphire blue eyes.

Aurora Rainbowlight: L-Lincoln? Is that you?

Lincoln: Yes, it's me from the Earth that hasn't been destroyed by the asteroid, the one you found, though I've really grown up a lot.

Lincoln wrapped his abnormally massive and muscular arms around Aurora Rainbowlight's waist and hugged her, and Aurora Rainbowlight is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and ninety-nine sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Aurora Rainbowlight: That you have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and ninety-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome. But, wait, where am I?

Me: You're in our world. Lincoln brought the planet and all of you here to our world, and in our world, we destroyed the asteroid heading for Earth when we went after Tim Scam.

Nico: And foiled one of Dark Chase Young's schemes to prevent the prophecy from coming true in our world. Lincoln already fulfilled the first part of the prophecy by getting 403 years of divine retribution for his ancestors by taking down Morag and killing Aggie.

Lincoln: Now, all that's left is for the second part: killing the monster responsible for everything he did to my family in 1621 and for 1,500 years of pain and suffering, Dark Chase Young.

Aurora Rainbowlight: Perfect.

Suddenly, Shanan came to us.

Shanan: Guys, I just saw a planet come into our solar system, and who is...?

Selene Emperyous: Shanan, meet Aurora Rainbowlight, she's the sixth of Lincoln's Guardian Angels from her home Planet Colorbus where colors are everywhere and is the second home of The Wisps and the elements are everywhere. Aurora Rainbowlight was born with omnipotent power, immortality, invincibility, and all the powers of The Wisps and the elements. Aurora came from the Earth prior to its destruction in the other timeline, and as she was observing Earth, she found Lincoln, and like Tara Toonamine, she ended up falling in love to the point of swearing that she would do everything in her power to protect him, and God heard her swearing to do everything in her power to protect him, and she took The Sacred Oath, thus becoming the sixth of Lincoln's Guardian Angels. Before the Earth of the other timeline was destroyed, while Tara came and rescued Lincoln and his harem from its destruction and got them to her home planet, Techwater, Aurora rescued all the remaining members of TLPS and The Masters of Evil, and took them Colorbus, where she placed herself and all the remaining members of TLPS and The Masters of Evil in spirit sleep until she, the remaining members of TLPS and all the members of The Masters of Evil, and Planet Colorbus can be transported to the time where the asteroid that was coming to destroy Earth was destroyed when we went after Tim Scam, along with Planet Techwater and the other planets.

Shanan: (GASPS) Whoa! So, she saved her Earth's remaining members of TLPS and The Masters of Evil before the Earth of that timeline got destroyed?! And they were in spirit sleep. Dark Chase Young, you vile monster.

Lincoln: Yep, and I brought the planet here. This is Planet Colorbus.

Shanan: Wow.

Lincoln went up to the pods where the remaining members of TLPS and The Masters of Evil of 150,000 years hence were sleeping in, and as soon as he touched them, the pods glowed and they opened. Suddenly, they merged with the remaining members of TLPS and The Masters of Evil, and the remaining members of TLPS and The Masters of Evil grew stronger than ever gaining 150,000 years of experience in combat and power beyond any imagination.

Lincoln: Whoa!

Selene Emperyous: Incredible, now the magical heroes are even stronger than ever!

Lincoln then went up to Aurora Rainbowlight and he pinned her to the floor and he kissed her deeply and passionately on the lips and she returned it after recovering from the shock, then, he leaned down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Aurora Rainbowlight with rainbow gems on the gold lightning bolts and rainbow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, we suddenly saw something awaken: they were Galactabeast Zords of the Elementus Galaxy.

Me: What on Earth?! Galactabeasts?!

Aurora Rainbowlight: That's right. See, The Elementus Galaxy have Galactabeast Zords of its own and once the other members of TLPS and the members of The Masters of Evil have been found, they've awakened and come to their allies, and The Galactabeast Zords of The Elementus Galaxy can adapt to all Zords from Power Rangers and Super Sentai and they can also even combine with the Megazords.

Nico: That's awesome!

Suddenly, the rest of the team came out along with The M.O.E., and Lincoln explained everything, and by the end, they were stunned.

Lori: So, now we're more than ready for Dark Chase Young, and we also have our own Galactabeast Zords from the Elementus Galaxy, that's literally amazing, but which ones are for us?

Aurora Rainbowlight: Here's the list of The Galactabeast Zords of The Elementus Galaxy and which one they're with.

Me: HOLY MOLY!

Leo Corbett: That's incredible!

Lincoln then helped Aurora Rainbowlight up and carried her bridal style as we came back home and went back to our rooms and Lincoln brought her to his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem and he had her sleeping on top with her head on his massive pecs.

Julie Twilightmagic: (Rubs Lincoln's massive pecs) This feels really nice, and it's so good to finally be home.

Lincoln: Us too. Now, we are truly reunited after being apart and asleep for 150,000 years, and Dark Chase Young, when you finally show up, you're finished!

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

Qin: And there's no need to explain to us what happened because we were there last night. So, that's what happened to the remaining members of TLPS and the members of The MOE from 150,000 years hence, Aurora brought them to her planet Colorbus and they went to a spirit sleep until you can bring the planet here and awaken them, Lincoln.

Lori: And we literally now have Galactabeasts from the Elementus Galaxy and they're really powerful.

Lynn: And with what Aurora told us about them, Lord Zedd's in for one nasty surprise same with the other main head honchos.

Aurora Rainbowlight: And they also have Elementus Galaxy Fire Mode, and trust me, it's really powerful.

Me: So awesome!

Suddenly, the alarm sounded, and we checked the computer, and we found out who it was that triggered the alarm: it was a man with brown hair and dressed only in a red prison uniform, but when Nico and Qin saw him, they got super pissed off!

Nico: ARE YOU FUCKING KIDDING ME?!

Qin: HE'S RUNNING LOOSE AGAIN?! (GROWLS)

Me: Nico, Qin, you know this guy, he looks like fucking trouble!

Nico: He's worse than fucking trouble, this is one of my most evil enemies ever, his name is Albert Tralfaz, he's a vicious, ruthless, murderous, and horrendous thug and he VICIOUSLY HATES WOMEN AND WANTS TO KILL THEM ALL!

WE GASPED!

Me: MOTHERFUCKING MYSOGYNISTIC FUCK!

Trudy Lawrence: You have every right to call him that, he beat up all the girl students in Nico's school and he and Qin busted him and got him sent to prison forever, but here's where it gets even darker and shows he's even worse than that, he even raped, tortured, humiliated, and killed numerous kids and terrorized the whole school.

WE WERE HORRIFIED: THIS GUY WAS A FUCKING MONSTER FROM HELL!

Lincoln: Why, that...! He's even worse than Dark Chandler!

Suddenly, we saw blood tears falling from Caleb Maxwell's eyes, we knew what was about to happen: and it was gonna get ugly.

Caleb Maxwell: I can't believe someone like that is still breathing, all of his murdered victims, all of them are crying out for vengeance! (DEATHLY DEMONIC VOICE) That filthy animal, he doesn't deserve to breathe the same air as the rest of us, he doesn't deserve to live ever again, I'm going to make him suffer! I'M GONNA KILL HIM!

Suddenly, the skies turned blood red and black, and Caleb's canine teeth grew into fangs!

Caleb Maxwell: THEY DIDN'T DESERVE TO DIE LIKE THIS! SLAUGHTERED LIKE ANIMALS AND HE SHOWS NO REMORSE IN DOING SO! HE DESERVES TO DIE A MILLION DEATHS, HE DESERVES TO BEAR THE WRATH OF EVERY LAST LIVING SOUL HE MURDERED IN COLD BLOOD! I'M GOING TO BE THE ONE TO MAKE THIS MONSTER SUFFER! BUT, ABOVE ALL ELSE, HE DESERVES TO DIE BY MY HAND!

WE WERE HORRIFIED AND FREAKED OUT: CALEB MAXWELL SNAPPED, THE RAGE OF THE DEAD HAS OVERWHELMED HIM YET AGAIN, AND HIM ONCE BEING DEAD MADE IT WORSE!

Nico: Not again...!

James Blunt reacted quickly and hugged Caleb Maxwell, and it caused the teen to break down and he cried heavily as bloody tears fell from his eyes and onto James Blunt's bare chest.

Caleb Maxwell: Why...? Why can't this pain stop? No matter how many times I thought my pain was over, the cries of the dead still haunt me!

Poromon: Maybe it's because you're too mentally unsta...!

That was shut up by Allie aiming her gun at him!

Allie Maxwell: I'm warning you, puffball, if you so much as finish that goddamn statement, I'm gonna shred you into little tiny fucking pieces! (GROWLS SAVAGELY)

Manaphy: Don't you dare think about hurting my boyfriend! (To Mad Cat Max) Tell your girlfriend to cool it with her threats!

Caleb Maxwell: THAT'S ENOUGH! BOTH OF YOU!

They froze, James Blunt was confused, but then, Caleb put his hands on the vampire cat's forearms.

Caleb Maxwell: It's okay, Mr. Blunt, I'm alright now, just let me go.

James Blunt understood and let go, then Caleb turned his attention to Poromon and Manaphy.

Caleb Maxwell: Now, listen here, the three of you, we got a woman-hating kid raping murderous asshole to kill, this is not the time for us to fight. (To Poromon) You should consider yourself lucky Mr. Blunt stopped me from making the big mistake that would lead me further down into darkness, but get this, if you so much as make any sort of rude statement like that about me again, (SCLERA OF HIS EYES TURN CRIMSON RED)(DEMONIC VOICE) I will turn your life into a living nightmare from Hell! You got that?!

Poromon: YIPE! Y-yes sir!

Caleb Maxwell: Good, and as for you, Manaphy, if you so much as provoke my sister like that again, you and your boyfriend will both be dealing with me, her absolutely enraged demonic older brother!

Manaphy and Poromon freaked out as they did wild takes galore, and they fled to Nico and May's arms shaking in fright at Caleb's angry side being let out!

Manaphy: He scares me!

Poromon: Me too!

Cage Blunt: Ain't you gonna tell off Allie?

Caleb Maxwell: Why bother, she knows what happens to me when I get pissed!

Me: CALEB DOWN! That's enough!

Caleb Maxwell: (Clears throat) Sorry.

Crash Bandicoot: The Light symbol's glowing, this means, you're up next, Princess Celestia.

Princess Celestia: Perfect.

Nico: Now, we can go after Albert Tralfaz and kill him for good.

Qin: We've had it up to hear with that piece of shit! This time, he dies forever!

Lincoln: We've got a lot of tortures in store for that piece of trash. Let's finish our breakfast and head out to kill him.

Nico: Gotcha.

Sora woke up to see Mega Ho Oh staring at her.

Mega Ho Oh: Morning Sora!

Sora Takenouchi: Oh morning Mega Ho Oh.

Mega Ho Oh: Time for breakfast!

She went and got dressed and went to the table and was having pancakes and waffles.

We finished our breakfast, and we headed out to help Princess Celestia unlock her Rainbow Power and destroy Albert Tralfaz and send him to The Black Abyss.

Me: So this is Kinkakuia!

Qin: WOW! It's beautiful!

Camie: It sure is!

Laney: Yeah! Look at the forests! They are made of gold.

Ymir: They sure are!

Varie: It's beautiful!

Nico: I'll say. Centaur Man, I want to thank you, Blizzard Wolffang and your teams for coming.

Centaur Man: No problem Nico. This is gonna be awesome.

Me: It sure is.

Pellia: I'm really looking forward to this one.

Gollia: Same with me. We Centaurettes have been looking forward to this too.

Varie: I can tell.

Nico: Pellia, what do you like to do in your free time?

Pellia: Well I like hanging out with the girls and we always have fun with our friends on Mount Olympus.

Gollia: Been that way for all of us Centaurettes. We just love hanging out with those we love and also have fun with our friend Bacchus.

Me: (LAUGHS) Yeah Bacchus always was the most playful of the Greek Gods.

Camie: That is true.

Me: Bacchus from Fantasia always is fun to be with.

Poromon: You got that right. Especially when he drinks all that wine.

Xenia: You aren't kidding there.

We laughed!

Verria: It's true there. Bacchus is always the party guy.

Nico: He sure is.

Me: Yeah. He is not called the God of Wine just for show. He IS Wine in its entirety.

Manaphy: My kind of guy.

Horsea: Me too!

Me: Yeah.

Gollia: That is true.

Me: Yeah. WHEW! Man yesterday was epic!

Nico: It sure was! We killed Yost Doom.

Me: Along with some of the Winx Club's major enemies.

Bloom: We got rid of Darkar and the Black Circle Wizards.

Nico: Didn't expect to see them there

Me: Me neither. But at least we got rid of them to tie up some loose ends.

Xenia: Yeah.

Bloom: Now that we have much bigger enemies we don't need those jerks anymore.

Me: Yeah. But some of them are in the M.O.E. The rest are in the Black Abyss.

Qin: Yep.

Bloom: Yeah. And my Akuma was INFERNAL!

Me: A 13 Headed Fire Hydra! Scary!

Nico: And she was feral!

Me: I know! But it was a brutal battle too.

Qin: No kidding.

Me: But at least that mission will serve as a good warmup for when I face the Prime Universe version of Doom. I still have a score with him.

Nico: We know that. But you're right.

Poromon: But at least we got rid of the Yost one

Me: Yep we sure did.

Camie: Good riddance.

Ymir: Yep.

Me: Now it's time to focus on the matter at hand.

Lincoln: Okay, guys, we're here for one really brutal and nasty battle, we're here on a Gold Forest Planet made entirely out of gold, and just as we saw, we're here to hunt down and kill Albert Tralfaz, one of Nico's most evil enemies.

The rest of the team's with us.

Nico: I'm gonna end that fucking piece of shit! I thought we were rid of him when we threw him in prison after we got him expelled.

Qin: Someone must've busted him out of prison, and this wasn't the dead hand of Dark Sebastian, this had to have been someone else's dead hand.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and it was from when Elise Elexton was finally out of options and out of time, and we saw she went to the prison where Albert Tralfaz was at, and she murdered the guards and busted him out only for him to try and kill her which led to her shooting his stomach, and then, he stole something and went through a portal as Elise escaped. The viewing window closed!

Me: That bitch! So, it was Elise Elexton who did this!

Nico: She made a huge mistake breaking him out, he was a woman-hating murderer! And what was that serum she stole?

Lincoln: I recognize it, that serum was known as Super Soldier XT-9000, this thing was developed by a group of scientists hoping to turn someone into a powerful super soldier, but it had side effects: the side effects are extreme muscle mass growth, extreme height growth, extreme superhuman strength, superhuman stamina, superhuman durability, superhuman endurance, hardened muscular system, virility, and testosterone.

Eli: And that moron stole it, so he can use it to kill Nico and Qin.

Nico: When he does, Lincoln, you be ready.

Lincoln: Got it.

Me: This was all a backup plan of Elise! Even in death that monster just continues to piss me off!

Nico: Yep. Me too!

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his one-hundred massive and long brown wolf tails into

Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that

Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Albert Tralfaz) AHA! There you are! I just found Albert Tralfaz, he's 20 yards away, but he's already heading for us right now to kill Qin and Nico.

Nico: That dumbass! Let's get him and tear his ass apart!

Caleb Maxwell: Time to send this guy to Hell where he belongs.

Me: Actually I know a much better place for him.

Brittney: You thinking what I'm thinking dad?

Me: Oh you know me too well Brittney.

Nico: You're going to put a curse on him.

Me: Bingo.

Lewa heard a Pokemon cry.

Lewa: Hey look!

We saw a Kilowattrel!

Me: Whoa a Kilowattrel.

Qin: Cool!

Kilowattrel: This is a cool planet.

Lewa: It sure is. You hungry?

He gave her apples.

Kilowattrel: Thank you.

She ate them.

Kilowattrel: Ahh thank you.

Lewa: You're welcome. Want to come with?

Kilowattrel: I would be honored.

Poromon: Awesome to meet a fellow bird.

Kilowattrel: Same here.

Valiant: We're going to get along great.

Lewa: Good thing you're my brother then!

Valiant: That is for sure!

Me: LOOK OUT!

CLANG!

I blocked a strike coming for Lewa and it was coming from a Honedge!

Me: WHOA! A Honedge!

Lewa: Nice save! Thanks!

Nico: How did that get there?

Me: No idea. But it must be one of Dark Gale's work.

Carol: Lets see.

She used Telepathy and gasped!

Carol: Oh my gosh! It's Sylvia Smith!

Maria: She's Shiv's little sister and she is amazing!

Me: WHOA! Lets call him.

We did so.

Shiv appeared!

Shiv: I'm here guys! So Sylvia is here!

Me: Yep. Lets go help!

We went and helped her.

Shiv: Sylvia it's me Shiv!

All she did was slash at Horsea

She ducked!

Poliwag: HEY! BACK OFF!

WHAP!

He slapped her away!

Poliwag: Get away from my Fiance!

But then Horsea SNAPPED!

HORSEA SCREAMED!

THEN SHE VICIOUSLY PULVERIZED AND MANGLED UP SQUIDWARD!

MASSIVE AND BRUTAL FIGHT NOISE!

Squidward screamed in pain and was mercilessly pulverized!

Me: Okay then.

I snapped my fingers and she reverted back and was a girl with purple hair and orange eyes and had blue wings and had Honedge on her forehead and had a Symbol of a Sword with the Voltron Cross on her arm as a cutie mark. We wrapped her in a blanket.

Horsea was STILL THRASHING SQUIDWARD!

Maria grabbed Horsea and calmed her down.

Horsea then broke down crying.

Maria: Oh it's okay Horsea. It's okay.

Horsea Was calmed down.

She woke up to see Horsea's stern gaze

Sylvia Smith: (Groans) Huh? A Horsea

Horsea: YOU SLASHED AT ME AND MADE ME GO BALLISTIC!

Squidward: (SPITS OUT TEETH!) Yeah Horsea beat me up!

Squidward looked like he lost to a crazed superhero!

Poliwag soothed Horsea with his tail.

Poliwag: Easy Horsea.

Sylvia Smith: I'm so sorry! (GASP) Lewis!?

Shiv: Hey sis!

They hugged!

Shiv: I'm so happy to see you sis.

Carol: We are too.

Sylvia Smith: Carol? Maria!? Wow!

She hugged them too.

Carol: It's good to see you.

Sylvia Smith: Same here and Maria you're no longer Aquamaria. What happened?

Maria: Crazy story.

Carol: Sylvia is also known as Lady Baconedge. She was exposed to the Quantum Vapor and given light sword powers like her brother Shiv and she also has meat powers too and can make any kind of meat and she also has a massive gargantuan appetite and loves to eat meats to pile on protein.

Me: WHOA! Meat powers! My kind of power.

Shiv: Yeah she and I have been known to eat a lot. Also Sylvia has as big an appetite as you Nico as well as Goku, Po Kong, Coup and many of the biggest eaters we know.

Me: GEEZ! You could easily win an eating contest.

Sylvia Smith: Oh I have. MANY TIMES.

Me: Wow! Also you were turned into an Honedge by Dark Gale.

Sylvia Smith: (GASP) I remember!

* * *

She was in an aqua suit and injected and she turned into HONEDGE! She flew out.

FLASHBACK ENDS

Sylvia Smith: It was awful.

Me: I know but we destroyed Dark Gale.

Camie: Yep.

Sylvia Smith: Good.

Nico: Yeah.

Sylvia Smith: Is that Horsea yours Maria?

Maria: She sure is. Me and Horsea have been very close since we met in Narnia. Awesome story.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new blue and orange clothes and she had the Third Arm Sash around her waist and she had a Bacon Smith: I look awesome and ooh! Bacon!

She fired bacon into her mouth and ate it.

Sylvia Smith: Mmm! Need more than just bacon though.

Me: After we're done here we'll head to Lynn's Table.

Horsea: I'm so sorry, guys.

Squidward: It's okay Horsea.

Jamesdean5842: I've been trying to stop that with you Horsea but some people just want to repeat what Piplup went through because of Gible's Draco Meteor.

Manaphy: Say the word and I let you use my cloning machine.

Horsea: Thanks Manaphy. I'll use it during the next one.

Me: Okay. Now we got an absolute douchebag jerk to defeat!

We then took off into the air to help Princess Celestia unlock her Rainbow Power and destroy Albert Tralfaz and send him to The Black Abyss.

We were flying in the air, and then, we saw our target: Albert Tralfaz.

Caleb Maxwell: YOU FUCKING PIECE OF SHIT! TIME TO DIE!

Lori: Cage, tell Caleb to...!

But, it was too late, Caleb Maxwell charged down and he began beating, blasting, and shooting at Albert Tralfaz and the skies on the planet turned blood red!

Me: Damn it! Allie, your brother's one crazy basket case!

Allie Maxwell: Don't remind me.

Caleb Maxwell continued attacking Albert Tralfaz, and then, the spirits of the gods and goddesses of The Sun appeared and fired solar energy blasts at Albert Tralfaz, and then, the spirits converged and they crashed down and a massive explosion erupted as a Wolf Howl, Thunderbird Screech, and Phoenix Cry was heard and we appeared.

Nico: You've got a lot of fucking nerve showing your ass here, Albert!

Qin: I thought we were fucking done with you when you were sent to prison forever after we got you expelled for what you did when you beat up all the girl students and for raping, torturing, humiliating, and killing numerous kids when you were terrorizing the whole school. But, that bitch, Elise Elexton, pulled the biggest stunt ever before we killed her. She should've never freed you from prison!

Albert Tralfaz: SHUT THE FUCK UP, YOU FATASS BITCH! AND LIKE I'D EVER ALLY WITH THE BITCH, I HATE ALL WOMEN IN THE WORLD AND EVERY LAST WHORE ON THIS

PLANET SHOULD FUCKING DIE LIKE THE BITCHES THAT THEY ARE!

WE WERE ABSOLUTELY SICK TO OUR STOMACH: THIS GUY WAS A MONSTER, HE DOESN'T DESERVE TO BREATHE AGAIN!

Caleb Maxwell: Nico...! Does he have parents who are just as bad as he is...?!

We heard Caleb getting pissed big time.

Nico: Yeah, they're just as bad and they're still alive in their apa...!

Suddenly, he put his hands on his mouth! Caleb Maxwell turned into a cloud of darkness and went to New Jersey and found their apartment, then, he grabbed them and brought them back here! Then..!

BANG! BANG!

CALEB SHOT THEM EXECUTION STYLE AND KILLED THEM IN COLD BLOOD AND SENT THEM TO HELL! THAT PISSED OFF ALBERT TRALFAZ!

Albert Tralfaz: YOU SON OF A...!

POW!

I punched him hard and kicked him in the crotch and punched him in his nose!

Nico: You are a disgusting pig!

Albert: I'll kill you whores!

I punched him!

I formed a fire whip and slashed him!

Shiv: People like you make me sick! Lets get him!

Sylvia Smith: Lets do it!

Shiv and Sylvia: LIGHTSABER BLADE SLASH!

They slashed him all over!

CRUNCH!

Nico kicked him in the groin!

Nico: That was for all the times you tried to kill Qin!

POW!

Qin punched him and knocked out his teeth!

Qin: YEAH!

Suddenly, Albert Tralfaz got out a large endothermic needle and inside it was a glowing purple and green serum and he stabbed it into his chest and injected the serum into him. Then, he growled in pain as hot fire coursed through his veins that started glowing green, and then, Albert Tralfaz fell to his knees as his jumpsuit top suddenly exploded off off as his muscles: both upper and lower body and nether regions started growing to enormous proportions and he also gained twelve-pack abs and his pants were left as tattered shorts and he suddenly grew into a gigantic 30'0" tall behemoth with extremely massive muscles and he roared and pounded his chest like a gorilla!

Albert Tralfaz: ME SMASH YOU, TINY MONKEY AND DRAGON BITCH!

Albert Tralfaz tried to flatten us with his feet and smash us with his gigantic fists, but we dodged him and we took to the air.

Nico: You piece of shit...! Lincoln, NOW!

Lincoln appeared behind Albert Tralfaz, and then, he morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into Albert Tralfaz's back, and he began sucking out and assimilated Albert Tralfaz's newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible.

At the same time, Albert Tralfaz began shrinking in height and muscle mass as his newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone was being sucked out of him one at a time and was pumped into Lincoln.

Then, when Lincoln was done and the stingers changed back, Albert Tralfaz was back to his original height and he lost his newly gained muscles, and he now looked like a weakling and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Albert Tralfaz: (Weakly) W-what did you do to me?

Crash Bandicoot went after Albert Tralfaz, and he fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, plants, fruit, dragons, bandicoots, phoenixes, and angels which hit the murderous bloodthirsty Symbiote and exploded with such incredible power as they hit him, and he slashed at him with his massive greatsword leaving scars on him and he also got burned as Crash Bandicoot used fire on him. Then, he struck him with some hard punches and kicks, and he even used some wrestling moves on him, and he was pretty beaten up and banged up bad.

Lincoln: (Smirks) What's the matter? You gonna stand and fight or run away from us?

Albert Tralfaz: I'LL KILL YOU!

Albert Tralfaz ran at Lincoln and punched him in the stomach, but then...!

CLANG!

ALBERT TRALFAZ'S PUNCH DIDN'T MAKE A DENT IN LINCOLN'S TWELVE-PACK ABS AND HE BROKE HIS ARM AND HIS BONES AS HE SCREAMED IN AGONIZING PAIN!

Lincoln: What? You call that a punch, THIS is a real punch!

Lincoln clenched his left fist so tight, his left bicep and left arm muscles bulged and veins formed, and...!

POW!

LINCOLN PUNCHED HIM HARD IN THE STOMACH CAUSING HIM TO BELCH OUT MASSIVE AMOUNTS OF BLOOD!

Vinna Laval's nose gushed out blood same with the rest of Lincoln's harem.

Vinna Laval: (Swooning) Oh my God, now, that's a REAL man!

Lincoln heard it as his wolf ears twitched.

Lincoln: Vinna, you should stay focused, we still got to kill him, same goes with the others.

The rest of Lincoln's harem had embarrassed blushes on their faces.

Girl Jordan: (Embarrassed) Sorry, Lincoln.

Nico: And I thought he was ugly before!

Me: Well Lincoln made sure he suffered!

We can't make a rainbow without all the colors

And we can't make a friendship without one another

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Then, Lincoln formed a massive rainbow sun in his left hand and fired it at Albert Tralfaz which hit him and burned him bad! Then, he fired a barrage of halos from his massive angel wings and ninety-nine sets of large white angel wings underneath and fired beams of light that went through the rings amplifying their power and Albert Tralfaz got hit hard.

Spotlight: Nice one, Lincoln.

Maria Taiyou: We definitely helped him out with that.

Lincoln: Now, it's time for the big guns.

Lincoln got out a massive industrial can of spinach, and he opened it up. Then...!

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CAN OF SPINACH!

Me: OH CRAP!

Nico: THIS IS GONNA GET UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed, and a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf roar.

Lincoln: (CRACKS NECK AND KNUCKLES) Time to die, you dirty jerk.

Lincoln went at Albert Tralfaz and he began brutally smashing him all over the place with his massive godly superhuman strength. Then, he punched him hard in the face and kicked him in the stomach and he sent him flying into a wall, he got back up, but he was so mad, he let out another screech of anger before Lincoln threw a golden yellow fireball at him and it exploded burning that monster badly.

Nico: Damn, that's still as brutal as ever, but it serves him right for what he did.

Suddenly, we heard vampiric shrieks, and we saw vampires coming right at us, and then, the skies turned red and it started raining down blood.

Me and Nico: Great, now things have really gone bad.

Then, Sherlock Hound attacked one of the vampires and we felt Sherlock Hound grow even stronger as the blade literally sucked the life out of the vampire as he died and turned to dust. Then, he swung his massive greatsword again and fired projectiles of ice that hit and froze more of the vampires before he struck them with his greatsword and sucked the life out of them and he grew stronger from that as well as they too turned to dust.

Then, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by a red flame. Then, Sherlock Hound attacks another vampire and the blade slashed the vampire and he turned to ashes. Then, he swung his massive greatsword again and fired projectiles of fire that hit and turned more of them to ashes!

Me: Alright, now it's our turn.

Albert Tralfaz: (GROWLS) HEY, SHITHEADS! KILL THEM AND BRING ME THEIR HEADS!

Then, Albert Tralfaz's thugs came out, but then, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his deep sapphire blue eyes and rainbow iris of his Third Eye with golden yellow circle around them remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth remained the same, his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings remained the same, his one-hundred massive and long brown wolf tails and large brown wolf ears remained the same, his long wild rainbow hair with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks in the back going down to his upper back became wilder and his large gold halo behind and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings turned midnight blue, and he let out a loud howl as he transformed into Lincoln The Nocturnal!

Lincoln: (Beastly Voice) You think you can't be harmed because you all are badasses and are really strong! (Smirks) Sadly for you, you're about to see just how weak you really are! (CRACK KNUCKLES AND NECK)

Lincoln went at Albert Tralfaz's thugs and he morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of Albert Tralfaz's thugs, and he began absorbing them into his body and he assimilated their massive superhuman upper body and lower body strength, massive muscle mass, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (Beastly Voice)(GROWLS) Oh man, this feels incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of Albert Tralfaz's thugs except for their clothes, and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Albert Tralfaz: What did you do to my men?!

Lincoln: (Beastly Voice) Exactly what I did to you, but for them, nothing's left of them. But, don't worry, you'll be joining them soon.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated dragon claws and greatswords, and Lincoln, Andre Lupescu, Red Savarin, Robin Hood, Rayman, Celeste Dawnlight, Maria Taiyou, Halina Celeste, Solana Celestia, Sarah Hikari, Dawn Eclipse, Juniper Celestia, Celeste Celestia, Caitlyn Midnight Celestia, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Albert Tralfaz even more pissed off and more angrier than ever.

Albert Tralfaz: (ENRAGED SCREAM)

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Albert Tralfaz, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Albert Tralfaz, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 10'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BURN IN HELL FOREVER, YOU ABOMINATION!

Lincoln, Nico, and I did one final powerful energy slash that hit Albert Tralfaz hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Albert Tralfaz was on his last legs and he was really really mangled.

Lincoln tied Albert Tralfaz up in Neutronium Chains and had him suspended in the air. Then, Nico got out a silver whip that was studded with razor sharp silver blades.

Nico: Time to die, Albert, this is for everything you've done.

Then, Nico began.

Nico: HAH!

SWOOSH! SLASH!

Albert Tralfaz: (SCREAM OF AGONIZING PAIN)

Nico slashed him with the whip and the blades started to slice into his flesh drawing blood, and he kept doing it making more slashes on Albert's flesh and drawing more blood.

Nico: BLEED FOR ME, YOU SON OF A BITCH!

SWOOSH! SLASH!

Albert Tralfaz: (SCREAM OF AGONIZING PAIN)

Me: DAMN, THAT'S GOT TO HURT!

Qin: We're just getting started!

Qin got out some razor sharp pliers.

Albert Tralfaz: What the fuck are you doing with those, bitch?!

Qin: What the fuck do you think?! You're a rapist, so I'm gonna rip your crotch off starting with your balls!

Then, Qin grabbed one of his testicles with the pliers, and...!

RIP! RIP! RIP! SCREAMS OF AGONIZING PAIN!

QIN YANKED ONE OF HIS TESTICLES OFF WITH THE PLIERS, AND THEN, SHE DID THE SAME TO THE SECOND ONE, AND FINALLY, HIS CROTCH ITSELF!

Trudy Lawrence: ALRIGHT! NICE ONE!

ALBERT TRALFAZ WAS LEFT CROTCHLESS AND DICKLESS, AND BLOOD WAS POURING OUT OF WHERE HIS CROTCH WAS!

Then, Lincoln tied Albert Tralfaz to a steel pipe and heated it up, and Albert Tralfaz screamed in pain as the smell of burning flesh hung in the air!

Lincoln: Here, use these.

Lincoln handed Nico and Qin knives with blades that are neon red and megahot.

Nico: Thanks.

Then...!

SLASH! SCREAM!

THEY STARTED SLICING FLESH OFF ALBER TRALFAZ'S STOMACH WITH THE KNIVES, BUT THEY WERE DOING IT REAL SLOW TO MAKE HIM SUFFER EVEN MORE!

Me: I recognize those torture methods from China: The Roasting - tying the victims to a steel pipe which you heat and roast them to death, and the second is the Lingchi - using a hot knife to slice off flesh from the victim. Damn, those are brutal!

Then, Nico and Qin's friends also proceeded to attack Albert Tralfaz by throwing garbage and dirty diapers at him, and one even threw a bomb at him!

KABOOM!

IT EXPLODED IN HIS FACE!

Then, when they were done, Albert Tralfaz looked really horrible: his body was covered in bleeding slashes and most of his flesh was sliced off by the hot knives, his hair was ripped out, his teeth were smashed out of his mouth, his tongue was cut off, his fingers were broken, his ears were ripped out, and his crotch and testicles were ripped off.

Eli: WHAT THE FUCK!?

WE WERE HORRIFIED, AND MANY OF US RAN TO NEARBY GARBAGE CANS AND BARFED LIKE CRAZY: NICO, QIN, AND THEIR FRIENDS REALLY TORE HIM APART!

Luna: PUKE VOLCANO!

FWOMP!

LUNA FAINTED!

Luan: Someone better put him down now before we all lose more than just our breakfasts.

Caleb Maxwell: No, I intend to keep going with this. (Smiles Sadistically) I like torturing filthy fucking savages like him and watching them break! (LAUGHING SADISTICALLY)

WE WERE REALLY HORRIFIED NOW: NICO AND QIN'S TORTURE SESSION REAWAKENED CALEB MAXWELL'S BLOODLUST, AND HE DECIDED TO ADD ON HIS TORTURES AS WELL!

Caleb Maxwell went up and shot Albert Tralfaz in the arms and legs destroying all the bones in his body.

Caleb Maxwell: Uh, screw this, you guys took all the fun out of this. Well, time to die.

Albert Tralfaz: No, please!

He started begging for mercy, but it was too late. Caleb Maxwell raised his right gun to Albert Tralfaz's chest, and then...!

BANG!

HE SHOT HIM RIGHT IN THE CHEST BLOWING A HOLE INTO IT AND HIS HEART AND LUNGS EXPLODED OUT FROM HIS BACK AND HE FELL DOWN TO THE GROUND DEAD!

Me: Now for the grand finale!

Brittney: Yep! (TRANSFORMS AND FLARES UP DARKNESS) (SINGING DIVINELY)

I see a cold wind blowing through

I see days neither fun nor free

I see a future caused by you

I see a path not meant to be

The future should be filled with magic

Dreams and wishes brought to life

But the days ahead are dark and tragic

No time for hope when all is strife

Whatever might have been

All the dreams that ponies share

Because of you, Albert Tralfaz

Now the future is a cold nightmare

Me and Nico had SHIVERS OF FEAR RUN DOWN OUR SPINES and she fired blasts of darkness and they hit him and NUMEROUS DAMNED SOULS RIPPED HIM APART AND TORE HIM TO SHREDS AND HE SCREAMED IN EXCRUCIATING AGONY AND PAIN!

I then teleported him to Davy Jones Locket Penitentiary forever!

Nico: That felt good.

Me: MAN THAT WAS SCARY! What was that?!

Brittney: I call that curse THE RETRIBUTION OF THE TRILLION HELLS CURSE!

WE GASPED!

Me: (GULP) What does that do!?

Brittney: It causes you to be mauled and dismembered by trillions of souls of hell forever and kills you over and over and over and over and over again and never stops until the end of time.

Me: That is gruesome!

Qin: No kidding!

We cheered as we holstered our weapons and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, one-hundred massive and long aurora, white, and golden yellow wolf tails, longer horns, and longer Princess Celestia and Daybreaker tails, large gold halos with four large orbiting gold rings on each corner behind the heads and large gold Yata no Kagami mirrors with gold sun ring-shaped frame and embedded gems behind the large gold halos and four large gold Yata no Kagami mirrors with gold sun ring-shaped frames and embedded gems behind the four large orbiting gold rings, one-hundred large aurora planets orbiting around the legs, one-hundred smaller aurora planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized aurora planets orbiting around the wrists and ankles, and massive rainbow, white, golden yellow, and aurora angel wings and yellow demon wings and ninety-nine sets of large rainbow, white, golden yellow, and aurora angel wings and yellow demon wings underneath the massive rainbow, white, golden yellow, and aurora angel wings and yellow demon wings of Celeste Dawnlight, Maria Taiyou, Halina Celeste, Solana Celestia, Sarah Hikari, Dawn Eclipse, Juniper Celestia, Celeste Celestia, and Caitlyn Midnight Celestia are permanent.

Me: OH GOD, THAT WAS SICK! Nico, Qin, Caleb, you guys sure are a bunch of savage animals!

Nico, Qin, and their friends had blood on their hands same with Caleb Maxwell.

Nico: That just shows you how much we hated that pig!

Qin: Sorry we took all the fun out of it, Caleb.

Caleb Maxwell: Well, he did piss you both off in the past, so that was a given. Besides, I would've had more fun if one of my old enemies got involved, but apparently, my bloodlust led to their deaths when I returned to New York in 1996.

Me: That's true, but you guys made us lose our breakfasts with what you did!

They saw me grab my shirt!

Nico, Qin, and their friends: Oh...!

Caleb Maxwell: Shit!

Then...!

RIP!

WITH A SMIRK, I RIPPED MY SHIRT OFF AND I LET OUT A LOUD WOLF ROAR AND POUNDED MY CHEST LIKE A GORILLA!

Nico, Qin, their friends, and Caleb Maxwell: (FREAKING OUT) RUN FOR YOUR LIVES!

Nico, Qin, their friends, and Caleb Maxwell ran for their lives with me running after them!

Me: GET BACK HERE!

I was looking for them, but Nico, Qin, their friends, and Caleb Maxwell were hiding in a nearby tree.

Caleb Maxwell: Okay, if we hide here, he should give up and we can run back to the others.

Nico: Careful, he'll give you a painful noogie if you ain't careful.

Caleb Maxwell: Please. I'd gotten noogies and headlocks from Cage and Travis before, this won't hurt.

?: (Smirks) You sure about that?

Nico, Qin, and their friends freaked and were making weird noises and pointing like crazy.

Caleb Maxwell: What? I got something in my eye? (Suddenly finds out) He's right behind me, isn't he?

Caleb turned around, and...

Me: Hi!

Caleb Maxwell: YIKES! RUN AGAIN!

Nico, Qin, their friends, and Caleb Maxwell ran once more with me running after them! Then, I saw what looked like them, and I pounced on them!

Me: Hah! Gotcha!

But, then...!

BOOM! SPLAT!

I WAS COVERED IN GELATIN!

Me: Gelatin?! Real mature! Alright, where are you and your cohorts at, you gun-toting maniac?

But, Caleb Maxwell, Nico, Qin, and their friends were hiding in a nearby forest.

Nico: Okay, we'll be safe if we hide in the forest. There's no way he can find us.

Qin: But, he like Lincoln is a wolf man, so he can also sniff us out and he also has superhuman senses.

Caleb Maxwell: We did shower this morning after we woke up, we didn't put any cologne or perfume, right?

They realized Caleb was proven wrong. Then, I caught their smell, and found them as I uprooted a lot of trees with my hands and tails!

Qin: Crap!

Caleb threw a stink bomb and he made a portal!

Caleb Maxwell: Into the portal!

They jumped in and I got out of there before the stink bomb exploded. The others saw it.

Lincoln: Dang, this is even more wild than the date chases!

Eli: Big bro's a really powerful hunter!

Lincoln: Werewolves and vampires are known to be supernatural predators always hunting their victims, and I'm a very skilled hunter same with J.D. We better do something and quick.

Then, Nico, Qin, their friends, and Caleb Maxwell ran back to the other in panic.

Nico: Lincoln, please stop him!

Qin: He keeps on showing up at every turn always causing us to freak out!

Caleb Maxwell: Please tell him to stop! My legs are gonna give out, and... (Realizes something) He's behind us again, isn't he?

They turned around and saw me.

Me: Well, hello there!

Nico, Qin, their friends, and Caleb Maxwell: (SHRILL WOMEN SCREAMS) WE HAVE TO GO NOW!

They ran for a nearby house and closed the door and locked it. But, then, their jaws fell to the floor as they saw me lifting a dumbbell in my left hand.

Me: (Droopy voice) Hello, Joe.

Nico, Qin, their friends, and Caleb Maxwell: (SHRILL WOMEN SCREAMS)

They got the locks off the door, but just as they opened it...!

Me: (Droopy voice) Hello again.

Nico, Qin, their friends, and Caleb Maxwell: (SCREAMS LIKE TOM)

Then, they flew up through the chimney and flew away, but they flew into a portal I opened, and they tried to run away again, but I forced the portal down on them, and they wound up back with the others, and then, I pounced on them!

Me: (Smirks) I think you know what's about to happen now?

I had clones of myself tickle Nico, Qin, and their friends with feathers, and I had Caleb in a headlock with my left arm and I used my right hand and gave him a noogie!

When I was done, Nico, Qin, and their friends gave up, and Caleb's hair was a mess, and everyone was laughing hysterically.

Caleb Maxwell: Ugh, it took me two hours to get my hair right.

Caleb Maxwell fixed his hair up.

Nico: Just be glad you didn't get tickled on the feet or the armpits.

Qin: And he used phoenix feathers for that, not fair.

Me: I think we all lost our breakfasts from that torture fest.

Shiv: Yeah no kidding!

Me: Lets head back and get some grub.

Poromon: Good idea.

We went back to Earth and we were at Lynn's Table and we were eating a lot of food!

Sylvia Smith: (Eating meats) Mmm!

Me: (Eating noodles)

Sylvia Smith: (Gulps) Oh boy! This is the best food ever!

Lincoln: My family makes all of the food here from scratch. Dad is one of the best chefs we know.

Me: He sure is.

Nico: Nice job, Kilowattrel!

Kilowattrel: Thanks Nico! That was fun!

We were eating.

Me: Sorry you guys had to see all that.

Poromon: No worries.

Sylvia was eating lots of food and the plates were REALLY PILING UP!

We were all eating a lot of food!

Poromon: Want some beer Kilowattrel?

Kilowattrel: Oh no thanks. Beer gives me explosive diarrhea.

Nico: Okay I did not need to know that.

Kilowattrel: Sorry.

Poromon: Okay then.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

We were really eating.

Me: Nico I'm sorry that you and Qin went through hell because of him.

Nico: It's okay. Besides now Albert can pay for his crimes.

Me: Yep.

Poromon: Lazlo, we want to challenge you and the others to something.

Raj: (India Accent) I don't think we're allowed to drink beer

Poromon: We know. But it's not to drink beer. It's something you remember doing with the Squirrel Scouts.

Lazlo: We can't wait.

Me: I have a feeling this will be fun.

Camie: Yeah.

We finished later.

LOUD BELCH

Sylvia Smith: Man I am stuffed!

Goku: Ahh! That was amazing! What a feast!

Nico: Man that was great!

Me: Geez! Sylvia you ate a lot!

Sapphire Ocean: She ate 76 full course meals!

Yamcha: Really!? I lost track around 40!

Me: Man Sylvia you have an appetite as big as Master Goku, Po Kong, Shaggy, Nico and Coup's combined into one.

Shiv: (LAUGHS) Now you know what happens when we get hungry. We clean out all the food and eat it.

Sylvia Smith: Yeah.

Me: Whew! Man we're stuffed!

Luna: You said it dudes.

Nico: Oh, Centaur Man, what do you like to do in your free time?

Centaur Man: Oh I help teach kids how to ride horses. It's very fun.

Twilight Sparkle: That is cool.

Nico: Yep.

Lynn Sr.: Wow! You guys sure were hungry.

Me: You bet we were Mr. Lynn. Now comes our fight with the Anothers. Oh.

I gave him a big bag of money for the food.

Me: Keep the change.

Lynn Sr.: Thanks!

We got ready!

Nico: Now for the anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and there is also Another Sora Takenouchi among them!

Sora Takenouchi: Another Me!? Wow!

Me: This will be cool! So Blizzard Wolfang, Changeling, Brain Sucker, Ultimate Conqueror, Venus Malgam and Darkness Combined Beast Arajibiray.

Qin: Yep and Centaur Man, Pellia the Pink Centaurette, Caquia the Teal Centaurette, Verria the Magenta Centaurette, Gollia the Golden Centaurette and WInnoa the Cerise Centaurette are up.

She reverted back and was the Embodiment of Bermuda!

Me: (GASP) Brenda Bermuda!

Brenda Bermuda: Been a while J.D.

Me: It sure has. Brenda is the Embodiment of the Bermuda Dopant and she has all the powers of the Bermuda Triangle.

Misty Brightdawn: Oh wow! And the big day mission for me is tomorrow!

Me: That's right Misty!

Brenda Bermuda: I heard about that and I will gladly help out.

Me: Good. Oh is the Another Blizzard Wolfang and Sora friendly or hostile?

Brenda Bermuda: Friendly and you are gonna be shocked about this.

Me: WHOA! I have a feeling it will be good.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Maria: Time for backup! (TURNS DIAL) SHELL FORCE 6!

She summoned Shield Sheldon, Imperious (X-Squad), Kingsnake, Elec Man EXE, Trent (Yugioh) and Dingo!

Nico: (GASP!) Serena Sauron!

Me: WHOA! The gene-slammer of Sauron the Dark Timelord!

Serena Sauron: That's right and also good to see you Nico.

Nico: Same here.

Me: That is cool!

Serena Sauron: It sure is! Also I know who my archenemy is going to be. It's going to be Royal Pain.

WE GASPED IN SHOCK!

Layla Williams: Wait you're going to face Royal Pain!? Are you sure!?

Serena Sauron: I am positive and I will face her on your day Layla.

Nico: Will Lash, Speed, Penny, and even Stitches be there too?

Serena Sauron: Yes they will and believe me they are not going down without a fight.

Me: WHOA! We haven't faced them since 2020.

Serena Sauron: You guys are going to battle them on May 26th.

Me: That in 6 days!

Layla Williams: At least we know that my day is fast approaching.

Me: Yeah! Looks like we're going to be ready for a Sky High Academy reunion and battle.

Shiv: We sure are.

Serena Sauron: It's gonna be fun. Also I am the avatar of Mordor and the Daughter of Sauron the Great and I am a deadly force of good with all the powers of the Dark Lord Sauron and the power of the One Ring and the powers of Mount Doom.

WE GASPED!

Me: WHOA! That is incredible!

Nico: Yeah! You are definitely more than a match for Royal Pain.

Serena Sauron: I sure am. And also I have Blizzard Wolfang's powers and abilities as well.

Blizzard Wolfang: Awesome and cold!

Nico: And your friend?

Another Sora: (In a little girl's voice) Someone proud of her big sister.

Sora Takenouchi: (GASP)

She reverted back and was a little girl with orange hair and brown eyes and had pink clothes and had a Digivice around her neck like a necklace. A Muchomon came.

Muchomon: Oh thank goodness you are safe Miko.

Sora Takenouchi: Oh Miko you have grown so much.

She went over and hugged her and picked her up.

Sora Takenouchi: Guys this is my little sister Miko. And her partner Digimon, Muchomon.

Me: Aww she is adorable Sora.

Sora Takenouchi: When I first became a Digidestined she was only a year and a half.

Muchomon: And I became her partner Digimon after you guys got back from the International Digimon Skirmish.

Me: Wow! A Digidestined at that age. So cool.

Kaito: (Gets out Zyuranger gear): Did Swartz promise you anything?

Zocks: (gets out Jetman gear): Because we can grant it instead.

They got weapons from said teams.

Serena Sauron: No he didn't because I used Sauron's power to make Swartz scared out of his mind and we ran out o there.

Muchomon: That was a most fun thing.

Zhuqiaomon: That is cool! Also I can sense that you can Digivolve into me.

Muchomon: I sure can my Sovereign.

Me: Wow! This is gonna be awesome. And I have a good feeling I know who is coming later on today.

Sougo (Gets out Mighty Morphin Ridewatch): You should be proud of your sister

Geiz (gets out Jetman Ridewatch): And Biyomon too

Sougo got TyrannoMightyMorphinArmor while Geiz got RedHawkArmor

Miko: Oh I am.

Biyomon: That is so awesome. Looks like I get a brother Digimon.

Muchomon: Indeed you do.

Me: That is so awesome. Lets separate you both.

We did so.

Me: Lets bring the heat!

Nico: (Gets out Blizzard Wolfang's Ridewatch) Time to chill!

May: (Gets out Brain Sucker's ridewatch) I will suck your head off!

Universe 666 May: (Gets out Ultimate Conqueror's ridewatch) Feel my wrath!

Maria: (Gets out Venus Malgam's ridewatch) I AM YOUR VENUS!

Pellia: (Gets out Changeling's ridewatch) I will turn into you!

They used the powers of Blizzard Wolfang, Changeling, Brain Sucker, Ultimate Conqueror, Venus Malgam and Darkness Combined Beast Arajibiray and blasted the Anothers!

Me: Yeah!

Then Flamebo, King Chicken (Duckman), Were-Chicken (Atomic Puppet), Humongous Chicken, Dee (Chuck Chicken), Cluck (Skylanders), Chicken From Outer Space, Dex (Chuck Chicken), Don (Chuck Chicken), and Goosey Loosey (Chicken Little: Ace in Action) came!

Me: WHOA!

Nico: Nice team Flamebo!

Flamebo: Ah shut up!

Me: Tch! Rude!

Ed:...CHICKENS!

He went and hugged them!

Ed: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

Eddy: (LAUGHS) That is funny as always Ed!

Lola: (LAUGHS) YEAH!

Me: Also that means Burn Rooster and his team is up.

Burn Rooster: Yep that's right!

Me: Cool!

But then out of bursts of water, wind, darkness and energy came Number iC1000 Numeronius Numeronia, Number 74: Master of Blades and Number 73: Abyss Splash!

Me: WHOA! Number iC1000 Numeronius Numeronia, Number 74: Master of Blades and Number 73: Abyss Splash!

Qin: WOW!

Number iC1000: (In a girls voice) Feels awesome huh?

Number 74: (In a girls voice) I agree!

Nico: Naria Numeron, Sakura Bladerun and Abigail Abyss! Wow!

They reverted back. Naria was a girl with black hair, purple eyes and black clothes and black wings and had Number Number iC1000 Numeronius Numeronia on her forehead, shirt and skirt and had 5 Galaxies inside a universe globe with wings as her cutie mark and had a star sword!

Sakura had pink hair and pink eyes and had a pink kimono and pink wings and had Number 74: Master of Blades on her forehead and her kimono and had a cutie mark shaped like Mount Fuji and had twin samurai swords on it and had a pink samurai sword.

Abigail had blue hair and blue eyes and dark blue and black clothes and had blue wings and had Number 73: Abyss Splash on her forehead, shirt and skirt and had a submarine and a mermaid on her arm as her cutie mark and had a blue trident.

Naria Numeron: Good to see you Nico. We got this. INFINITY GALAXY BLAST!

Sakura Bladerun: 74 BLADE SLASHER!

Abigail Abyss: 73 NEPTUNE WAVE!

They fired waves of stars, water and blades and blasted the Anothers and I caught the Ridewatches and purified them!

Me: YEAH!

Nico: Nice job!

Naria Numeron: Thanks! That was fun!

Sakura Bladerun: Yeah it was!

Abigail Abyss: Yeah!

Merryn: (Scottish Accent) Abigail!

Abigail Abyss: MERRYN!

They hugged!

Abigail Abyss: Wow great to see you!

Merryn: Same here. Guys me and Abigail are penpals and we talked a lot.

Me: That is cool!

Nico: Yep.

Pellia: Do you girls have any good memories of Nico?

Naria Numeron: We sure do. Mine is where me and Nico were at my family's observatory and we found an amazing galaxy system in the constellation of Ursa Major.

Nicole: Wait you guys found the Ursus Kirrington Galaxy System!? That is amazing!

Nico: It sure is.

Sakura Bladerun: Mine is where Nico taught me all his martial arts moves and he even made this kimono for me.

Me: It's beautiful.

Sakura Bladerun: It sure is.

Abigail Abyss: And mine is where me and Nico found an ancient underwater castle and we brought up the treasure in it.

Nico: That was fun.

Nicole: The underwater castle of Port Kingston in the Dominican Republic!? I've been trying to find that castle for years! That is amazing!

Ncio: Yeah.

He hugged them.

Nico: I've missed you girls.

Naria Numeron: Same here.

We went back home.

Apparently, the manor has fallen under a dark curse with hungry demons roaming the manor along with the undead and the vengeful ghosts of the murdered victims wandering the manor as well and trying to hurt the living, and we're going to find out that this was due to the actions of Doman Ashiya, the former Court exorcist turned civilian exorcist, because he unsealed The Mulberry Tree by removing the spikes to find a way to resurrect his dead second daughter, Kureha, and freeing The Mulberry Twins who were the ones responsible for the death of Utsuki's sister, Kureha, and was attempting to complete the Kuon spell. So, we're going to get rid of the demons and get rid of Doman before he can complete the spell.

We had all of TLPS and The MOE with us.

Lincoln: Whoa, we're here in the world of the PlayStation 2 horror game, Kuon, and I think I know what we're going to do here, not only am I going to rescue the four girls here, but we're going to help Utsuki, Sakuya, and Abe no Semei with the investigation into Lord Fujiwara's manor.

Me: This place sure is scary even at night.

Sunset Shimmer: The game takes place during the Heian period of Japan, and apparently, the manor of Lord Fujiwara has fallen under an evil curse with hungry demons roaming the manor at night along with the undead and the vengeful ghosts of the murdered victims wandering the manor as well and trying to hurt the living.

Nicole: Plus, some of the places are literally plagued by large areas of negative energy caused by murder, revenge, and grudges, and magic and exorcisms plays a strong role in this.

Lincoln also got out spell cards he made.

Lincoln: Yep, and I started creating spell cards after playing through Kuon and they're really powerful when it comes to hunting down demons and exorcising angry spirits.

Burn Rooster: We got to be careful through this manor. There's no telling what we'll encounter.

Nicole: I think we know what we'll encounter.

We began walking to the entrance of the manor.

?: I take it you are here to investigate the curse in the manor.

We saw a woman dressed in white and red robes and carrying the Ceremonial Spear, it was Abe no Semei, a powerful onmyoji.

Lincoln: Yes, we are.

Suddenly, Abe no Semei sensed that Lincoln was the Reincarnation of Amaterasu, the Sun Goddess.

Abe no Semei: And that power I sensed from you, you're the Reincarnation of Lady Amaterasu, the Sun Goddess. I am honored to meet the warrior who'll end the terror of Dark Chase Young.

Lincoln: I am also honored to meet you too, Semei.

We were amazed.

Sunset Shimmer: We'd sensed the manor's curse is very strong, but we do not where it was coming from.

Abe no Semei: I'm afraid the person responsible for this is my hated rival, Doman Ashiya, the former Court exorcist turned civilian exorcist. He unsealed The Mulberry Tree by removing the spikes to find a way to resurrect his dead older daughter, Kureha, and as a result, he freed the Mulberry Twins who were the ones responsible for her death by scaring her younger sister, Utsuki.

Nicole: He's attempting to complete the Kuon spell.

Lincoln: The darkest of all spells, he used it to bring Kureha back to life, which means he was the one responsible for the curse on the Manor of Lord Fujiwara, he was preparing victims for Kureha to merge with, and that included his younger daughter, Utsuki. I can save her with my own kind of magic.

Lincoln summoned Utsuki who was in her undead state, and he chanted an incantation as golden yellow light appeared around her and wrapped around her like a cocoon, and when it was done, Utsuki was restored to normal as Lincoln caught her in his arms.

Utsuki: W-where am I? And who are...?

Lincoln: It's okay, we're here to help you. Can you tell us what happened?

Utsuki explained everything, and it confirmed what Abe no Semei had feared.

Abe no Semei: Just as I thought.

Utsuki: Sakuya, the disciple of my father, ran out of the cellar to find a way to help me. I hope she's alright.

Lincoln: We'll find her, Utsuki. First, we need to find the metal spikes your father was after to seal the Mulberry tree here in the manor.

We continued onwards, and we also began slaying Gakis and other demons along with exorcising the ghosts here. Then, we came across the tree.

Abe no Semei: The smell, it's coming from this Mulberry Tree. The five elements are out of balance, metal subdues the tree's energy.

Nico: A metal spike was used to subdue the tree's energy, and Doman removed the spikes which had caused this imbalance. We need to find them.

We went to a different part of the manor, and we found a metal spike with red kanjis on white cloth around it.

Caleb Maxwell: We found it.

Abe no Semei: Now, we need to use it to seal the tree.

We headed back, and there we found a bloody Sakuya heading there, but she fell to the ground as one of the Mulberry Twins singing the Hashizoroe song.

Abe no Semei: Demons.

The twin tried to stop her, but we drove it back. Then, Abe no Semei drove the spike into the tree and the twin became paralyzed, and then, we went to Sakuya.

Abe no Semei: So, you are one of Doman's disciples. Where is he?

Sakuya: The master? That man used us, his own disciples and his own daughters, Kureha and Utsuki, to complete the Kuon spell. Utsuki fell victim to his magic, and...

Utsuki: Sakuya. It's alright, I've been saved.

Sakuya: Utsuki..., thank goodness. Doman is back in the lab, he needs to be stopped.

Me: And we will.

Lincoln saw the remaining Mulberry Twin is trying to break free because of his magical powers.

Lincoln: I don't think one spike is going to be enough. But, we must take down Doman before it's too late.

We healed Sakuya and we proceeded onwards until we reached the cellar, and we found another spike, and we were about to head back as we went to The Lab, but then, the gates were closed and our way out was blocked.

?: I was wondering why it was taking long for the Kuon cocoon to form.

We then saw our target heading for us: Doman Ashiya.

Doman: No wonder this was your doing, Semei, you bitch.

Abe no Semei: I was wondering why I hadn't seen you in a while. Doman, you were seduced by evil and the darkness consumed you.

Doman: I'm only concerned in your body for it would make a lovely cocoon. All I need is your flesh and blood, I could care less about your soul.

Doman sealed the doors. Then, he turned to face us.

Doman: You will die here, a worthy sacrifice to the Kuon cocoon.

Suddenly, heavenly lights appeared behind Lincoln.

Lincoln: That will never happen. Doman Ashiya, you have been found guilty for your crimes against mankind, and thus, you are hereby sentenced to death.

Andre Lupescu fired a massive wave of snow, ice, and darkness at Doman and they hit him.

But, before Doman could attack, he was hit by blasts of blue energy and ice, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long orange hair and ice blue flower in her hair, purple eyes, massive blue angel wings, she has a Vegvisir and Dverg of The Nordic Alfar on her forehead, right arm, ice blue sleeveless crop top, and ice blue skirt, white gloves, blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, snow, ice, phoenixes, and angels on the coattails, and on the back is Dverg of The Nordic Alfar, she has an ice greatsword in her right hand, and with her are the four girls.

Lincoln: (GASPS) Aldith Brusveen, Avatar and Gene-Slammer of Dverg of The Nordic Alfar.

Aldith Brusveen: (Norwegian Accent) That's correct, and I got the girls away from Doman before he could add them to the list of sacrificed souls. Now, we can finish him off.

Andre Lupescu rose into the air and he charged down with his greatsword raised into the air, and as he landed...!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Doman, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed at him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON DOMAN! HE WAS REALLY GOING APESHIT ON THE ASSHOLE!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN SLASHED AT DOMAN WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIM AND HE SCREAMED IN AGONY!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to happen when we kill you.

Then, Andre Lupeau went after Doman and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at him with his silver-plated guns.

Then, Lincoln's large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and the four large orbiting gold rings and the four large orbiting gold Yata no Kagami mirrors behind them fired beams of light that turned into arrows and they pierced Doman, and he was killed, and that also caused every last ghost and demon throughout the manor to die as well.

Then, we went back to the Mulberry Tree.

Mulberry Twin: It's over now. A new mulberry tree will spawn, ah, our beloved child. (Creepy Giggling)

Abe no Semei: Be still.

Abe no Semei drove the spike into the tree and the last twin died. Then, Lincoln set it on fire, and it burned to the ground. We cheered as we holstered our weapons and powered down as we returned home to The World Tree Estate.

Nicole: That was one haunting adventure.

Sunset Shimmer: Indeed. But, not only did Lincoln restore Utsuki and we stopped Doman, but we also sealed the last Mulberry Tree and burned it for good thus ridding the manor of the curse Doman unleashed.

Lincoln: Doman made a mistake removing the spikes and using dark magic for his evil plans along with what he did sacrificing his own disciples and daughters as well, and he paid the price. (To Aldith Brusveen) And it's so good to see you again, Aldith.

Aldith Brusveen: (Norwegian Accent) You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Aldith Brusveen had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Aldith Brusveen was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Aldith Brusveen: (Norwegian Accent) Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Aldith Brusveen's waist and hugged her, and Aldith Brusveen is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and ninety-nine sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar,

Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Aldith Brusveen: (Norwegian Accent) My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and ninety-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more

bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Aldith Brusveen, Avatar and Gene-Slammer of Dverg of The Nordic Alfar, she's Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Dverg. Aldith Brusveen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Aldith Brusveen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Dverg, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Dverg, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there is one person whom she'd been wanting to kill all her life: that mutant cheapskate and monster, Flip, and that also included his entire family, and she wants nothing more than to kill them for everything he's done along with his entire family.

Me: Lincoln told us everything yesterday, but last year, we sent Flip to The Black Abyss, and months ago, we sent his entire family to join him there as well.

Aldith Brusveen: (Norwegian Accent) Good, he deserves it. My family almost got scammed by that mutant and we almost lost our entire life savings.

Nika Zaborg: That was until Lincoln came in and blasted that jerk and he exposed it to everyone in Royal Woods.

Lincoln: And everyone kicked his butt hard and we dragged him back to prison. He deserved that big time, and now that you're here, Aldith.

Lincoln with his massive muscular arms still wrapped around Aldith Brusveen's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Aldith Brusveen: (Norwegian Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Aldith Brusveen with orange gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Aldith Brusveen: (Norwegian Accent) (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Aldith Brusveen.

Aldith Brusveen had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Aldith Brusveen's waist, and he leaned down to her face and kissed her on the lips, and with Aldith Brusveen's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Aldith Brusveen had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Aldith Brusveen: (Norwegian Accent) (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The four girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the seven girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the four girls are Eiselin Hulkenberg, Eupha Etoreika, Gallica, and Juani Cygnus from Metaphor: ReFantazio.

Lincoln: Oh whoa, it's Eiselin Hulkenberg, Eupha Etoreika, Gallica, and Juani Cygnus from Metaphor: ReFantazio.

Nicole: So, those were the girls Aldith rescued, and Travis and Red were right to tell Dad and the others to hide, they're strong fighters.

Lincoln: And even though they're good fighters, Doman's dark magic would've overwhelmed them, so Aldith did good driving him away and getting them away. Are you girls okay?

Eupha Etoreika: Yes, we're okay thanks to you.

Then, when Eiselin Hulkenberg and the other three girls saw who it was that saved them from Doman Ashiya, their faces turned atomic red upon seeing the 12'6" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of

Gallica: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals

flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Eupha Etoreika:(Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Eiselin Hulkenberg, Eupha Etoreika, Gallica, and Juani Cygnus with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That was one haunting battle we had.

May: This was even darker when we went to Himuro Mansion last year.

Lincoln: That may be true, but we'd dealt with far darker forces.

Nico: And the demons and evil spirits were among them.

Me: But, we'd proven that justice will always prevail and banish the darkness back into the shadows.

Eli: That's for sure.

Allie Maxwell: I hope never to go to any world like that again, and you better not get any ideas, Caleb, or I swear you're getting my foot up your ass! In fact!

WHAM!

SHE KICKED HIM IN THE BUTT!

Caleb Maxwell: Yowch!

Roxy Drake: Sheesh, talk about a literal kick in the ass.

Caleb Maxwell: Not helping, Roxy!

After Lincoln and all of us got rid of Doman Ashiya, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Aldith Brusveen saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Aldith Brusveen: (Norwegian Accent) My God, I was right that Lincoln's really grown into an 18-year-old 12'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Aldith, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Aldith Brusveen: (Norwegian Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really

huge, really strong, and really powerful wolf man we know today.

Aldith Brusveen: (Norwegian Accent) I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Caleb Maxwell: Uh, Lincoln, there's something I need to show you and the others.

Caleb Maxwell fired a blast of darkness and he brought out a chained-up figure: to our horror, it was Knull, the God of the Symbiotes!

Lincoln: Knull?!

Black-Suit Lincoln: (Through Lincoln's Third Eye) So, Dark Sebastian brought him back. Last year, I'd defeated and absorbed him and then, I'd assimilated his powers which I'd purified giving me Divine physiology, True Omnipotence, Symbiote domination, Self-sustenance, Shapeshifting, Symbiote creation, Regeneration and regenerative healing factor, High intelligence, Immortality, Supreme Photokinesis, Light Energy Manipulation, Telekinesis, Matter

Manipulation, Teleportation, Cosmic Awareness, Supernatural strength, Supernatural durability, and Godly powers and became The God of Light, and I also gained All-Black the Necrosword, all of which I gave to you when I merged with you, Lincoln.

Lincoln: Now, if I absorb Knull, I'll assimilate his powers of darkness.

Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into Knull's back, and he began absorbing him and he assimilated Knull's Divine physiology, Nigh-Omnipotence which became True Omnipotence, Symbiote domination, Self-sustenance, Shapeshifting, Symbiote creation, Regenerative healing factor, High intelligence, Immortality, Supreme Umbrakinesis, Dark Energy Manipulation, Telekinesis, Matter Manipulation, Teleportation, Cosmic Awareness, Supernatural strength, Supernatural durability, Godlike powers, Flight, Expert Combatant, Temporal Manipulation, and Portal Creation, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible.

At the same time, Knull was screaming in pain as all of his powers were being sucked out of him one at a time and his entire body was being absorbed and pumped into Lincoln.

Then, when Lincoln was done and the stingers changed back, nothing was left of Knull and Lincoln drained Knull's soul of energy and sent him to The Black Abyss as he let out a loud and massive roar of dominance and power.

Venom: Okay, now that was wild. We should get you to go after some thugs we dealt with, we want to see what kinds of crazy things you can do with both powers of light and darkness.

Caleb Maxwell: Why do I have the bad feeling that it's gonna end with Lincoln eating their heads off along with their bodies?

Me, Nico, and all of us: You're not the only one.

Cage Blunt: Still, I hope you do go wild on them, Lincoln.

Caleb Maxwell: Don't encourage him, Cage.

Travis Tackett: Too late for that, besides, you always go wild.

Caleb Maxwell and Allie Maxwell: That's different!

Jack Howard: Yeah right, we've seen how wild you two get whenever trouble starts and you both make a mess.

Caleb Maxwell and Allie Maxwell: Damn it!

Nico: Oof, that's gonna leave a mark on you two.

We got a shower, and then, Tai Kamiya and Mimi Tachikawa are heading to Lake Michigan Beach.

Tai: Wow, we're here in Lake Michigan Beach.

Mimi: It's the perfect place for us to have some rest and relaxation before the big mission today.

Tai and Mimi dived into the waters and they were swimming in its clear and clean waters, and they were relaxing on the sand. But, then, they saw a group of thugs heading right for us.

Tai: What the?! Thugs?!

Mimi: Of all the...!

Suddenly, Lincoln appeared and he went at the thugs and he morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of thugs, and he began absorbing them into his body and he assimilated their massive superhuman upper body and lower body strength, massive muscle mass, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of thugs except for their clothes, and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Lincoln: Sorry about that, guys, but we got the word that Giselle Razor was the one who sent the thugs to kill you two.

Mimi: That miserable thug! She's going to pay for this.

Tai: That she will. Thanks for the save, Lincoln.

Lincoln: Anytime.

Lincoln teleported back, and a few minutes later, Tai and Mimi came back home.

Tai: Lincoln told us what happened when he came after those thugs.

Nico: Giselle Razor, that miserable thug. I knew she'd be back to raise Hell on us.

Lori: On a future rescue for you, Nico, we are literally going to tear that bitch apart.

Heather Riley: Save some for me, Lori. I've had quite enough of that murderous thug to last an eternity, she's going straight to The Black Abyss for this.

Me: That's for sure.

Lincoln: But not before we tear her apart for all of her crimes against the state of Michigan.

Ymir: Giselle Razor? Who is she?

We then explained her history, and when we were done, everyone who hadn't heard about her was disgusted.

Caleb Maxwell: She's even worse than the thugs roaming the streets in New York! If she gets out a knife, I'm gonna blow her hands off!

Allie Maxwell: And I'll gouge her eyes out before I stab her right in the brain!

We almost barfed!

Nico: Guys, do not let J.D. go after you again!

Later it was time for Lori, Jessie and Joans's 3rd mission.

Nico: Anyone else want to go with Lori, Jessie, and Joan? Besides Musa, Ish, Otto Rocket, Leonard, X Squad Broly, and Sonimax?

Duncan: I'll come.

Tala: So will I

Me: Okay then.

Apple Bloom: And me and crusaders will go too.

Me: Cool cool. Anyone else?

Carol: Me and Maria too.

Me: All righty. Anyone else?

No one raised their hands.

Me: Nope. Okay lets go.

We were off to Japan.

We arrived.

Guren: Hey guys!

Lori: Guys, meet Carmen Dillo, Musa, Ish, Otto Rocket, Leonard, X Squad Broly, and Sonimax.

Tala: Same here.

Apple Bloom: We are the Cutie Mark Crusaders. I'm Apple Bloom.

Sweetie Belle: I'm Sweetie Belle.

Scootaloo: I'm Scootaloo.

Diamond Tiara: I'm Diamond Tiara.

Silver Spoon: And I'm Silver Spoon.

Guren: WOW! You guys are the heroes of Paris! You killed that heartless girl uhh. What's her name?

Me: Lila Rossi.

Guren: That's right! Wow! An honor!

Apple Bloom: Same here.

Beni: Yeah. And Carol and Maria good to see you again.

Carol: Same here.

Guren: Jessie. what can you tell us about yourself?

Jessie Knudson: I sure can. I am the chief historian of the team and I know all there is to know about all the worlds history and more. It's really amazing.

Me: My daughter Jessie knows so much about the worlds history and it's amazing.

Beni: Cool! What is your favorite event?

Jessie Knudson: My favorite was the Reign of King Charles XII of Sweden. He was the King of Sweden back in the year 1700 and he was known for starting the Great Northern War which lasted from 1700 to 1721. It was to contest the supremacy of the Swedish Empire in the Northern, Central and the Eastern parts of Europe.

Beni: Wow! That is intense.

Jessie Knudson: It was. It was back over 300 years ago and it was brutal.

Guren: wow!

Ceylon: That is cool!

Me: Yeah.

Jessie: I'm also an archaeologist and an Egyptologist and go on digs and all that. It's fun.

Beni: Wow! You are talented in that.

Jessie Knudson: I get that a lot.

Nico: Any enemies of yours active?

Gen: Actually yes. Slyger is attacking.

Me: What can you tell us about him?

Gen: He is a tiger man.

He went over his history.

Slyger (スライガー, Suraigā) is another powerful henchman who works under Vilius. He is armed with two claws and may be based on a tiger's armor. Slyger maybe sneaky and cunning, but he is also brave unless it comes to the Tenkai Knights.

When he was done we were shocked!

Me: WHOA! So he is gonna be fast and deadly.

Nico: Nothing we can't handle.

Rice: That is for sure. And it's gonna be a brutal buttkicking from us.

Nico: Where is he?

Guren: Heading to Tenkai castle now.

Me: Lets get a move on.

Nico: Right!

Guren: TENKAI UP!

We were off and we arrived on Quarton!

Apple Bloom: WOW! So this is Quarton!

Rice: This is it girls.

Silver Spoon: It's just like a world of Legos.

Me: That was my first reaction too.

Dromus: Yeah but it's awesome.

We saw a figure.

Nico: There he is!

Me: Now we'll show you guys how we do our entrance!

We went at him!

Slyger: Soon Master Vilius will be pleased.

But then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMM!

A massive fiery explosion blasted out above him and a phoenix cry was heard and we landed!

Me: Down kitty!

Slyger: Team Loud Phoenix Storm!?

Me: That's right!

Rice: Hello Tiger Face! Been a while!

Slyger: Oh crud! Rice!

Rice: Who were you expecting? Tiny Tim?

Slyger: What are you waiting for? Give in to your monster mind! It's the only way to beat me!

Rice: HA! You think I'm that stupid? You think I'm that gullible? Me and Razorfist now work together.

Me: And your Palpatine tricks won't work on us.

Slyger: Way to spoil my fun! Looks like I'll have to do this the hard way.

Me: Now THAT we can do!

Jessie Knudson: Starting with this one. CHLORINE STYLE NINJA ART: ATTACK OF THE DEAD MAN!

(THE ATTACK OF THE DEAD MAN BY SABOTON PLAYS)

She floated and chlorine gas swirled around her and an image of the August 6th, 1915 Attack on Osowiec Fortress in World War I formed behind her and she fired waves of chlorine and they formed into the soldiers of Germany and they blasted him all over and he coughed and gagged all over and got bashed down!

Valorn: COOL!

Jessie Knudson: What you saw was the 1915 Defense of Osowiec Fortress from World War I.

Me: That was the very battle that brought us into the age of Chemical Weapons.

Musa got out her Ridebook and read a verse and blasted him with music.

Broly fired an Eraser Cannon and blasted Slyger!

EXTREMELY MASSIVE AND INCREDIBLE POWERFUL EXPLOSION!

Venetta: WOW! That was INTENSE!

Me: Yep!

Otto got out his Ridebook

Otto: LETS SHRED!

He skateboard and rode fast! He read a verse and blasted him all over the place.

Otto: RADICAL!

Joan: YEAH! My friend Stacy who is the female counterpart of my brother Sean, is a close friend of Otto and she has a powerful fast name called The Lightning Shark.

Venetta: That is awesome!

Bravenwolf: That is awesome!

Nico: It sure is!

Ish got out his Ridebook

Ish: BLUE 44! HUT HUT HUT HUT HIKE!

Ish ran and read a verse and fired rainbow lightning blasts and electrocuted him all over!

Carmen Dillo rolled and smashed Slyger down with a massive ram ball!

Rice punched him

POW!

She kicked him!

SMASH!

She bashed him on his face!

KROW!

She knocked him down!

Eli: Take that!

Me: Nico kick me like a ball!

I used Carmen Dillo's Ridewatch and curled into a ball.

Nico: Here we go!

He kicked me!

KICK!

I went flying faster than a meteor and then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

I SMASHED INTO HIM WITH EXPLOSIVE FORCE AND A MASSIVE MUSHROOM CLOUD WAS FORMED FROM IT!

Ish: GOAL!

Me: TOUCHDOWN!

But then a Sand blast hit Slyger!

Me: What the?

We saw a Sandshrew!

Me: Hey a Sandshrew.

Nico: What's that doing here?

Carol: I think I know.

Carol used Telepathy and gasped!

Carol: Oh man! It's Kendall Diego!

Carmen Dillo: (GASP) My sister Kendall!? Oh my gosh!

Maria: You would like her guys. She has amazing sand powers.

Me: We better help her!

We went to face her.

Carmen Dillo: Kendall it's me Kenny!

She rolled at us and we dodged her.

Me: Okay then.

We fired waves of energy and blasted her. Then I snapped my fingers and she reverted back. She had orange hair, orange eyes, orange wings and had Sandshrew on her forehead and had the New Mexico Sun with Ship Rock in the middle on her arm as her Cutie Mark.

We wrapped her in a blanket.

Kendall Diego: (Groans) What happened?

Carmen Dillo: Kendall?

Kendall Diego: (GASP) Who are you!?

Carmen Dillo: Kendall it's me Kenny! I was turned into this by the Quantum Vapor.

Carol: We have a story to tell you.

Kendall Diego: Carol? Maria? Wow!

She hugged them.

Carol: We're glad to see you.

Kendall Diego: Me too.

Me: You were turned into a Sandshrew by Dark Gale.

Kendall Diego: (GASP) I Remember!

* * *

She was in an orange suit and injected and turned into SANDSHREW! She rolled out of there.

FLASHBACK ENDS

Kendall Diego: It was awful.

Maria: I know. But we destroyed them.

Me: Kenny turned into an anthropomorphic armadillo because of the Quantum Vapor. It's an Experimental Biohazardous Mutagenic Gas and it mutated him and you.

Carmen Dillo: It's how many of us got our powers sis.

Kendall Diego: So that's that weird purple cloud was. How bizarre!

Nico: It's true.

Me: Yeah.

Maria: It turned me into pure water and I became Aquamaria.

Kendall Diego: Whoa!

Carol: Kendall has the superhero name Lady Sandstorm. She is a master of all things sand and the powers of the wind. She has power of the sand, deserts, and more and can even make quicksand.

Me: WHOA! That is cool. You would get along great with our teammate Gaara.

Kendall Diego: I'm sure. Also I am the Sand Mage of Sonya's team and outside I use my powers to help people.

Me: I see. Lets get you some clothes.

I snapped my fingers and she had hello and orange clothes and had an orange sword.

Kendall Diego: Wow! I look awesome!

Me: You sure do. Also we're in the middle of a battle.

Kendall Diego: Lets go then!

We went and battled Slyger!

Kendall fired sand balls and blasted him in his eyes and he screamed in pain!

Me: OUCH! Nothing hurts worse than sand getting in your eyes!

Bravenwolf: Yeah no kidding!

Bravenwolf fired fire blasts and blasted him.

But then...

EXPLOSIVELY LOUD NASTY AND HORRIBLE FART!

A fart hit him and he coughed and gagged and fainted from the smell!

Me: (SNIFFS) (SEAL BARK) OH GOOD GOD! WHAT THE FUCK IS THAT HORRIBLE ODOR!?

Eli: It's from her!

We saw a figure and it was a girl with dark green hair and red eyes and black clothes and wings and had a tiara with Gutrot on it.

Me: (GASP) Oh man! Gwen Gutrot!

Nico: Gutrot's Embodiment!? Oh man!

Gwen Gutrot: Yep. I got this!

EXPLOSIVELY LOUD NASTY AND HORRIBLE FART!

She farted in his face and knocked him out!

Me: OH GOOD GOD!

Gwen Gutrot: I know. My farts are REALLY NASTY!

Me: So we have seen.

Gwen lost control and farted towards Tala!

EXPLOSIVELY LOUD NASTY AND HORRIBLE FART!

Tala vomited and really hurled!

Me: YUCK!

I fired the Cure Ray and injected her!

Tala: That is nasty!

Me: Here guys you my need these.

I pulled out some noseplugs.

I put one on.

HONK!

Me: (Nasally) That's better!

Tala put one on her.

Tala: (Nasally) That works.

Tala fired waves of magic and blasted her.

Duncan charged and kicked her.

Duncan (gets out Ridebook): Not the first Gwen I'm familiar with

He read a verse and fired waves of energy and blasted her.

Carmen Dillo: Like old Times sis?

Kendall Diego: You know it!

Carmen and Kendall: SANDSTORM ARMADILLO BOWLORAMA!

They fired waves of sand and entombed her in a huge bowling pin with 9 more pins.

Carmen Dilo: Time to bowl a strike! Ready J.D?

Me: You know it!

I grew and picked him up.

Me: Here we go.

I ran and rolled him and then...

BOWLING CRASH!

STEEEEEERIKE!

Me: YEAH!

she was back to normal with her normal green eyes as the antidote took effect.

Gwen Gutrot: (GROAN) What hit me?

Nico: Is it over?

Gwen Gutrot: FINLAND!

WE LAUGHED!

Rice: Yes it is. I teleported Slyger to the M.O.E.

Me: Good.

We later went back home.

We arrived.

May: Hey guys. How was it?

Me: It was awesome.

We told everyone everything.

May: WHOA! That was awesome

Carmen Dillo: It sure was fun!

Xenia: Cool!

Nico: Next time, Bobby, Muchiro, Amore, Sunny Bridges, and Apple White should come.

Lori: (SQUEALS) Oh Bobby Boo Boo bear this will be fun!

Bobby: You said it babe!

Me: You are gonna do great Amigo. Also Ronnie Anne should come too.

Ronnie Anne: I think that would be fun.

Amore: I agree.

Lola: Yeah!

At Lynn's Table we were there for the Mascots doing something fun.

Mimi: Palmon, I'm glad you don't participate in these antics

Palmon: I wouldn't want to anyway.

Poromon: Okay guys we challenge you to a Pinecone Sitting Contest!

WE GASPED!

We saw huge piles of pinecones sharper than tacks.

Lazlo: We know how this will work!

Patsy: We sit on them and last one standing wins.

Me: (GULP) This is gonna be painful!

They got ready.

Xenia: Ready? GET SET!

Xenia blew the whistle.

POINK POINK POINK POINK POINK! POINK POINK POINK POINK POINK! POINK POINK POINK POINK POINK!

Dave and Pingpong: YOW OW!

Almondine: (GROANS IN PAIN)

YICHIHUAHUAS! THAT IS GONNA HURT!

Me: (WINCES) OH MAN!

Nico: OUCH! That has to hurt really bad!

Eli: OH MAN! THAT IS REALLY GONNA HURT!

They groaned and their butts were really stinging from it! OUCH!

OH MAN THAT IS GONNA HURT!

Samson fell off!

CRASH!

Lemmings: HUP HUP HUP HUP HUP HUP HUP HUP HUP HUP!

They loaded Samson onto a stretcher and brought him over.

THE PAIN FOR SOME OF THEM WAS REALLY UNBEARABLE! OUCH!

WE WINCED FROM IT!

OH MAN THAT IS NOT GOING TO FEEL REALLY GOOD IN THE MORNING!

Sora: Biyomon, I'm glad you're not in this

Biyomon: Me too!

THEY WERE REALLY IN A LOT OF PAIN!

Me: MAN THAT IS REALLY GONNA HURT!

Gretchen: YEOW!

She went flying!

Lazlo fell off!

CRASH!

Until it was only the mascots and Patsy!

Me: Wow Patsy is tough.

We wrapped the campers in bandages and they had ice blocks on their butts!

Me: OH MAN THAT IS GONNA REALLY STING!

The Jerks were feeling it too!

Flip Clone: GEEZ! That is gonna hurt!

Billy McLean Clone: OUCH! No kidding! But it's awesome!

POW!

May punched him in the face!

Poromon got out a beer.

Fellbat: Poromon got some beer out!

Me: Uh oh.

Patsy was not moved.

But Poromon dropped his beer and it launched and hit Patsy's pinecones and knocked her and the pile down!

POROMON WON!

Me: POROMON WINS!

We cheered for him!

Poromon: YEAH! And the prize is an all you can eat chicken pot pie and mashed potatoes and gravy buffet!

Nico: (to Horsea) Which is more painful? This or being attacked?

Horsea: Hmm. Being attacked.

Nico: I had a feeling.

Manaphy: OW!

May: At least you tried.

Qin: That was crazy!

Me: No kidding!

Poromon: But it was fun.

Me: At least you guys didn't eat garbage or chum

Nico: Are we forgetting something?

Flip screamed in pain!

Me: Look!

We saw a Brambleghast stabbing him in his butt!

Me: A Brambleghast!

Nico: How did that get here?

Me: I think I know. It's one of Dark Gale's work.

Wallflower Blush: Lets see.

She used telepathy and gasped!

Wallflower Blush: It's my sister Swampflower Ghost!

WE GASPED!

Me: Oh man! Lets go help her.

We went over.

Wallflower Blush: Swampflower it's me Wallflower!

She charged at us And we dodged it.

Me: Okay then.

We blasted it with leaves and energy. I then snapped my fingers and she reverted back and was a girl with dark green hair and brown eyes and had green angel wings and had Brambleghast on her forehead and she had a Ghost with a black flower on her arm as a Cutie Mark.

We wrapped her in a blanket and brought her over and sat her on a booth.

She woke up.

Swampflower Ghost: (Groans) What hit me?

Wallflower Bloom: Swampflower?

She gasped!

Swampflower Ghost: Wallflower!? It is you!

She hugged her.

Swampflower Ghost: I'm glad you're okay!

Wallflower Bloom: Me too!

Me: You were turned into into a Brambleghast by Dark Gale.

Swampflower Ghost: (GASP) I remember!

She was in a black suit and injected and in a swirl of ghosts she turned into Brambleghast! She rolled out.

FLASHBACK ENDS

Swampflower Ghost: It was awful.

Me: I know but we destroyed Dark Gale.

Swampflower Ghost: I'm glad for that.

Nico: What's your role in Sonya's team?

Swampflower Ghost: I am the Ghost Wood Master of the Team and I use ghosts and woods of haunted forests for taking down our enemies. Outside the team I use my time to help Wallflower and Sunset Shimmer.

Me: Cool.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new black clothes and a green scythe.

Swampflower Ghost: I look cool!

Me: You sure do.

Qin: Yeah.

Poromon: We got done with something fun

Me: You sure did.

Xenia: That was crazy funny.

Needle Man: I bet my needles are just as painful as pinecones

Me: I have a feeling they are.

Poromon: No kidding.

Manaphy: I know. Ow.

Me: Boy you guys are gonna feel that.

Qin: Ouch! No kidding!

Xenia: Yeah.

We later went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase

Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was our old enemy, Apocalymon, he's back for Round 2 and he's out for revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was our old enemy, Apocalymon, he's back for Round 2 and he's out for revenge on us.

EVERYONE GASPED!

May: APOCALYMON'S BACK AGAIN!? I don't believe him!

Sora T: That apocalyptic monster! That's it, he's done for!

Me: And I got a plan: just like what we did last year, we're going to send him to an evil dimension. I found another evil dimension, it's in an alternate universe where Lord Zedd erased all good.

Lincoln: I get it, and just like last year, we'll send him there and have him blow himself up there and we'll banish him and all of that universe there into The Black Abyss.

Eli: That's perfect bro!

Nico: Awesome! Now, that is perfect! Alright, team, let's get ready to head to The Digital World.

Lincoln: Apocalymon, your time is finally up, this time, we'll make absolutely sure you never come back.

Nico: YEAH!

The previous group came.

Goliath: Can me, Rojo, Pyro, Dirty Bubble, Chemistro, KGBeast, Titanium Titan, Stonedozer, Evilseed and Aquaduct go with you guys?

Nico: Yes you can. We're going after Apocalymon again.

THEY GASPED!

Goliath: Oh man! I didn't expect Anti-Monitor to bring him back!

Me: Me neither. But I do have a plan for this. Also we're going to need all the Digimon we can for this like before.

Nico: Yep.

Heckyl: Nico, which gene-slammer do you think you'll meet next?

Nico: Number 72: Shogi Rook and Number 71: Rebarian Shark.

Me: OOH! Nice! I have a feeling Number 72 will be someone Shikamaru will get along with. He and his dad and I played shogi too.

Nico: Really?

Me: Yep. Built up strategy and tactical expertise.

Nico: Wow that is sharp.

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figures was in the vision: it was Draven Jacobs, and he's heading for us to kill Lincoln. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: You got to be kidding me! That was...!

Lincoln: Draven Jacobs. Remember the story of how he murdered the bully Flip hired to get revenge on me?

Nico: I remember. That psycho serial killer got killed by the cops, then that meant Dark Sebastian brought him back from the dead long before we banished his ass to The Black Abyss.

April Swanson: Then, it's our job to make sure Draven Jacobs gets sent to The Black Abyss.

Lincoln: Right, April.

Nico: That psycho killer's done for. Alright, team, let's go, the time to destroy Apocalymon for good has finally come.

Lincoln: We'll make sure he never returns again, and once we get done with him, you're finished, Draven Jacobs.

April Swanson: You've done some really messed up things for the last time, Draven Jacobs, now it's time for you to disappear once and for all.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to The Digital World and send Apocalymon straight to The Black Abyss forever, and once we get done with him, April Swanson A.K.A. Glitter Spring and Lincoln are going to destroy Draven Jacobs and send him to The Black Abyss where that asshole belongs.

We were off to File Island.

We arrived.

Me: We're here.

Tai Kamiya: Just like old times.

Qin: Yep.

Nico: Boy this is gonna be brutal.

Xenia: Yeah.

Rojo: Let's call the Springfield Mafia.

Me: Good idea. And like I said, we better call all the Digimon too.

We did so. The Springfield Mafia and the Digimon came.

Fat Tony: We're here.

MetalSeadramon: This is gonna be brutal.

Piedmon: It sure is.

Me: No way in hell are we going to let Apocalymon destroy the entire Multiverse!

Apeface: Let's bring out WarGreymon.

Me: Like before, we'll bring out ALL OF THE DIGIMON!

Poromon: Including me!

Nico: Yeah!

Ymir: Who is Apocalymon?

Me: Oh right. He is the Digimon of Armageddon.

I went over what he was.

Apocalymon is the overaching antagonist of the Digimon Adventure franchise. He was created by deceased Digimon during a reconfiguration and he was able to breach through the fire wall.

Separated from the rest of the Digital World and forced to watch moments unfold, Apocalymon grew to despise the Digimon who were allowed to exist and intended to destroy the entire Digital World. As a result, Apocalymon began to influence events such as the reign of the Dark Masters and other evil Digimon that the DigiDestined defeated.

Upon Piedmon's defeat, with Spiral Mountain's last scraps of stolen land returned to the Digital World, Apocalymon destroyed the framework and castle of the mountain, drawing the Digidestined and their Digimon into a void where the mountain once stood.

Apocalymon reveals himself and he even self mutilated to show both his warped ideals and resolve. From there, using the attacks of many of DigiDestined's previous enemies, Apocalymon dedigivolves the Digimon and destroys the Crests before deleting the DigiDestined and their partners. However, still possessing the Crest power, the Digidestined return to existence with their Digimon as they manage to defeat Apocalymon, destroying all his claws and the humanoid part of him. However, Apocalymon uses his last resort attack Total Annihilation to destroy himself and everyone else. But the DigiDestined's refusal to give up enables their Digivices to create a barrier around Apocalymon to contend the blast, though a fragment of Apocalymon survived and incorporated itself into the Digi-Egg that would hatch years later into Meicoomon.

When I was done everyone was shocked!

Ymir: Oh man! And he has the power to obliterate an entire dimension!? THAT'S INSANE!

Me: I know. But somehow Anti-Monitor upgraded him to get the power to destroy the entire Multiverse.

Nico: Geez! Must be an Anti-Monitoro Orb in him.

Qin: Yeah.

Ymir: What does he look like?

Me: Here.

I showed a hologram of him.

Ymir: Whoa! He looks scary.

Me: I know. But luckily I did find a universe for us to destroy him and all evil there.

I showed a map of the multiverse. It showed a black ball below all the other multiverse universes isolated from the others and it was pitch black.

Me: It's called Universe Anti-666.

Nico: Whoa!

Rumble: Why's it called that?

Me: Because it's the polar opposite of Universe 666. Instead of just the villains being good, it's EVERYTHING that is evil.

Rumble: Oh man!

Qin: That is a perfect target.

Dirty Bubble: How did it come to be?

Me: Well I did some research and with the help of King Kai, I found out that it's a universe where we DON'T exist. We didn't leave our mark there. So Zedd detonated his anti-good bomb without any opposition and destroyed all good there all over the universe. But one thing he didn't count on was that this universe was totally isolated and cut off from the entire multiverse. So his Multiverse Good Destroyer Bomb only resulted in it being an isolated matter.

Nico: I think I understand.

Skullcruncher: Geez!

Qin: That is terrible!

Ymir: Yeah!

Me: So lets just say that thank God we stopped Lord Zedd from detonating that bomb and STOPPED A TON of shit from happening!

Titanium Titan: (Spanish Accent) No kidding!

Me: Yeah.

Nico: Okay now I understand your plan. We'll go through with it.

Me: It'll send another message to Lord Zedd too.

Camie: Yep.

Puppetmon: So in a way Vilgax killing Lord Zedd back then was a blessing in disguise.

Me: In a way yes. So that he can never do something like this ever again. And we destroyed many of the bomb components he used before forever.

Eli: We're one step ahead of him.

Me: We sure are.

Cut Man: Vilgax probably would've used it himself if we didn't destroy it

Me: You're right on that. At least Anti-Monitor didn't bring back Vilgax. Still I have a score to settle with Vilgax.

Nico: Lets just focus on the matter at hand.

Me: Okay.

Eli: We'll face Apocalymon on Infinity Mountain like before.

Xenia: Yeah.

Sagittarimon: We're ready for him.

Evilseed: (to me) There's not much you can do about it. Vilgax wasn't one of the people brought back by Anti Monitor like you said.

Me: Thank goodness. And Ben is happy about that too. After all the headaches in the past Vilgax did to Ben and friends and to many planets all over the galaxy, the universe is now a much safer place without him.

Ben: Indubitably.

Qin: Yeah no kidding!

Aqueduct: If Apocalymon is that big, then it'll take time for him to get here

Me: Yeah but we'll be ready for him.

Xenia: Yep.

Lincoln: I agree. (GASP) Whoa! I just saw who the next Akuma will be. It's Sora Takenouchi's akuma, HatePhoenixmon. The Hypothetical Akuma of Sora Takenouchi and she is a Phoenix Digimon and she is a Mega Level Digimon. Also She hs intense fire powers and radiates an intense negative energy that is mindboggling! She was made because of the darkness inside her because of her mother's fear for her safety and she vowed to make sure she pays for her sins.

WE GASPED!

He showed a sketch of her and she was a 6-winged phoenix made of pure fire and had the Crest of Love on her chest!

Me: WHOA! She looks scary! And wait she was made because of Sora's mother?

Nico: Oh yeah. I never told you this. Sora had a REALLY Rough relationship with her mother.

Me: Why? Did they get into fights all the time?

Nico: No she was very overprotective of Sora.

Eartha: Long story.

Me: Oh man.

Sora Takenouchi: Yeah my mother was very protective of me. Ever since the Highton View Terrace Incident mom has gone to great lengths to keep me safe. After I got hurt in a soccer game she told me to stop playing and I got upset. Because of that we lost our game 6 - 3 and I was REALLY mad at her for that. I had a resentment for her because of it.

Me: Oh man. Sora I'm sorry. But Sora you are not a baby anymore you are free to make your own decisions. You can become a soccer star, tennis star or a fashion designer. It's up to you.

Poromon: I was there.

Nico: So was I. Back when we battled Myotismon the first time, I had a nice talk with Sora's mom and told her about everything that Sora went through and how Sora is grown enough to make her own choices and that she can be what she wants to be.

Sora Takenouchi: I remember that. I forgave my mother after the War with The Dark Masters.

Me: Wow. That's good.

Sora Takenouchi: I miss my mom though. I'm sure we both miss our mom.

Miko Takenouchi: I know.

Muchomon: I'm sure your mother will be okay.

Me: I know she will be fine. Right now we got an Akuma to stop.

Stonedozer: Sora? Is that you?

Me: Uh she hasn't appeared yet.

Stonedozer: Oh sorry. Getting ahead of myself.

But then a Phoenix Cry was heard and we saw her! We saw HATEPHOENIXMON!

WE GASPED!

OUR AURAS FLARED UP WITH INTENSE FEROCITY FROM HER!

Me: WHOA! The level of hate coming off of her is astronomical!

Lola: It's more than Hate Master!

Me: No kidding!

HatePhoenixmon: (Echoing) HATRED INFERNO!

She fired a massive blast of fire from her mouth and wings at us and we absorbed it and our power increased exponentially!

Me: HOLY CRUD! That is intense!

HatePhoenixmon: So you all are here! NOW I CAN DESTROY YOU!

Me: WHOA! You are REALLY PISSED!

Stonedozer: Now I can ask. Sora is that you!?

HatePhoenixmon: Of course it's me! Who else would I be!?

Fat Tony: You need to seriously calm down!

HatePhoenixmon: NOT IN THIS LIFE! (ECHOING) HATRED INFERNO!

She fired a massive blast of fire from her mouth and wings and blasted the Mafia down and burned them!

Me: OUCH! Okay then you asked for it! (Echoing) BLAZING HELIX!

I fired a massive helix chain of intense fire and blasted her!

The Springfield Mafia fired their guns but the bullets weren't having any effect!

Yamato Man: Nico, you might want to upgrade their guns!

Nico: On it!

He snapped his fingers and they turned into deadly plasma blasters!

Fat Tony: Ooh nice!

They fired and blasted HatePhoenixmon down!

Me: WHOA! That was cool!

HatePhoenixmon: My turn! (Echoing) NIHILISTIC INFERNO EXPLOSION!

SHE DETONATED HERSELF!

EXTREMELY MASSIVE AND INTENSELY POWERFUL FIERY EXPLOSION OF SUPERNOVA PROPORTIONS!

I formed a powerful force field around us and we absorbed the intense heat and flames from the blast! IT MADE US MORE POWERFUL AND STRONGER THAN EVER BEFORE!

When the smoke cleared 1 hour later we were overflowing with intense fire and more from it!

Me: HOLY FUCKING SHIT! I've never seen an Akuma blow themself up like that!

Nico: NO KIDDING! That was intense!

Qin: Marinette have you ever had an Akuma in France do a Kamikaze stunt?

Marinette: I don't think so. I don't think any of Hawk Moth's Akuma's would be stupid enough to blow themselves up like that.

Me: Probably because they wouldn't take the cowards way out.

Xenia: Yeah.

KGBeast: (Russian Accent) Were Poromon and Poliwag with you when you talked to Sora's mom?

Poromon: I was but Poliwag wasn't.

Poliwag: We didn't meet until much later.

Proto Man: (to Poliwag) But did you still get a chance to meet Sora's Mom?

Poliwag: Yeah that was back when the Digimon Emperor was terrorizing the Digital World. Me and Poromon got some shots in on Ken when he was facing Nico.

Poromon: I really blasted him good.

Poliwag: Me too.

Me: WHOA!

Ken: It was a brutal beating too.

Me: Yikes!

Then we saw a storm form miles ahead of us.

Me: Uh oh. I think I know what that is.

Nico: He's here.

Chemistro: You guys know it's a trap, right?

Nico: We know. We just don't care.

Chemistro: I think we all agree. Let's kill him for good this time.

Me: We're ready for him.

Nico: Here we go!

We heard the malevolent laughter of Apocalymon as he's causing havoc in The Digital World.

Nico: Time to put a dampener on his mood.

Lincoln: Let's do this, and we've got a little surprise in store for him. (Sensed Draven Jacobs) Nice try, Draven.

Lincoln fired gold spider silk and tied up Draven Jacobs who was trying to attack us.

Lori: It was easy spotting you since you smell like a gym bag. We'll deal with you later after we take care of our big problem.

We took off into the air to attack Apocalymon.

Apocalymon: (LAUGHING MALEVOLENTLY) GO AHEAD AND RUN, FOOLS! But, you can never escape! ALL WILL BE DESTROYED!

Lincoln, his sisters, and harem: Galactabeasts, Activate Fire Mode!

The Galactabeasts of The Elementus Galaxy activated their Fire Mode, and they had fire surrounding them and they fired powerful blasts of fire at Apocalymon and he got burned bad!

Suddenly, the spirits of The Digimon appeared and they attacked Apocalymon and we also threw Draven Jacobs in as well and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and a massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Apocalymon even more pissed off than ever.

Nico: Figures you'd return for more, Apocalymon.

Me: Too bad we're more than ready for you, and we're more powerful than last time.

Apocalymon: I don't care! I WILL DESTROY YOU ALL AND THE ENTIRE MULTIVERSE!

Lincoln: Shut up already, you broken one-track record. NOVA DEATH RAY!

Lincoln held out his left hand and four large focusing lenses formed, and he fired a beam of red energy and fire which went through the focusing lenses and made it even more powerful than ever and it hit Apocalymon and he got hit hard and burned badly!

Apocalymon: OUCH! WHY YOU...!

Me: You really are starting to piss us off Apocalymon!

Apocalymon: DO YOU THINK IT'S FAIR THAT I SHOULD HAVE TO LIVE WITH ALL THIS AGONY? WHY SHOULD YOU GET TO LAUGH WHILE I AM FORCED TO CRY? WHY DO YOU GET TO TASTE THE BEST THAT LIFE HAS TO OFFER, WHILE ALL I DO IS CHOKE ON ITS LEFTOVERS?! ANSWER ME THIS! WHY DO ALL OF YOU GET THE PIZZA, WHILE I GET THE CRUSTS?!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF APOCALYMON TO NO END! NOW, THE BATTLE TO FINALLY DESTROY YOST APOCALYMON WAS ON!

Lincoln, Sora T., Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after Apocalymon, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Apocalymon and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at them as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, Sora T., Crash Bandicoot, Red Savarin, Von Lycaon, Ricky, Nico, and I and the rest of us attacked him super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Apocalymon even angrier than ever.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit Apocalymon and he got hit hard, and one of the blasts hit The Monitor Orb embedded in the forehead of Apocalymon, and not only did we get a massive power boost, but Apocalymon screamed in agonizing pain as he clutched his forehead.

Eli: That'll teach you, you bastard!

Then, Lincoln formed and fired a rainbow energy ball that hit Yost Apocalymon on the back and he was left with a burning scar on his back.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Apocalymon and we all found ourselves not only in Heaven, but also, in space.

Lincoln attacked Apocalymon with one final powerful downward swing of his massive greatsword and that caused a massive explosion to erupt and the chains broke and

Apocalymon was on his last legs as Lincoln landed in front of us.

Ed Cowart: Okay, you oversized abomination of data! Now, you get yours!

Ed Cowart proceeds to insult Apocalymon.

Ed Cowart: Holy shit! You must be compensating for something cause without that sphere you'd look as ugly as fuck! Any smaller, and you'd be a tinyass flea even smaller than fuckin Frieza! You're dull and ugly too! Were you born this small or did you have to work on it? Prepare your uglyass for death! And one last thing?

Ed Cowart got to Apocalymon and he beats up Apocalymon same way Patrick star gets himself beaten up, then he kicked Apocalymon to a massive crate of TNT which was lit up and exploded launching Apocalymon into space and into an exploding asteroid which then exploded launching Apocalymon down straight back to Earth in a canyon and he landed leaving an Apocalymon sized crated. Then, Ed Cowart wedgied Apocalymon and pulled his underwear over his head.

Ed Cowart: WEDGIE!

And Ed Cowart finished by dressing Apocalymon with a pink leotard and a blonde princess wig and tiara.

Apparently, the manor has fallen under a dark curse with hungry demons roaming the manor and the malformed and the vengeful ghosts of the murdered victims wandering the manor and trying to hurt the living, and we're going to find out that this was due to the actions of Doman Ashiya, the former Court exorcist turned civilian exorcist, because he unsealed The Mulberry Tree by removing the spikes to find a way to resurrect his dead second daughter, Kureha, and freeing The Mulberry Twins who were the ones responsible for the death of Utsuki's sister, Kureha, and was attempting to complete the Kuon spell. THE BEAM EXPLODED OUT INTO SPACE AND DRAVEN JACOBS WAS KILLED IN THE EXPLOSION AND HE WAS SENT TO THE BLACK ABYSS!

We cheered wildly as we holstered our weapons and powered down and April Swanson's new body, clothes, weapons, jewelry, Third Eye, one-hundred massive and long green wolf tails, large gold halo and large gold Yata no Kagami mirror with gold leaf ring-shaped frame around it with embedded green gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold lightning bolt ring-shaped frames around them with embedded green gems behind the gold rings behind her head, one-hundred large green planets orbiting around her legs, one-hundred smaller green planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized green planets orbiting around her wrists and ankles, and massive green angel wings and ninety-nine sets of large green angel wings underneath her massive green angel wings are permanent.

April Swanson: We did it, that's one down and only one more to go. Thanks for helping me get rid of Draven Jacobs, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, April.

Me and Nico: Our pleasure, April.

Suddenly, April Swanson wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to April Swanson's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and April Swanson sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Emily Anderson: That was so awesome! April, you transformed, and you and Lincoln really let that idiot have it.

Candy: That's for sure.

Pop: Indeed. Plus, you got rid of one of Dark Sebastian's instruments of revenge.

Ricky: It's not much longer before we get rid of the last of them.

Me: That's right. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the Vegvisir appear in the skies along with the Duel Monster, Sleipnir of the Nordic Beasts and the Nordic horse, Sleipnir.

Lincoln: The Vegvisir and the Duel Monster, Sleipnir of the Nordic Beasts and the Nordic horse, Sleipnir.

Astrid Michelsen: (Norwegian Accent) There's one person who fits that: Alfhild Endreson, Avatar and Gene-Slammer of Sleipnir of the Nordic Beasts, and you guys are going to love meeting her, Alfhild Endreson, Avatar and Gene-Slammer of Sleipnir of the Nordic Beasts, is Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Sleipnir. Alfhild Endreson is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Alfhild Endreson moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Sleipnir, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Sleipnir, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there is one person whom she'd been wanting to kill all her life: Frieza, she hated him for everything he did, and she also couldn't forgive him because Dark Sebastian orchestrated the death of Alfhild's parents by sending Frieza whom he had put under his control and sent him to murder her parents and kill her too. But, when he heard of Alfhild's survival, he disemboweled Frieza and killed him in cold blood again and sent him to Hell, and Alfhild swore to kill both Frieza and Dark Sebastian and avenge her parents.

WE GASPED IN HORROR!

Nico: Oh shit! So, we're not the only ones who personally hated Frieza with a blazing passion, and to also find out Dark Sebastian used Frieza like a puppet to murder her parents and kill her too? Those two, what a bunch of filthy animals!

Me: When Nikiya's big day comes, we'll make Frieza pay for what he's done.

Lincoln: We got rid of Dark Sebastian, but the only way for her parents to rest in peace is to kill the tyrant himself.

Moonstone: He's gone for good.

Kyd Wykkyd: Good riddance

Me: And we destroyed an entire universe poisoned by Lord Zedd.

Qin: We sure did.

Puff: Anti Monitor just lost one of his most powerful members.

Beautiful Gorgeous: He sure did

Shiva: Let's celebrate here!

Me: Good idea.

Nico: Yeah! Great job today everyone!

Tai Kamiya: YEAH! (To the viewers) This was an awesome adventure.

Qin: Yeah it was!

Me: Yep. Now we have to prepare for tomorrow.

Misty Brightdawn: My big day is tomorrow.

Lucca: It sure is!

We had a great meal on File Island.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: Whew, man, that was one awesome day.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there lying on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was Vinna Laval and she was posing seductively, and when Lincoln saw her, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Vinna Laval: (Seductive Voice) Like what you see, wolf hunk?

Lincoln could only nod, and then, Vinna Laval went up to Lincoln, and she stripped him of his white and gold-trimmed shorts, gold-armored knee-high boots, and orange loincloth, and leaving him in his underwear, but she really aroused him.

Vinna Laval: (Rubs Lincoln's massive pecs) You're even more of an impressive hunk especially in your underwear, now I can see more of your built manly legs and the very thing that has gotten the girls in your harem pregnant with many children. (Seductive Voice) And satisfied them every single time and every night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high

sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Then, Lincoln wrapped his arms around Vinna Laval and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and Vinna had her hand on his underwear about to remove it and leave him in the nude, and his entire harem dressed only in strapless bras and panties also appeared as well.

Lincoln: (Seductive Voice) (Smirks) Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his one-hundred massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Meanwhile in the Bermuda Triangle, Zak Storm and crew were getting ready.

Zak Storm: I'm really excited for this.

Crogar: Crogar is too.

Zak Storm: Soon we'll be rid of our enemies forever. Lets go!

They powered up and went at the screen. It froze.

See you all next time.

Bermuda Triangle Battle of Epic

BUCKLE YOUR SEATBELTS EVERYONE! IT'S GONNA BE EPIC!

This chapter is for Zak Storm

In the early morning hours of 12:24 AM, Lincoln was asleep along with his harem and he had a dream as it took him to The Bermuda Triangle, but as he was flying, he sensed a very dark energy there, and he found it: that dark energy was none other than Lavos, the Extraterrestrial Parasitic Monster of Doom from Chrono Trigger, he was back from the dead, and he wants revenge on me for killing him. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: I just had a dream, and this is gonna shock J.D. when we tell him along with everyone else.

Lincoln explained everything, and when he was done, his harem were shocked.

Selene Arcangela: Oh crap. Lavos is back.

Selene Emperyous: This is beyond bad.

Lincoln: Looks like we got ourselves a big battle later on today for your big day, Misty.

Misty Brightdawn: In addition to dealing with Captain Skullivar, we'll be dealing with Lavos.

Lincoln and his harem went back to sleep.

Maria was getting a glass of water when she heard Horsea's voice.

Maria: Horsea, is that you?

Maria walked closer and gasped at what she saw.

Horsea grunted in pain as she used a small knife to cut herself to draw blood on a plate. She then put the blood in the cloning machine.

She then saw the Cloning Machine make 20 clones of Horsea!

Maria: Oh man! It works!

Horsea: Hey Maria!

Maria: Horsea it works!

Horsea: It sure does!

Maria: But what were you thinking cutting yourself like that?!

Horsea: It needs a blood sample to work!

Maria: Well yeah but you could have used spit!

Horsea: Oh. Oops.

Maria: Yeah

Horsea: Now, tomorrow morning, I need to download my memories into one of them

Maria: At least we know it works.

Horsea: Now, tomorrow morning, I need to download my memories into one of them.

Maria: Just copy them and give them to them.

Horsea: That's what I intend to do.

Then, as morning came. Horsea downloaded her memories into one of the clones.

Horsea clone: Welcome to the world of the living, clone.

Horsea: Don't start. I'm the original.

Horsea Clone: So the process was a success

Horsea: Yep that's right.

Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, we got bad news, last night, my dream took me to The Bermuda Triangle.

Then, Lincoln explained everything, and when he was done, we were horrified.

Me: Oh shit! Lavos is back!

Nico: That is not good, not good at all.

Lucca: So, not only are we getting rid of Captain Skullivar, but we're in for one final battle with Lavos.

Lincoln: Yep.

Suddenly, Lincoln saw something heading for us, it was a clone of Lavos sent by Captain Skullivar to kill us.

Lincoln: Looks like Skullivar has struck first.

Lincoln appeared behind the clone of Lavos, and then, he morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the clone, and he began absorbing it and he assimilated Lavos' forced species evolution, Collecting DNA, Hive-mind, Draining energy from planets, Merging with other life forms, Elemental magic, High intelligence, Mastery of manipulation, Reality-warping, Immortality, Possession, Conceptual manipulation, Mental and spiritual manipulation, Draining energy from the universe, Consuming timelines, and Soul manipulation, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings

and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible.

At the same time, the clone began feeling the pain as all of its power was being sucked out of him one at a time and was being pumped into Lincoln and he himself was being sucked into his body and being absorbed into him.

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of Lavos and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla, and he came back to us.

Lincoln: Ah, now that was good. Now, I have the Lavos clone's powers, but it'll be worth it when I absorb the real Lavos.

Caleb Maxwell: Absorbing that Extraterrestrial Parasitic Monster of Doom for real, oh man, you realize if you do, you'll become even stronger than ever, right, and you'll probably go to another planet of evil and drain it dry of energy and absorb the DNA of its inhabitants.

Me: That's his plan for evil planets and evil beings there, Caleb.

But then something came to my mind.

I went to the computer and looked through Blair's notebooks and all the footage and documents from Outpost 31 and Thule Station on the Thing.

Me: Hmm. I wonder. How in the world can the Thing have done so much damage and more?

I looked at some blood samples on record of those assimilated and infected by The Thing and did some scans on the origin of it. It turns out The Thing was actually an alien bio-weapon that went HORRIBLY WRONG and it caused the ship it was on to crash land in Antarctica.

Me: Oh shit! It's an Alien Bio Weapon!? These aliens that made The Thing were REALLY Playing with Fire. Kate come here!

She came.

Kate Lloyd: What is it?

Me: Look here. I did some studying on The Thing and what it was. Turns out it's actually an Alien Bio-Weapon.

Kate Lloyd: What!? An Alien Bio Weapon!?

Me: Yeah and it ended up going horribly wrong. It was designed to work like this. Canisters containing the thing virus would be launched from space onto the surface of A planet and then begin to infect everything. Once everything is infected, the thing would then turn all of the cells into the original alien race and then stabilize thus turning the inhabitants of the planet into the creators of the virus. This way they wouldn't have to have a war and expend resources. They would literally just show up on an alien planet and be welcomed with open arms by their own race of people. Or they could turn the entire population of a planet into a slave class harvesting their resources. Either something went horribly wrong causing alien spaceship to crash in Antarctica. Maybe they couldn't control it and unforeseen things happened or not. Maybe it works perfect and the alien ship that crashed was not the aliens who invented it.

SHE GASPED!

Kate Lloyd: That is terrible! So it was all a biological invasion!

Me: Yeah. That's what I think. So once an organism is infected it becomes a carrier for this hostile monster

Kate was shocked! The nightmarish horrors she went through because of The Shapeshifting Alien Monster known as The Thing was actually an Alien Bioweapon that went horribly wrong and threatened to destroy the entire world!

Kate Lloyd: You all destroyed that nightmare in time.

Me: While it was contained in Antarctica. But I have a strong feeling it's going to return during Halloween. But we'll be ready for it.

Kate Lloyd: (Crying) That monster just...

I hugged and comforted her.

Me: I know Kate. I know.

Suddenly, The Dark Symbol on Crash Bandicoot's True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Fury Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Fury Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Justice and the Element of Harmony for Princess Luna started glowing.

Crash Bandicoot: The Dark symbol's glowing, this means, you're up next, Princess Luna.

Princess Luna: Perfect.

Lucca woke up to see Talonflame staring at her

Talonflame: Morning Lucca!

Lucca: Oh morning Talonflame.

Talonflame: Time for breakfast!

Lucca: Oh be right down!

Lucca went and got dressed and we were having lots of steaks and more.

Carl was sleeping.

Me: Carl are you okay?

Carl Wheezer: (Groans) No I had a really bad dream.

Princess Luna: I saw that Carl had a nasty dream and it was awful.

Nico: I actually have an idea for my rescue for this one since you're up, Princess Luna. Let's head to Carl Wheezer's dream in The Simulator and we're going to battle THE GIANT LIMA BEAN MONSTER!

Me and Caleb Maxwell: YUCK! I HATE LIMA BEANS!

I then realized that I wasn't the only one.

Me: You hate them too?

Caleb Maxwell: Never liked them then, and I still don't. Gross! Now, we got to battle a giant lima bean monster! This is gonna be a nightmare.

Plucky Duck: I think you just jinxed yourself, Caleb.

Caleb Maxwell dumped a bucket of glue on Plucky Duck and threw him into a crate of TNT which he lit, and...!

KRABOOM!

Plucky had his feathers blown off.

Caleb Maxwell: Let's just get this over with.

Plucky Duck: Sorehead.

Lincoln: Let's finish breakfast before those two try to murder each other.

Nico: That's an impossibility though, but you're right. Let's finish up before those two get out any more dangerous weapons and start blowing their heads off.

We finished breakfast and we headed to The Simulator to help Princess Luna unlock her Rainbow Power and battle The Giant Lima Bean Monster.

Later in the control room of the Simulator was Nico, Princess Neri, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, the King Ohgers, Tara Duncan, Cal, Sparrow, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Donbrothers, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Brynja, Sissi Delmas, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Princess Anita, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Kamen Rider (1971), Hibiki Riders, Agito Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Blade Riders, Faiz Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Saber Riders, Dragon Knight Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Shanan, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Misty Brightdawn, Wallflower Blush, Alice Kingsleigh, Rachel Stavenport, Kate Lloyd, Carol Pusateri, Hailey Helios, Kia, Jenna, Lina, May, Maria, Danica Metrois, Kaalia of The Vast, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, me, Sakura Knudson, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Spiderman and his counterparts, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruku Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Luz, Amity, Gus, Willow, Hunter, Felicia Wittebane, Carly Atlas, Misty Tredwell, Zuria, Tony Jones, Edyn, Strag, Momo, Eowyn Rosato Wingfeather, Girl Jordan, Leeli, Sora Phaaze, Venus, Earth, Vinyl Scratch, Airazor, Rhinox, Cheetor, Rattrap, Tigatron, Janeen Aran, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily as well as Burn Rooster, Chicken Little, Rocky, Super Chicken, Bunty, Ginger, Mac, Babs, Fowler and Foghorn Leghorn as well as Flamebo, King

Me: Thanks. It went off perfectly without any flaws.

Eli: I'll say bro!

Ymir: Yeah and we destroyed an entire universe completely poisoned with evil beyond repair.

Nico: And now, one of the most dangerous Digimon is no more.

Me: That is for sure!

Qin: Yeah!

Lola: That was absolutely intense!

Xenia: It sure was!

Me: Now we just have to deal with MaloMyotismon, Lucemon, MegaDarknessBagramon and we'll be in the clear.

Nico: Yep.

Sora Takenouchi: My Akuma was a Phoenix Digimon that was OVERFLOWING with intense hatred!

Qin: No kidding! Supercharged us intensely!

Poromon: She needed a hug!

Me: A hug is not gonna do her any good. But still she REALLY HATED EVERYTHING!

Xenia: All because of your mother Sora.

Sora Takenouchi: I know.

Qin: No kidding.

Me: I wonder what the Akumas of all the other Digidestined will be like. We already met Kari and Sora's Akuma.

Nico: No idea. But we'll have to see.

Lisa came back.

Lisa Loud: Carl is all hooked up.

Me: Okay we're ready.

Nico: Lets go.

We went into the simulator and it activated and we were inside Carl's dream. It was the school.

Me: Carl's dream is at the school? Wow.

Horsea: Try to keep up, clone.

Horsea clone: You're the clone. I'm the original!

Me: What the?

I saw the clone.

Me: Your cloning machine worked!

Horsea: It sure did. I marked myself with a blue aura to tell me apart.

Me: Good thinking.

Horsea clone: It must be failing. I'm the original!

Me: Nice try Horsea Number 2.

Horsea Clone: Darn.

Me: But that is cool!

Qin: How does it work?

Maria: It took a drop of Horsea's blood and she made 20 clones with it.

Me: Whoa! That is amazing!

Pinkie Pie: As long as it's not like what happened with me in the Mirror Pond.

Me: Don't want to go through that again.

Maria: But this is gonna be awesome! It's like we are a Horsea Family now.

Horsea clone: As long as you guys remember that I'm the original.

Horsea: No, I am!

Nico: (sighs) Well, it's either this or Horsea gets attacked again

Me: Yeah. (To myself) I would much prefer if Horsea got attacked again.

We continued and went into the school and saw Carl as a genius.

Me: There he is.

Libby is scrapping along the linoleum floor seated firmly in her desk as she pushes it forward with a leg. She passes by Carl who is at the front of the class standing next to something under a red curtain while he holds a pointer.

Dream Libby: My paddle broke so I had to roll my desk to school with this plastic leg!

Me: That had to hurt.

Jimmy is looking at her in disbelief.

Dream Miss Fowl: Quiet! Ree-aagh the great merciful and powerfully chinned Carl is about to spe-eeraa- speak!

Miss Fowl is kneeling in a bird's nest on the top of her desk.

Me: Okay that is silly. Ms. Fowl is a literal bird?

Carl: Thank you, Winifred. This is my revolutionary voltage pondalizer. I converted the haskabobits to the fluts by putting it through the hubafloober!

Nico: (HEAD SPARKS)

Eli kicked him on his butt.

Nico: Um ow!

Poliwag: Is this in Carl's perspective?

Jimmy Neutron: He dreams he is a genius just like me.

Me: That is impressive.

Lisa Loud: Indeed.

Ed: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

Ed was hugging Chicken Ms. Fowl!

Carl: Ed? What are you doing here?

Me: Carl it's okay.

Carl: Guys? What are you all doing here?

Me: Long story. But we came to help you.

Lincoln: Okay, guys, we're here for one really brutal and nasty battle, we're here in Carl Wheezer's nightmare in The Simulator, and as Nico said, we're here to battle The Giant Lima Bean Monster.

The rest of the team's with us.

Nico: As much as it's going to disgust the lot of us who hate lima beans, we've got no choice but to take it down.

Me: And send it to Vypra.

Eli: I think we should hit it with a hammer to knock it out.

Lincoln: No, we'll be using more heavier measures to knock that beast out.

Luna: Good idea, and I hope none of us have any plans of eating it.

We all made disgusted faces.

Me: Motion carried.

Carl: You guys are here to help me? Thank you so much guys.

Me: What are pals for.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive

muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for The Giant Lima Bean Monster) AHA! There you are, you ugly snaggletooth monster! I just found The Giant Lima Bean Monster, he's 20 yards away and he's already running wild!

Nico: Let's get him and turn him into lima bean paste!

Me: Also Carl this is a dream. You can do anything you want.

Carl: Really?

SpongeBob: Yep! I mean anything! Watch. I can turn into a skyscraper. [transforms into the shape of a skyscraper] Going up! Eh?

Carl: WOW!

SpongeBob: Also I can make... [changes back to his normal shape and size, this time with a million copies of himself] A million of me! Eh? Eh?

Carl: That is cool! Okay.

He concentrated and turned into a muscle hunk knight!

Carl Wheezer: WOW! I look cool!

Me: You sure do!

Natilee: Boy you would be the heartthrob of Retroville like that!

Nico: (LAUGHS) Yeah!

Peyton heard a Pokémon cry

Peyton: Look guys!

We saw a Munchlax!

Me: Cool a Munchlax!

Nico: Wow!

May: Looks like my Munchlax is gonna have a little playmate.

Me: Yep.

Munchlax: Boy this is a strange place.

Peyton: I know. You hungry?

He gave him lots of apples and he ate them.

Munchlax: Ahh. (BURPS) Thanks.

Peyton: Want to come with?

Munchlax: I would like that!

Peyton: Awesome! I get a new eating partner.

Nico: We better get more food.

Me: Yeah.

But then we saw a black sun coming.

Me: WHOA! What is that?

it got closer and we saw that it was a fusion pokemon! It was half Solrock, Half Lunatone. It was called Tsukisol.

Nico: Whoa! What kind of Pokemon is that?

I looked it up.

Pokedex: Tsukisol, The Eclipse Pokemon. A Combination of Solrock and Lunatone, this Pokemon has the powers of the Sun and moon and can use the powers of said objects with intense power.

Me: Amazing!

Qin: Never saw something like that!

Nico: It's a new one!

Sunny Huntington: We've never seen a Pokemon that is a fusion of mine and Luna's gene-slammer forms.

Luna Huntington: This is completely new.

Me: It sure is.

Carol: Maybe it's one of Dark Gale's work.

Carol used telepathy and gasped!

Carol: Oh man! It's our friend Ellie Roberts!

Maria: (GASP) OH man! You guys are gonna be in for a shock with this one!

Me: Lets go help her then!

We went over!

Carol: Ellie it's okay. It's me Carol and Maria!

She charged at us and we dodged her.

Me: Okay then.

I fired waves of energy and Carol and Maria fired waves of energy and blasted her down.

I then snapped my fingers and she reverted back and had orange hair and purple highlights and had purple eyes and fire angel wings and had Tsukisol on her forehead and ahd an Eclipse with a fire Dragon around it on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

Me: That was intense.

Maria: Yeah first time battling a new Pokemon like this.

Me: I'm sure there ae many more like that.

She woke up.

Ellie Roberts: (Groans) What hit me?

Maria: Are you okay Ellia?

Carol: Yeah.

Ellie Roberts: Carol, Maria? It is you!

She hugged them!

Ellia Roberts: I'm so happy you're here.

Carol: We are too.

Ellie Roberts: And Maria you're no longer Aquamaria? How?

Maria: Long story on that.

Carol: Ellie was exposed to the Quantum vapor and given the powers of the Sun and the Moon and fire and light and darkness. She has these powers at an omnipotent level. It's how she got the superhero name Lady Eclipseflame.

Me: WHOA!

Ellie Roberts: Quantum Vapor?

Me: It was an experimental biohazardous mutagenic gas. It mutated you and gave you those powers.

Ellie Roberts: So that's what that purple cloud was!? Oh man!

Maria: Yeah it turned me into pure water thus making me Aquamaria.

Ellie Roberts: Oh man.

Me: Yeah you were turned into a Solrock and Lunatone fusion pokemon called Tsukisol by Dark Gale.

SHE GASPED!

Ellie Roberts: I remember!

She was in an orange suit and injected twice with two serums and she turned into TSUKISOL!

She flew out.

FLASHBACK ENDS

Ellie Roberts: It was awful.

Me: Wait you were injected with 2 pokemon forms!? That explains it. But we destroyed Dark Gale.

Ellie Roberts: Good.

Carol: Yeah. But also Ellie is the daughter of Karen Roberts.

Me: Wait you mean Dr. Karen Roberts A.K.A. Omnara?

Maria: I remember how Virgil battled her long ago! That was nuts!

Static: You know your mom kidnapped my Pops, right?

Me: She did!? Oh man! And because of that she told him who you were Virgil?

Static: Yes that's right.

Me: Oh man! Well now that Superher and Supervillain names are pretty much squat, everyone knows who everyone is now.

Maria: And I definitely know for sure I'm going to face her on my big day. And we're going to send her to prison.

Ellie Roberts: Yes but please help her. She is my mother and I love her. I don't want her to be this insane fool anymore.

Me: You can count on us Ellie.

Ellie Roberts: Great. Also my role in Sonya's team is that I'm the Eclipse Mage of the team. I use the powers of the Sun and Moon and get rid of our enemies. Outside the team I do everything I can to help my mother and use my powers to help Virgil.

Me: Cool!

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her orange and purple clothes and an Eclipse Sword!

Ellie Roberts: I look amazing!

Horsea: You can do a combo with me.

Horsea clone: No. With me because I'm the original!

Horsea: No. I am!

Me: Enough guys!

Maria: We all can do a combo with her.

Ellie Roberts: Cool. Also are those two Horsea yours Maria?

Maria: They sure are. Actually the one glowing blue is mine. She is the original one.

She told her everything.

Ellie Roberts: Oh man! So your Horsea was fed up with being attacked and decided to clone herself?

Me: That's the whole thing in a nutshell yep.

Ellie Roberts: Oh man.

Nico: Yep. Lets get a move on!

We then took off into the air to help Princess Luna unlock her Rainbow Power and battle The Giant Lima Bean Monster.

We were flying in the air, and then, we saw our target: The Giant Lima Bean Monster.

Lincoln: There it is. Now then, let's get started.

Lincoln suddenly formed a massive ball of eldritch darkness in his left hand and a massive ball of eldritch light in the other and he threw them right at The Giant Lima Bean Monster and as they exploded, it was covered in white and black Symbiote goo that suddenly exploded and it did a lot of damage.

Me: HOLY COW!

Nico: Damn!

Venom: Okay, now that's really explosive.

Lincoln: I'm just getting started.

Then, Lincoln fired blasts of black Symbiote goo that hit The Giant Lima Bean Monster, and he charged down and smashed his Symbiote goo-covered left fist into its face and sent it flying into a wall.

Eli: What the?! Okay, we better get down there before Lincoln ends this too early.

Lincoln continued attacking The Giant Lima Bean Monster by lashing at it with black Symbiote goo whips, and then, the spirits of the gods and goddesses of The Moon and The Night appeared and fired lunar energy blasts at The Giant Lima Bean Monster, and then, the spirits converged and they crashed down and a massive explosion erupted as a Wolf Howl, Thunderbird Screech, and Phoenix Cry was heard and we appeared.

Giant Lima Bean Monster: (ROARS)

Me: Oh great, this guy doesn't talk, he just roars at us.

Nico: Well, that sucks.

Maria: That stinks!

Lincoln: Doesn't matter, we're still taking it down.

Me: That is one NASTY LIMA BEAN! I HATE LIMA BEANS!

Jared: I could eat it. I love Lima Beans.

Me: Lima Beans are vegetables. But I know you would son.

Nico: Geez, non talking villains take the fun out of things

Me: Tell that to the monsters the Ultraman face.

Nico: Touche.

I fired waves of fire and blasted the bean and it roared in pain.

Carl formed a sword and slashed it.

Poromon took a bite out of it

But he spit it out!

Poromon: (SPITS) YUCK!

Me: Gross huh?

I fired waves of fire and blasted it.

(CRACKS KNUCKLES)

Crash Bandicoot went after The Giant Lima Bean Monster, and he fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, plants, fruit, dragons, bandicoots, phoenixes, and angels which hit the giant monster and exploded with such incredible power as they hit him, and he slashed at him with his massive greatsword leaving scars on him and he also got burned as Crash Bandicoot used fire on him. Then, he struck him with some hard punches and kicks, and he even used some wrestling moves on him, and he was pretty beaten up and banged up bad.

The Giant Lima Bean Monster only roared in anger at us, but then, Lincoln let out a vicious howl that caused an army of werewolves to appear out of nowhere and they attacked The Giant Lima Bean Monster with ferocity and power.

Caleb Maxwell: How is this possible? How can one person have control over vampires, werewolves, and other creatures of the supernatural?!

Me: That's something we were unable to figure out, but Lincoln had a natural power to control these creatures of the supernatural and they do his bidding, and being a True Alpha Werewolf-Vampire hybrid, that did the trick for him.

Inside a rainbow sphere with intense flames and elemental forces, Princess Lua then underwent an intense and amazing transformation! Princess Luna had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her dress and she also gained intense rainbow flame patterns and stars on her forearms, she also got aurora lines on her hair and tail. She then had her Cutie Mark change into many rainbow moons and her massive midnight blue angel wings and twelve sets of large midnight blue angel wings underneath her massive midnight blue angel wings had intense rainbow fire on them.

SHE UNLOCKED HER RAINBOW POWER FORM! THE RAINBOW MOON OF BENEVOLENCE!

EVERYONE GASPED!

Princess Luna: It's time to put an end to this nightmare.

Lincoln: Okay, time to give you a bad case of pain. JUDGEMENT OF THE SEVEN ARCHANGELS! 七人の大天使の審判！

Lincoln swung his massive greatsword and fired a massive stream of golden fire and heavenly light that hit The Giant Lima Bean Monster and he let out a loud scream as he got burned badly by the golden flames and heavenly light.

Nico: Hah! Shows you right!

Then, Lincoln formed a massive rainbow moon in his left hand and fired it at The Giant Lima Bean Monster which hit him and burned him bad! Then, he fired a barrage of Shadow Orbs from his massive angel wings and ninety-nine sets of large white angel wings underneath and The Giant Lima Bean Monster got hit hard.

Blackout: Nice one, Lincoln.

Sabrina Devereaux: We definitely helped him out with that.

Lincoln: Now, it's time for the big guns.

Lincoln got out a massive industrial can of spinach, and he opened it up. Then...!

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CAN OF SPINACH!

Me: OH CRAP!

Nico: THIS IS GONNA GET UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed, and a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf roar.

Lincoln: (CRACKS NECK AND KNUCKLES) Time to die, you dirty jerk.

Lincoln went at The Giant Lima Bean Monster and he began brutally smashing him all over the place with his massive godly superhuman strength. Then, he punched him hard in the face and kicked him in the stomach and he sent him flying into a wall, he got back up, but he was so mad, he let out another roar of anger before Lincoln threw a golden yellow fireball at him and it exploded burning that monster badly.

Nico: Damn, that's still as brutal as ever, but it serves him right.

Suddenly, we heard vampiric shrieks, and we saw vampires coming right at us, and then, the skies turned red and it started raining down blood.

Me and Nico: Great, now things have really gone bad.

Suddenly, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by an icy blue mist. Then, Sherlock Hound attacked one of the vampires and we felt Sherlock Hound grow even stronger as the blade literally sucked the life out of the vampire as he died and turned to dust. Then, he swung his massive greatsword again and fired projectiles of ice that hit and froze more of the vampires before he struck them with his greatsword and sucked the life out of them and he grew stronger from that as well as they too turned to dust.

Then, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by a red flame. Then, Sherlock Hound attacks another vampire and the blade slashed the vampire and he turned to ashes. Then, he swung his massive greatsword again and fired projectiles of fire that hit and turned more of them to ashes!

Me: Alright, now it's our turn.

Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his deep sapphire blue eyes and rainbow iris of his Third Eye with golden yellow circle around them remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth remained the same, his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings remained the same, his one-hundred massive and long brown wolf tails and large brown wolf ears remained the same, his long wild rainbow hair with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks in the back going down to his upper back became wilder and his large gold halo behind and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings turned midnight blue, and he let out a loud howl as he transformed into Lincoln The Nocturnal!

Lincoln: (Beastly Voice)(GROWLS) Oh man, the raw immense power of these Oni, orcs, ogres, and trolls is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of Oni, orcs, ogres, and trolls and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Nico: Seriously, who keeps on sending creatures after us?

Lincoln: (Beastly Voice) No idea, but the clod's just digging his own grave not realizing that by sending supernatural creatures and beasts, he's just letting me get even stronger by absorbing them and assimilating their raw strength and physical abilities along with their immense powers.
